## Prefatory Notes

All Assemblies are not the same. While each Assembly I can recall has been blessed by the Lord's presence, there have been some years when the delegates departed feeling we just had not experienced the *breakthrough* we had hoped for. This was not the case with the 74th Annual General Assembly. The delegates, who numbered 20,113, as they returned home felt that God had very definitely bestowed His blessings in a very special way upon this great gathering.

Being refreshed by such inspirational preaching and outpourings of the Holy Ghost in our midst, all left for their fields of labor with new zeal to pursue their work. It was easy to sense an excitement among the delegates who seemed to be ignited with a fervency for taking this Church of God message to every community.

It is easy to sense that our Assemblies are becoming more global in their concept all the time. This year, in addition to delegates from fifty states, there were forty-four other countries represented. How pleasant it was for brethren from so many cultures to dwell together in such love and unity!

Pre-Assembly events included the Annual Presbytery Meeting and Dinner, hosted by the General Overseer and his wife, the dedication of the new marker on Central Avenue to mark the site of the old Assembly Tabernacle and Headquarters Offices which served the Church for so many years, and the Fields of the Wood Program.

We appreciate the good coverage provided by the news media, as well as the welcome by officials of Cleveland and Bradley County. We are also thankful for the hospitality of so many local citizens who opened their homes to entertain the many delegates which our limited motel facilities cannot accommodate.

Much work and planning went into this week-long gathering, and all who co-operated are to be commended for their labors. Every department of the Church was ably promoted during the various sessions, and we certainly appreciate our faithful workers. To God be the glory for all that was accomplished, because it is for His glory that the Assemblies are scheduled.

The 75th Annual General Assembly will be held, God willing, September 9-15, 1980.

8:00 A Good Conscience Toward God—message and altar call by E. L. Jones, Field Secretary. Excerpts: The Scripture teaches us to keep thy foot when thou comest into the House of God and be more ready to hear than to give the sacrifice of food. I want to hear God talking to sinners. 1 Peter 3:18-21. (Prayer) This general epistle is addressed to the elect scattered throughout Asia Minor, which encompassed all the Christian converts in that region as a result of the Apostle Paul's ministry. In the first sequence, Paul talks about the glorious salvation and the living hope centering around the resurrection of Christ. Then he talks about the mysterious plan foretelling Christ's suffering and the glory that should be revealed in latter times. He tells about a call to: soberness, obedience, from worldliness, to purity and godly reverence of all believers. 1 Peter 1:18, 19. In the third part, the Apostle deals with the plan of salvation. Salvation means escape, deliverance and being set free.

The Bible says a lot about conscience. Acts 24:16; Romans 9:1. When he was rescued from a vicious mob, he said, "I have lived in all good conscience before God." Conscience is a power to distinguish right and wrong. There are three schools of thought on conscience: intuitionism, empiricism and evolutionary. Intuitionists believe there is something on the inside of you that helps you to distinguish between right and wrong. The empiricist holds that there is no moral faculty which intuitively distinguishes between right and wrong.

Adam and Eve were created holy and without a knowledge to distinguish between good and evil. They didn't need that knowledge as long as they stayed away from the tree. We are on this side of the tree and we need to know right and wrong. Evolutionists believe that conscience is a product of age-long experience.

In his booklet, "Answering the Call of God," A. J. Tomlinson heard his name called three times. He said that it aroused his conscience. Another time he was attending school and a revival broke out in the nearby community. He said that his conscience and spiritual mind were aroused. During all this time, his conscience was lashing him except in the most intense excitement. He would get on his knees and beg God to have mercy, but he knew nothing of salvation. Your conscience either accuses you or excuses you.

Jesus had a good conscience in John 8:29, 30. If you don't keep yourself humble in the local church, under leadership of your pastor, and you sow discord, your conscience will get you. John 14:30; Hebrews 5:4-7. We have got to the place we can preach the truth truthfully or we can preach an untruth. I am fascinated by the Scripture, "It pleased God that by the foolishness of preaching to save them that believe." It doesn't say the foolish preaching. The Scripture has been fulfilled on some of us where it says, "Our conscience has been seared with a hot iron." The Word of God will go with you. David said, "I hid it in my heart that I might not sin against God." When Paul said, "I am debtor," he didn't mean that he had bought merchandise in those heathen market places and didn't pay them their due, but he was in debt to them for what God had committed to him.

David was anointed of God to be king. He was a young man after God's own heart. Saul who was king was jealous of David. Saul sought to kill David, and he had to run for his life. Saul heard that David was at a certain place, and he called several thousand of his best soldiers in Israel and took them out to hunt David who was hid in a cave. Saul got weary, and he went in and covered his feet. David said that God had delivered you into my hands, but my eye hath spared you, king. This is the Church of God. It is not like anything else. We are going to have to watch what we do when we get out around this holy ground. (The Holy Ghost spoke and many filled the altar.) Bruce Scotton arranged music and singing during the altar service.

1:40 Official opening of the 74th General Assembly of the Church of God of these last days by the General Overseer. Comments: The Lord is here ready to

bless us and help us in the business part of the Assembly. We gather here to take care of the business of the Church of God in these last days and the Body is gathered together. Jesus is not here in person, but He has His Body to carry on the work. This is the same Church that was organized on Mt. Hittin by Jesus Christ when He called unto Him whom He would and gave His disciples the commission to preach the Word of God. We still have that same commission to carry this gospel to all the world. Romans 12:11-21. We will officially open with prayer. The General Overseer prayed and after the sound of his gavel, he declared the 74th Annual Assembly in official business for the Church of God.

1:57 Prayer for Committees by Homer Rye. "Pull Altogether," by Dorothy Creel, Jenna Allen, Jean Coalter and Roberta Matthews; two songs by Message of Christ Trio; clarinet solo by Albert Ferguson.

2:27 The Meek—message by E. H. Griffith, Field Secretary. Excerpts: Psalm 25:4-9. He said that He would guide the meek in judgment. Only the meek will the Lord exalt. Moses was referred to as one of the most meek men on earth. Momentarily, because of aggravation and the attitude of the people, he lost this meekness. It cost him something. The Lord allowed Moses to look over into the promised land, but he couldn't go because he lost his meekness momentarily. God requires meekness. Do you want to have your way, or do you want God to have His way? David was talking about God having His way and directing us. The only way God can direct us is through a spiritual channel. If we are not careful, we will lean upon the arm of flesh and the knowledge acquired from others.

I believe in progress and moving in the right direction. I am afraid we have problems we shouldn't have. Ephesians 3:10. Paul is talking about the Church knowing the manifold wisdom of God. The Church should know the manifold wisdom of God. The great abundance of wisdom will be made known to the

Church. I feel that we have found the main channel, and why should we change from that which God has revealed and disclosed to the Church? Judgment is going to come before the final judgment and things are going to be exposed, and there is going to be an explosion in the Church of God. People sneaking around are going to be exposed. There will have to be a revealing, or we will never reach perfection.

The whole Church should know the manifold wisdom of God. Genesis 24:1. God blessed Abraham in all things. We will have a church-wide revival when God moves on the Church and reveals Himself in judgment. There will be an awakening that will move the world. Paul said that God would bless us with all spiritual blessings and in heavenly places in Christ. Matthew 5:5. Do you feel your inheritance? The meek shall inherit the earth. You read in the Scripture that God had an appointed time for His Son to be born. He has had appointed times for other things. God has a time clock, and it is moving to its right position. His spirit is going to move the people. You can't do it in the flesh; you can't do it with a message. It is the spirit that God puts in the message that reaches the people. We must court this spirit. Do you think that spirit won't move men? This spirit of meekness must prevail in the Church of God; it must prevail in the ministry; it must prevail in us.

3:15 Ministerial Tribute Program, Perry E. Gillum, Director. Theme: Our names come from our ancestors, but our honor comes from our virtues. Director commented: Psalm 119:11, 105; Hebrews 4:12; Psalm 121. My help cometh from the Lord which made heaven and earth. That surely qualifies Him to help me, and He can surely help Church of God families who need Him. He won't go to sleep on you because He that keepeth Israel shall neither slumber nor sleep. Church of God, we want to lift up our eyes. There is trouble all around us, but our help cometh from the Lord. I challenge Church of God families today.

3:20 Doug Ward sang "The Lord's Prayer," with Mike Flippo, pianist. Assembly gave ovation to our senior ministers as they stood.

3:25 The Ministeries Importance to the Church—Albert Ferguson. Comments: Psalm 104:1, 4, 5; 1 Corinthians 4:1, 2; Isaiah 52:7. God's ministers are the most noble men and women in society. These ambassadors for Christ are on a mission to bring hope to this dying world and to help bring about the final great triumph of the Church of God. The Apostles were divinely called to be preachers of the gospel. They were soon joined in the ministry by evangelists and prophets. The New Testament teaches that the work of the ministry is for the perfecting of the saints and for the edifying of the Body of Christ. The ministry is a direct gift of God to the Church. Ephesians 4:11, 12; 1 Corinthians 15:1. Preaching is important in the Church because it involves the unfolding of the meaning of God's revelation concerning Himself, Christ, the Spirit, salvation, the Church and the Word. Ministers are ambassadors of peace, of reconciliation, of good news of the gospel and redemption. Ministers are called to be shepherds. Ezekiel 34:2. The pastoral ministry feeds the flock of the Church. Thank God for the ministry of the Church who under-

stands loneliness and despair and through the power of the Holy Spirit can reach out a helping hand. As I look at these senior ministers, it struck me that these faithful warriors provide a vast resource from which younger ministers of the Church may draw and gain experience. They are important to the Church. The younger ministers may cry out and seek for a double portion of these older ministers' spirit. Thank God that He made His ministers a flaming fire.

3:43 Memorial Tribute to ministers who went to glory this Assembly year. Eulogy to the families of these seventy-one ministers by the Director. Matthew 10:29. Tim Coalter, Shirlene and Duke Stone sang "If I Can Help Somebody."

This was very impressive. As Brother Gillum read each name, the State Overseer placed a marker on a map in the respective state or nation and held a Church flag in honor of the departed ministers. Congregation stood in silent tribute and General Overseer prayed. Church flag was lowered to half mast by C. R. Payne and taps were played by Ron Scotton.

4:30 Public Relations Program—Bill J. White, Director. Theme: Signs of Our Time. Introduction of Kenneth Massengale, Assistant General Overseer of Mountain Assembly Church and pastor Landers, who spoke briefly.

4:40 Felton Pratt, pastor, Baton Rouge, LA, spoke briefly: Told of affiliation with Ministers' Alliance. I feel that public relations in a community is owed to them just as much as our Sunday messages. I do not feel adequate to go into many of the places, but I do feel that God's help makes the difference. God needs every minister out there in the community. In the past two years, we have been able to have 450 spots on television and haven't paid for any of them. We have three programs: Reflections of Life; The Late, Late Night; A Christian Concept. Our Sunday School Digest appears on Sunday morning. We have begun a work on the radio station and have recorded fifty spots on it. I served as the area-wide speaker at the Ecumenical gathering for our Easter service. We have luncheons for newcomers to town. I have been able to speak at these functions and I pray the invocation regularly; prayed invocation at the Louisiana State House of Legislature Representatives; in our City Parrish Council Meetings; our East Baton Rouge School Board. I serve on some committees that work in the community. The last two years, I have served as the co-ordinator for all television and radio work through the Ministerial Alliance; presently serving on the Ministerial Alliance Committee which is working on accreditation for all ministers who work in the East Baton Rouge Parrish Jail. It is a large facility, and the sheriff has asked me to work out the program because he has had a lot of complaints. We can be a representative of the Church and an example of Christ wherever we go.

4:53 Dee Sholar sang "Redemption Draweth Nigh."

4:57 Take Heed That No Man Deceive You—message by Bill J. White, Director. Excerpts: God is disclosing His manifold wisdom to the Church. Jesus has spoken to me saying: "Take heed that no man deceive you"; "Watch, therefore"; "Be ye also ready." Matthew 24:2, 3. (Brother White prayed.) God is concerned today that we be not deceived, but that we look at the signs. Jesus told them that the things they were asking about would come to pass, there would be a lot of problems, desolation, forgetting the traditional worshipping, pushing aside formalism and rituals and coming to grip with life. There is nothing wrong with them as long as they are not contrary to the Word of God. Satan is trying to make people think that traditional worship is all that there is, that the temple and certain rituals are important. So many people today have given much service to the Church; and because their traditional thinking is not satisfied, they turn their backs on the Church. Jesus spoke to me through the Scriptures, "Take heed that no man deceive you." You understand what God is doing. God is allowing everything that happens trying to shape us and mold us, move us to be what He wants us to be. Jesus realized that it is more dangerous to be deceived than it was to be persecuted. He can give us strength and power when we need it. As I encourage people to get involved in community activities that will project the image of the Church, I realize the danger; but if your heart and conscience is right with God, then you can move into these circles and accomplish the mission of the Church and stand steadfast for God.

I am concerned about people being rooted and grounded in the truth of

God's Word. I find it strange when people tell me that we shouldn't get involved in some things because they are of the world and yet they work on a job with sinner people. Colossians 2:8, 9. If one can be steadfast, he can take that same salvation into any kind of civic meeting and still maintain the right relationship with God and his fellowmen.

When you get involved in the community, you will be involved with all kinds of people. Jesus gave us the example. Then He tells us to be ye also ready. Being ready is more than just going to church, paying tithes, and teaching a Sunday school class. It is being faithful to God in all things and being able to give people things that they can build their lives upon. Then He tells whom God has put in charge of His work. The vision of the Church is more than just saying that you see the Church. It is getting out and taking the meat and putting it out where sinner people can get hold of it. That takes work. There are a lot of things we don't understand; but this program of the Church is in God's hands, and we don't have to worry about it. We can make changes where change is necessary, but make sure we don't get into someone else's part of the program. The Church is in the hands of God, and He is making changes as He deems necessary. I don't have to worry about it; He is doing everything He can to get us to take heed and be ready.

9:20 Live Voice of Salvation Program. Reconciled to God—message and altar call by Robert J. Pruitt, Communications Minister. Excerpts: 2 Corinthians 5:18-21. Paul is telling us that God has given to His disciples the word of reconciliation to all men. Man needs to be reconciled because he is at variance with God. Today, we have problems, sorrow, chaos, worry and concern which all stem from the fact that Adam and Eve in the Garden of Eden listened to Satan. They transgressed and were alienated from God. From that time until the present, as life becomes more complicated, so do man's problems. He takes drugs and all kinds of professional remedies to try to find an answer for the void in his life. His problems have grown so that he can no longer handle them. Man needs to be reconciled to God to enjoy the benefits that an Omnipotent God can offer, One who loves him and wants to bring him back into fellowship. The right relationship with God is of top priority. Through the ministry of the saints, He is doing this. You will never really find your potentials within you until you be completely reconciled with God. Man needs God more than life's necessities. Men strive for creature comforts which are important, but far greater is the need of the soul to be prepared to meet God.

During the great tribulations upon this earth, the devil is going to be his very worst in that seven years. Men will express hate for God and men; contempt for all good, holiness and righteousness. There will not be a redeemed person here. The contrast will be immediately after the Battle of Armageddon, when Christ sets up His kingdom on this earth, a kingdom of peace, where men will love God and those who are not redeemed will no longer be controlled by the enemy because he will be bound. Every person has a right to choose whether he will serve God. Ephesians 2:13-18. In every discussion of reconciliation to God there is peace and enmity. There is no peace outside of God. He gives peace, and the world is crying for peace of mind and heart. Colossians 1:19-22. Three requirements of a mediator are: to make intercession for the offender, to satisfy the offended party, to provide that the offender will offend no more. That is why Jesus came. The entire work of God's people on earth is to tell the story of reconciliation to God for all men. Sanctification is sometimes lumped together in the salvation experience, but it is a very definite work. 1 John 1:9. That includes that nature which we inherited from Adam that causes us to transgress against God. Jesus suffered without the gate that we might be sanctified and that He might sanctify the people with His blood. Can we be completely reconciled to God when we refuse to accept that work of grace? Sanctification is that cleansing blood which cleanses the adamic nature.

### **Report of the Visual Department** August 1, 1978 through July 31, 1979

The Visual Department has sent out 271 16mm. films and 35 mm. slide sets this year. We have made 24 sets of Fields of the Wood slides. Also new copies of the films:

"The General Assembly 1975"—8 copies in Spanish and 4 new copies in English.

"The Awakening of a Nation"—6 copies in Spanish and 2 copies in English.

"The Mountain Speaks"—2 new copies.

I would like to share some of the comments and reports that we have had about our films this year:

"The film, 'Biblical Wonder' was enjoyed by many."

"The film blessed our Church and especially our new people who are attending."

"Everyone enjoyed 'Worship in the Outdoors' very much; especially those who haven't been able to visit Fields of the Wood."

"'Worship in the Outdoors' is a very good film; was appreciated by all.

It is a worship service in itself. Thank you and hope you continue the good service."

"The film 'The Mountain Speaks' was great. It was very informative and educational. Should be seen by every member."

The CPMA State Secretary of Virginia took the film "The Mountain Speaks" to 66 churches with 2,427 people viewing it.

In the Bahamas a film was shown in 17 churches with 2,353 people viewing

it. As a result, one person was added to the Church with many good comments.

We hope the films will continue to be a blessing to our people.

9:55 Nelson Raburn told of happenings in Fields of the Wood: I see the effect it has on our people and those who are not affiliated with the Church and they are blessed by coming to Fields of the Wood. There is no way we could give an accurate record of all who come to Fields of the Wood in one year. We keep a log of buses bringing groups. This year we recorded 192 buses and 59 vans bringing 262 organizations totaling 8,016 people. Thousands came privately that we did not count. There were 149 baptized in water.

It is fascinating to talk to people from all over the world. Every Wednesday, and occasionally on Thursdays, Air Force jets fly over just about tree top level. In June, a gentleman came in a camper saying he was with the United States Air Force and had flown over and felt he had to bring his family. One man told us he was surprised that a church would believe in witchcraft, having a wishing well and throwing money in it. My wife told him it was a baptismal pool and he was repentant and full of questions. Many ask the difference in others who call themselves the Church of God, and I tell them that the difference is what makes us different from everybody else. This year, we added 500 feet of asphalt on the air strip, a new parking lot behind information booth, put a new filtering system on the water supply, the gift shop was renovated, the star was rebuilt and we have a new dome, and new equipment was purchased. A lot of senior citizen groups tour Fields of the Wood.

10:10 Solo by Dee Sholar; Doug Ward, with Mike Flippo, pianist.

10:20 June 13 on Mt. Hittin—Roy D. Mixon: Jerusalem is known in Israel as Israel's eternal capitol, and it has been inhabited for 5,000 years. It is the center of the world, and the greatest events in the world transpired there. Abraham, the father of faith, stopped in Jerusalem around 1,800 years BC; David chose the city to be the capitol of the kingdom; Solomon built the beautiful temple to be the dwelling place of the Lord; there was the crucifixion and resurrection of the Son of God; as recorded in Acts 2, the Church received the Holy Ghost there, and power to accomplish the mission of going into all the world. Jerusalem was chosen to be the world headquarters of the Church which fulfilled the prophecy, "For out of Zion shall go forth the law and the word of the Lord from Jerusalem." Isaiah 2:2. Three prominent mounts in Jerusalem: Mount Zion, the place of the tomb of David; Mount Moriah, where Abraham offered Isaac and where Solomon built the temple; Mount of Olives, where Jesus will return. The most exalted mount for the Church is located near the Sea of Galilee. On June 13, Brother Pennington and I drove in Darrell Creel's car up Damascus road to the Sea of Galilee. Brother Creel rented a van

and carried members of the Church from Jerusalem. The Foundation Memorial Marker is located on Mt. Hittin. The Church flag and national flag of Israel were raised. Mount Hittin is not as high as some of the other mountains; but because of the special event that took place there, it is exalted above the hills. Isaiah 2:2. Mark 3:13, 14. This is the true temple of God. We had two groups on Mt. Hittin June 13 for the memorial service. One was headed by J. A. Reyes and the other by Brother Juarez, and we had a service in commemoration of that wonderful event that transpired there almost two thousand years ago when our Lord and Saviour Jesus Christ called the twelve apostles to Him and set the Church in order.

11:06 The C.P.M.A. Garden—directed by Debbie Craig, MI. She portrayed a farmer's wife telling about her vegetables in the garden. People appropriately represented these vegetables: Beets—going to beat last year's work; squash—will squash a negative attitude; lettuce—let us join the CPMA; peas—talk with letters beginning with P; celery—when this harvest is over, we are going to heaven to get our salary.

11:15 State Secretaries prayed for the message, followed by congregation joining. Message by C. S. Pennington. Excerpts: Ephesians 3:9. There has never been a time when we need to let our light shine so brightly that we make

others see the Church in its beauty. Paul was excited about the Jews being the chosen people of God at that time and how that the Gentiles were nothing in the sight of the Jewish world, but it could be fixed so that the Gentiles could be somebody. Haggai 2:3, 9. We have had a lot of joy about being a member of the Church of God, but I hear people who are trying to find fault with it. We need to lift the Church higher than we ever have. The Church is still the same Church. It has not changed, but it is growing brighter. We are to make all men see. We need to let our works back up what we are talking about. We are the Church, we accept what God gives us; we accept those who are over us in the Lord, because they have been placed in the position, and by our accepting them, we will help to make all men see. If we criticize, the world will never know any better. We want to let our light shine to people out yonder.

A wise man looks ahead. Jeremiah 5:21. A lot of people are disturbed about not being able to see. If we will walk in the light as it shines, we will not be so blinded that we can't keep walking in the light. If you don't see you can hardly make anybody else see. A blind lady was in our church in Sturgis, Kentucky, and she would visit with us and feel my wife's flowers. She told me that my wife had the most beautiful flowers she had ever seen. I told her that she couldn't see them but she said she could feel them. How do you feel the beauty of the Church of God? Maybe we are blind to certain things, but we can reach out by the fingers of faith and feel the goodness of God's Church, and to make all men see—nothing negative. I glory in that I am a member of the Church—the Body of Christ. I am proud I am a part of it. John 9:25. If this man had been blind from his birth, he knew nothing about the beauties of life nor the other things that you and I see. I see beauty in the flowers and other things every way I look. You are the most beautiful people to me. I think of the man who was blind from birth, but he said, "Whereas I was blind, but now I see." We need people who can see good in all of us who will help us. If we can see the Church from the spiritual eye and see it as God wants us to, it will be the most beautiful thing you have ever looked at. Matthew 13:13, 15. How do you see the Church? Is it like any other organization? Job 29:14, 15. Sometimes a pastor sees the dark side of the Church, and he sort of pushes a little darkness over on the members, but Job wanted them to see the good and bring out good things. Job said he was eyes to them. We need to build people up when they are down. We know the story of Elisha and the servant. Elisha was doing his best, but it looked like the King of Assyria would get him. The servant looked around and said that they were surrounded by the enemy. Doesn't that sound like one who is down and out? Elisha said to wait and have prayer. He anointed the servant's eyes that he might see. When the servant looked, he said that they that be for us are far more than they that be against us. If we will get our eyes opened to the facts, we can see light instead of darkness and good things instead of being blinded. Acts 26:16-18. Matthew 5:16. Let your life be so illuminated that living will project the light of salvation, sanctification, the Holy Ghost, and the Church and will make all men see.

9:25 Hear Ye Him—message and Altar Call by Billy Murray, Assistant Editor. Excerpts: Matthew 17:1-15. (Brother Murray prayed.) 2 Peter 1:16-18. This glorification of Jesus could leave no doubt about His divinity. God is light, and in the transfiguration, we behold the manifestation of God in Christ. When Moses descended from Mt. Sinai, after being in the presence of God, his face shone. The shine on Moses face may be likened unto the shining of the moon, which shines with reflected light, but Jesus' face shone as the sun, which is the very source of light. Matthew 17:2, 4, 5. Clearly, He was the Son of God. We sometimes refer to the Church being the light of the world. Jesus Christ is still the light that lighteth every man that cometh into the world. The only sense in which we are the light of the world is the hope of glory.

Jesus was questioned about healing the man at the pool of Bethesda on the Sabbath. John 5:16-23. To honor Jesus is to honor the Father. The Father has committed all judgment unto the Son and His judgments are absolute. He spoke with authority given Him by God. We desire to know more about His words, and we must allow greater freedom to the Holy Ghost. He is here to guide us into all truths. John 16:13-15. We are seeking to attain the knowledge of the Son of God, and it is the Holy Ghost's business to reveal Jesus ever more fully. We cannot assume that those who preceded us had the completeness of the knowledge of the Son of God. The Church must, according to

Ephesians 4:13, "Come to the unity of the faith and of the knowledge of the Son of God." It seems as if we have in our minds two churches—an invisible Church and the one that is really us. God doesn't have two churches.

We are the Church of God. We are the Assembly. The Church is composed of many members and each is accountable to God. All of us are accountable for decisions reached together. The Church is a living organism, whose life flows through each member of the Body. This is the living Body of Christ, and that life of Jesus must go through every member of the Church of God. I believe in the Assembly. While we thank God for the understanding we receive through Jesus, we acknowledge that we are not yet perfect. That doesn't mean we are not the Body of Christ. We have some growing up to do and this is going to come by hearing Jesus as the Holy Ghost illuminates His Word in our hearts. It is imperative that each member open his ears and heart to the revelation of Jesus, which the Holy Ghost is yet to bring.

I want our motives to be pure and glorify the Lord. I want Jesus Christ to be exalted. He brought this to me at Calvary. Lord, help us not to want to glorify nor exalt ourselves. Exalt Jesus Christ, the hope of Glory. Our gratitude should be expressed in willingness to give attentive ears to Him that speaketh from heaven. His doctrine is pure, imparting knowledge that is wonderful. As the Church moves into her maturity, she must possess a readiness to accept from Christ the fulness of truth, which is revealed by the Holy Ghost, the spirit of truth. Revelation will not be imparted to a mystical church, but it will be imparted to flesh and blood members of the Body of Christ. With the Holy Ghost fully in charge of sanctified people, there is little danger of getting ahead of the Church. I am not an independent preacher. I believe in subjection to the government of God and those over me in the Lord. You don't have to worry too much about Holy Ghost-filled people getting ahead of the Church, because the Holy Ghost runs the Church. What we don't understand perhaps is God puts the will and the do there. A. J. Tomlinson received the revelation of the last days Church by the Holy Ghost, and each succeeding member who knows that this is the Church of God, did not receive that knowledge from A. J. Tomlinson. It had to be revealed to him by the Holy Ghost. In this dispensation, God has willed that all of us know for ourselves. It was never intended that A. J. Tomlinson establish a cult wherein his words would be considered as sacred as the Holy Scriptures. Over and over, he said, "We will take this blessed old Book." He was a great man. I read and admire his dedication and his great insights. He never thought he was another Jesus. We are not a cult. This is the Church of God. Brother Tomlinson recognized he was a human, and said some things that later he disagreed with as the light of revelation grew brighter. This is no discredit to him. It takes a big man to admit his mistakes. Don't accuse me of trying to change the doctrine. In actuality, we can't change the doctrine. This is the doctrine, and it is the unchangeable Word of God. It is settled forever in heaven. I am saying, let us keep our hearts open toward heavenward and say, "Speak, Lord, for your servant careth." God's revelation is progressive, the path of the just is a

shining light that shineth more and more unto the perfect day. Brother Tomlinson asked that humble group of Christians the day he became a covenant member of the last days Church, "Will you be willing to take it and keep it the Church of God." It is an awesome responsibility today to keep it the Church of God. To do this, there must be total acceptance of an adherence to the voice of God. This means there must be a rejection of conflicting voices. Together we must lift up the voice of the Son of God Who speaketh from heaven.

The Church of God is a whole bunch of us, and if you will just open up, He will sup with us. Listen to the voice of Him who is leading the Church and you won't get ahead of it. He worketh in you both to will and to do. There must be a hungering and thirsting for the knowledge of the Son of God which will permeate the entire Body of Christ gripping the heart of each member. God may choose to speak to some fisherman, or one who is plowing the field, or someone on his knees in a pastor's study. God can speak to whomever He will, and in these last days, He is speaking to us through His Son as the Holy Ghost brings the revelation of His Word to our hearts. This is not play business. God planned this from the beginning of the world. He is wanting the Church to become fully awake. (Music during altar service by George Jones and Singers.)

8:28 The Sound of Abundance of Rain—message by Felix Garcia. Excerpts: (Concert prayer) 1 Kings 18:41; Isaiah 44:2-5. Water is an element of nature produced by God that purifies, that gives new vitality. The rain of the Word of God will produce a great revival that will stir the world. When Elijah said unto Ahab that there was a sound of abundance of rain, there was not a cloud in the sky and it had not rained for a long time. No one could produce the rain but Elijah. There are conditions for rain. God was doing it all, but He was using Elijah who was a type and shadow of things to come in our day. Elijah was a physical type of Christ: he offered sacrifices unto God on behalf of the people, he pleaded with God in their behalf; in a sense he was the intercessor of the day. The King sent men looking for Elijah, because he could call the rain down. He had prayed for the rain to stop and they knew he could pray that the rain would come. Elijah realized his responsibility, and he carried out his duties.

We are the Church of the living God—the Body of Christ. Christ is Head of the Church, and He is in complete control. His spirit is in the Church giving power, authority, providing essential miracle-producing elements to cause the rain of His Word and of His spirit. God will do great work in these last days. The world is praying for this rain. Their water sources are running dry. The people are described in Psalm 42:1-3. They are looking for the right Church, the right doctrine and somebody to preach the truth. That is the kind of waters we need to fall upon the face of this wicked world. Yes, people have some water, but water sources will dry up without rain. If the rain from the true doctrine is held back any longer, they are going to dry up. That is the condition we are looking at in the world. Surely this will stir the Church!

Church of God, we have the living waters. We are the only ones who have

the pure doctrine and that can administer this life-giving element. Who will produce the rain and bring forth the Gospel? We the Church of God are commissioned to go into all the world. Who will preach to them this last days message, the wonderful plan of God to bring all His children into one fold, under one government, preaching, teaching and living one doctrine? The world is ready for the complete message. Isaiah 11:9. We must fill the world with the message of the last days; we must preach and publish this message in every language possible. The end of the world is dependent upon the Church just as was the rain dependent on Elijah. The completeness of this program and finishing it is dependent upon the Church. Today we are able to hear the sound of rain. Probably at this point, all we see is a tiny cloud on the horizon. The Church has heard the sound of rain for a long time, because the Church has been praying for this last days rain for seven decades. I believe that more than just hearing the sound of rain, we are being able to see the rain appearing to that glorious day of the total ingathering of all the saints of God into one Church.

God is going to provide all the financial needs of the Church to make His Word come true for His glorious Bride. The Church will arise to the challenge and to the task. All we must do is remain a spiritual Church, lifting high the Head of the Church which is Jesus Christ, praising and giving Him all honor and glory. We must preach the message that has been revealed unto us because it is the living waters. We will need greater participation from every member of the Body of Christ. Our Church dollars are producing more souls in the far away places that are so dry and thirsty and hungry for the living waters. (Many came forward giving offerings for the World Language work.)

9:10 All former pastors of Brother Tomlinson sat on platform as his present pastor, J. E. Brisson, delivered a message on Defending Our Hope. Excerpts: 1 Peter 3:15 (Brother Brisson prayed). If we defend our hope in Christ, we are going to have to defend it from the Bible. Many books are being used by men to back up their beliefs. It would be easy for a shallow-minded person to take these books and try to defend their hope. The only way to defend our expectation about the future is to do it with the Word of God. Acts 17:2, 3. When

the Apostle Paul went into a city to preach, he sought out a synagogue, and he would take a scroll of the Scriptures and sit with them and unroll the scroll, placing side by side every Scripture in the Word pertaining to the subject at hand. He took every text that he could find concerning the coming and the suffering and the crucifixion and the resurrection of our Lord. Acts 17:11, 12. When Paul was in Thessalonica and Berea many believed because he could verify his hope directly from the Word of God. Only Paul was able to convince many people that Jesus Christ was the Son of God.

1 Corinthians 15:19. Christians are a happy people, and we can lift our hands and rejoice. We are a pitiful people if all the hope we have in Christ is right here in this present world. If all the hope we have in Christ is restricted to this life, look what we have missed in the world. Most of us are tithe-paying Christians and give offerings. If you had all the tithes you have ever paid, you could probably pay cash for a fine home. If you could get all the offerings that you have ever given to all departments of the Church, you could probably furnish the home with the nicest of furniture. The Christian is to be an offense to people. We have drifted into such a complacent life that we no longer are an offense to anyone—just normal average people. I have had people to tell me they feel sorry for me because I don't do the things of the world. About the most dismal thought that could enter into a Church of God person is that our hope is restricted to this life. Our pleasure is in Christ. We are going to be saved by the hope we have in Jesus Christ coming for His own.

Let me speak with you about my hope for the Church. I believe that God's chosen people will become more restricted and smaller as time goes on. There is a progressive reduction in the plan of God for His people on the earth. When God created this earth, He placed man on it, and all souls were under His direction. After the flood, He didn't have as His chosen all of mankind. He had one nation: Israel, which was to be an example to every man on the earth. Israel was to be an example and they could not dress nor eat, worship, nor conduct themselves like the other people, because they were God's example for the whole world to look at. As time went on, after grace, God narrowed down to one body—the Body of Christ. No longer does God choose as His representatives the whole world, but He uses the Body of Christ. I believe the Church to be a model to every Christian of the goodness, greatness, godliness and the holiness of God. That is why the Church is different, and we cannot compromise and become like other churches. The Body of Christ that God uses for His model to the rest of the world is exclusive. There are no replicas. God has designed it. I feel everywhere we go the Church of God should be of unequal excellence. It is expected for godliness to be in the Church of God. A few years ago, I was on an airplane, and a businessman sat beside me. He introduced himself and said that he was vice president of three textile firms. I told him I was a minister in The Church of God of Prophecy. He was a Presbyterian, but he said he believed all of our teachings except our people not wearing jewelry. I asked for wisdom from God, and I said to the man that this plane is going to land in Louisville, Kentucky, and just suppose that a

woman met the plane and stretched forth her hand with jewelry on her fingers, earrings on and wearing makeup and said, "Welcome to Louisville, I am Mary the mother of Jesus." He looked at me and said, "No, Mary would never do a thing like that; Mary was a godly woman!" I told him that is exactly why the Church teaches it. Revelation 19:7. The marriage of the Lamb is come; Christ is going to come some day, and the Church is going to be ready, we are going to bring our hope in Christ and our hope for the Church together. We will all be with the Lord in heaven, and I will see you there.

9:56 Song arranged by Verlin Thornton—"Praise The Lord." Congregation joined in singing "Allelujah."

of the Church of God**

**THE CHURCH OF GOD FLAG PLEDGE**

I pledge allegiance to our Church flag, and to the doctrine for which it stands—one God, one Faith, one Mind, and one Church for all. Amen!

**THE BIBLE PLEDGE**

I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp unto my feet and a light unto my path. I will hide its words in my heart that I may not sin against God.

**INTRODUCTION**

"And the three companies blew the trumpets, and brake the pitchers, and held the lamps in their left hands, and the trumpets in their right hands to blow withal: and they cried, The sword of the Lord, and of Gideon." Judges 7:20.

For seven years God's people had been suffering at the hands of the Midianites. God had allowed this because Israel had not been obedient unto His voice. But now as they cried unto the Lord, He purposed to give them deliverance from their enemy. He sent His angel to a man named Gideon, the son of Joash. When told of his selection by God to save Israel from the hand of the Midianites, Gideon's response was, "Oh my Lord, wherewith shall I save Israel? behold, my family is poor in Manasseh, and I am the least in my father's house." Judges 6:15. But God assured him by saying, "Surely I will be with thee, and thou shalt smite the Midianites as one man." v. 16.

After further assurances of God's presence and direction, Gideon proceeded to destroy the altar of Baal which had been erected among God's people. Then he gathered together an army to go against the Midianites in battle. But God, who sees not as man sees, said to Gideon, "The people that are with thee are too many for me to give the Midianites into their hands, lest Israel vaunt themselves against me, saying, Mine own hand hath saved

me. Now therefore go to, proclaim in the ears of the people, saying, Whosoever is fearful and afraid, let him return and depart early from mount Gilead. And there returned of the people twenty and two thousand; and there remained ten thousand." Judges 7:2, 3.

When we realize there were numbered 135,000 Midianites it seems Israel would have been at a tremendous disadvantage even if they had retained their original army of 32,000. But even the ten thousand who remained to engage an enemy army of 135,000 was termed too many by the Lord. When God also judged that 9,700 of these ten thousand should not be a part of Gideon's army, there remained only three hundred men to do battle with an enemy numbering 135,000.

It is interesting to note God's method of employing these three hundred men in battle. Dividing them into three companies, Gideon gave each man a trumpet and an empty pitcher, and a lamp within the pitcher. In the darkness of night these three hundred men moved into position to surround the encampment of the Midianites.

At their leader's signal the three companies blew the trumpets and broke the pitchers. They held the lamps in their left hands, and the trumpets in their right hands. As the trumpets sounded from every side, a startled enemy looked up to see lights everywhere and to hear a cry, "The sword of the Lord, and of Gideon."

The scripture says, "And all the host ran, and cried, and fled. And the three hundred blew the trumpets, and the Lord set every man's sword against his fellow." vv. 21, 22. We are told that there fell an hundred and twenty thousand, and the remaining fifteen thousand fled in fear.

Now the lamps which Gideon's three hundred men carried were within the earthen pitchers which concealed their light for awhile. But at the signal of their commander these pitchers were broken; then there was nothing to hide the shining of their lamps. This is a reminder to us that we have this treasure in earthen vessels. And it is important that these earthen vessels be broken completely. Then there will be nothing to prevent our lights from shining brightly in the midst of this world's darkness.

It seems that some may be more interested in blowing their trumpets than in breaking their pitchers. But if Gideon's men had not freed their lamps from their pitchers' concealment, it is doubtful we would be reading about such a victory as they had.

God's message through Joel was, "Rend your hearts, and not your garments; and turn unto the Lord your God." Joel 2:13. David declared, "The Lord is nigh unto them that are of a broken heart; and saveth such as be of a contrite spirit." Psa. 34:18.

A prideful, self-sufficient spirit will never be acceptable by God. For Him to bless us, and show Himself strong in our behalf, we must first humble ourselves in His presence.

When the angel first approached Gideon as he threshed wheat by the winepress, saying, "The Lord is with thee, thou mighty man of valour," Gideon's

response was, "Oh, my Lord, if the Lord be with us, why then is all this befallen us?" Judges 6:13. He had heard about God's miraculous dealing with His people in the past, but he had never seen such things with his own eyes. He was on the verge, however, of experiencing just such a miraculous manifestation. A band of three hundred men would rout an army of 135,000.

Perhaps some among us have been saying as did Gideon, "Where be all the miracles which our fathers told us of?" Many of our younger members who have been thrilled by the accounts told them of miraculous manifestations of God's power in the past have never witnessed for themselves such miracles. But I believe we stand today on the threshold of the greatest display of God's power and the greatest victories the Church has ever known.

This will not happen by simply "sounding our trumpets"; however, the light of God's living Word must radiate from our lives with such a radiance as to be highly visible in a darkened world. Are we ready to subdue these earthen vessels and allow His light to shine? I believe we are ready. I believe we are tired of living beneath our privilege.

#### **RIGHT SPIRIT—RIGHT ATTITUDE**

"And it came to pass, when the time was come that he should be received up, he stedfastly set his face to go to Jerusalem,

"And sent messengers before his face: and they went, and entered into a village of the Samaritans, to make ready for him.

"And they did not receive him, because his face was as though he would go to Jerusalem.

"And when his disciples James and John saw this, they said, Lord wilt thou that we command fire to come down from heaven, and consume them, even as Elias did?

"But he turned, and rebuked them, and said, Ye know not what manner of spirit ye are of.

"For the Son of man is not come to destroy men's lives, but to save them." Luke 9:51-56.

Being denied access to the temple worship at Jerusalem, the Samaritans had constructed their temple on Mount Gerizim where they worshipped God. So far as the Jews were concerned this worship on Mount Gerizim was an inferior worship, even as they regarded the Samaritans as being an inferior people. Of course this led to animosity between the Jews and the Samaritans.

Enroute to Jerusalem and His shameful death on a cross, Jesus purposed to go through Samaria. Sending messengers ahead to make ready for His arrival, He learned that He would not be welcome in this Samaritan village. This rebuff of their Master provoked the wrath of James and John who were ready to command fire to come down from heaven and consume these villagers. They loved their Lord and felt any mistreatment He received deserved retaliation.

But Jesus rebuked them for their desire for vengeance upon these Samaritans, saying, "Ye know not what manner of spirit ye are of." Their zeal for

the Lord was commendable, but their spirit was wrong. Zealousness for a cause, even when the cause is just, can be destructive to that cause unless guided by a right spirit.

In the purpose to which the Church is committed it is important that we possess the right spirit at all times. After all, we represent Jesus Christ, and this can be done properly only as we manifest the spirit He demonstrated while here on earth. No other spirit can be justified no matter how fervent or dedicated we may be in the pursuit of our work.

We feel we are involved in the greatest work on earth. It is indeed an honor to have been chosen by God—to be saved, sanctified, baptized with the Holy Ghost and set in the Church as it has pleased Him. We rejoice in these blessings, and it is only natural that we want everyone else to share with us the wonderful things God has made known unto us.

We must remember that there are thousands of people who have been born again by His Spirit, people who love the Lord supremely, who know very little about sanctification or the baptism with the Holy Ghost. Then there are thousands of others who are sanctified and who have received the Holy Ghost who have not been enlightened concerning all believers being brought together in one body. Being thrilled with the things of Himself which God has revealed unto us, we may sometimes be guilty of displaying a holier than thou attitude toward others of God's children. Such a spirit would certainly not meet with the approval of Jesus who has such great love for us all.

It is possible that some, in their zeal to make known the blessings they have received, have actually repelled people whom they were trying to help by manifesting a spirit of superiority. We have a wonderful message to share with all Christians concerning the Church which Jesus purchased with His own blood, the Fold into which He desires to gather all His sheep, but this message must be presented in the right spirit.

There are no second-rate blood-bought Christians. The blood of Christ works a perfect work in every heart. For us to manifest a spirit of superiority will breed resentment and hurt, and will lead to greater disunity instead of accomplishing the unity of God's children for which we are longing and to which we are dedicated.

Then, within the Church, in our relationship with one another, there is also the necessity of maintaining a right spirit. Whenever such a large number as now comprises the Church, coming from such a variety of backgrounds and cultures, is brought together in such close fellowship there must be tolerance and respect for one another's individuality. Paul gave some wonderful instruction to the church at Ephesus when he wrote, "Submitting yourselves one to another in the fear of God." Ephesians 5:21. The principle of mutual submission involves an absence of pride in which an individual would think more highly of himself than he ought. It speaks of that spirit of which Paul wrote when he said, "In lowliness of mind let each esteem other better than themselves." Philippians 2:3. Peter addressed the same subject when he wrote, "yea, all of you be subject one to another, and be clothed with hu-

mility: for God resisteth the proud, and giveth grace to the humble." 1 Peter 5:5.

The grace of humility can do wonders with one's attitude. It can change a "know-it-all" spirit into one of eager learning from others. A proud spirit can never at the same time be a right spirit, because it seeks the preeminence of oneself. This breeds resentment and is disruptive of unity and harmony within the Body of Christ.

When God's grace becomes deficient in our lives our attitudes reflect this deficiency. Lacking the spirit of humility, it is difficult to esteem others better than ourselves, or to follow Paul's admonition to the church at Corinth when he wrote, "Let no man seek his own, but every man another's wealth." 1 Corinthians 10:24. Self-centeredness affords Satan a fertile field to exploit.

On the other hand, those who are enjoying the richness of God's abounding grace have attitudes that are marked by selfless living. They have found the joy of possessing unfeigned love for the brethren. Instead of being critical they look for the good and are quick to give praise to others.

I feel that the key for possessing a right spirit, a right attitude, may be found in the essence which Paul termed charity. He wrote, "Charity suffereth long, and is kind; charity envieth not; charity vaunteth not itself, is not puffed up, Doth not behave itself unseemly, seeketh not her own, is not easily provoked, thinketh no evil." 1 Corinthians 13:4, 5. In his letter to the Colossians he called charity the bond of perfectness.

Good works are to be admired and they will follow the life of a Christian, but we must give attention to the spirit in which we work. "And though I bestow all my goods to feed the poor, and though I give my body to be burned, and have not charity, it profiteth me nothing." 1 Corinthians 13:3. Yes, dedication and zeal are commendable, but unless we possess the right spirit we will find ourselves working in opposition to the message we are responsible to carry to all the world.

### GETTING READY TO LEAVE THIS WORLD

At 1:20 a.m. on Monday, August 13, your General Overseer was awakened by an earthquake which jarred Cleveland and the surrounding areas. Although it measured only 3.7 on the Richter scale, its intensity was enough to awaken and alarm many citizens. We were aware that it could have been much worse, even to the point of this tabernacle, where we are assembled today, having been destroyed.

For those of us who were becoming involved in preparations for this 74th General Assembly it served as a reminder that time is running out. "Earthquakes in divers places" was one of the things mentioned by Jesus with reference to the time of the end. It hardly seems necessary to call to our attention that the signs of these times point to the nearness of our Lord's return; yet, I feel it is needful to stir up our pure minds about the work which remains to be done.

We frequently refer to the scriptural reminder, "But as the days of Noe were, so shall also the coming of the Son of man be." Matthew 24:37. Our minds then are often drawn to the eating and drinking, the marrying and

giving in marriage, but more important to the Church is that we consider the work in which Noah was engaged in preparation for the Flood. He had a work to do, a task assigned him by God, and that job had to be completed. The completion of the ark was as sure a sign as could be given that the time for the Flood was at hand.

When we hear all the preaching from different quarters about the signs of Christ's appearing—the wars and rumors of wars, the famines, the earthquakes, the eating and drinking, marrying and giving in marriage—we in the Church are reminded of God's great building program which must be completed. Even as Noah could not be distracted from the task God assigned him by the conditions existing all around him, conditions which were calling loudly and clearly for the wrath of God to descend upon this earth, the Church of God must concentrate upon the commission as received from Jesus Christ.

God has a wonderful plan of redeeming from this sinful earth a people for His glory. It will be a people who have been purged from sins, purified and made holy. They will be united under the headship of Jesus Christ, bringing exaltation and glory to His name.

This has been in the mind of God from the foundation of the world. The first man, Adam, in the Garden of Eden was a type of another Adam who would appear many centuries later as the Son of God. And Eve, that bride who was prepared by God Himself for Adam was representative of the Bride who, in the time of the end, would be presented to the second Adam, Jesus. Now we would not dare think that God would have presented Eve to Adam until she was complete and ready for presentation. We may likewise be sure that the Church will be complete, without spot or wrinkle, or any such thing before she is presented as the Lamb's wife.

Our former General Overseer emphasized many times that being ready for the Lord's return means having the work all done. We speak often about the Church reaching perfection. This refers to her attaining her completeness. At such time she will be complete in all the will of God concerning her. James wrote, "That ye may be perfect and entire, wanting nothing." James 1:4.

When the Church completes its work it will then also be complete in its composition. The children of God will no longer be divided into factions whose loyalties are given to denominational leaders. They will rather have renounced all such divisions and will be looking solely to Jesus, the one Head of the Body of Christ. United under His government they will come in the unity of the faith and of the knowledge of the Son of God. Just think how wonderful that will be when all of us truly become one in Him.

All of this is involved in "getting ready to leave this world." Of course, as individuals we may leave at any moment. Life is uncertain, and some of us who are here today may be gone tomorrow. But when we talk about the Church getting ready to leave, there is much work yet to be done. As individuals we need to make certain we are ready when our time comes to go. Paul was able to testify, "For I am now ready to be offered, and the time of my departure is at hand." 2 Timothy 4:6. He was ready to go because he had

finished his course. He had finished the work that had been allotted to him. It cannot properly be said that the Church is ready to leave this world until she has finished the work that has been assigned to her.

But we must not feel Jesus will delay His coming to accomodate our slothfulness. We believe the time has been set—even the day and the hour. It is for us to hasten to His coming. And that is the purpose for this section of this Address. I want to call our attention to the task we now face to be ready for Jesus' return.

The world is our field of labor and it is a big field. More laborers are needed—dedicated leaders who are willing to make sacrifices for the One who sacrificed so much for us. I feel we have some who are sacrificing right now, who are doing all within their power toward getting ready for the Rapture. But I am afraid we still have too many who are at ease, who do not feel the burden for extending themselves toward getting this work done. It is sad to see Church of God members who are so comfortable that they are not really concerned about seeing Jesus coming in the air.

How dangerous it is at this point, with the time of His coming so near, to be in such a sad state. Somehow they must be awakened! Somehow they must be stirred! Otherwise they are going to fall by the wayside and be lost forever. As Paul wrote, "And that, knowing the time, that now it is high time to awake out of sleep." Romans 13:11. They must be awakened and pressed into the harvest. They must be made to realize afresh that Jesus is coming, and that **WE ARE GETTING READY TO LEAVE THIS WORLD!**

### ON THE ADVICE TO MEMBERS

For many years our Assembly Minutes have contained a section entitled Advice to Members. These instructions were prepared for the purpose of providing counsel to the members of the Church to aid them in fighting the good fight of faith.

From time to time we hear of those who assume a legalistic attitude with regards to the Advice to Members, as though they would make commandments of the things mentioned in this advice. The display of such attitudes usually does more harm than good. A gentle spirit of teaching will be much more effective than attempts to enforce as laws those things which have been set forth as advice.

The failure to use wisdom in the counsel set forth in our Assembly Minutes under this heading has resulted in some of our people, especially our younger members, not having proper respect for the Advice to Members. In fact some even seem to regard this phrase with a bit of contempt.

Perhaps we should take a closer look at this section of our Assembly Minutes, and at the spirit in which it is given. I feel we have some very sound and valuable advice here.

No one can argue with the advice that "as a member you count one and should attend every regular service as far as possible." It is important to our Christian growth that we assemble regularly with the other saints for fellowship and spiritual food.

"Show love and fellowship to everyone without partiality. Don't wait for others to greet you, but you greet them. Show special courtesy to strangers who may attend one of your services." This is a practice which all of us should observe, and I consider it to be very good advice.

"As a rule take part in the singing. Be ready for vocal prayer when called on or when prompted by the Spirit. Be ready for testimony when such is in order." I take this to mean that we should be participants in the services. Failure to become involved in worship will certainly be detrimental to our spiritual growth.

"Stand by your pastor or appointed leader and assist him in every way you can. Always pray silently for the preacher while he delivers the message." Isn't that good advice? Of course, these things were not intended as commandments to cause someone to feel he has sinned if he does not always pray silently for the preacher. But it is for his own good to do so. Nor would it be wise to teach that all the Advice to Members carries the same weight as the teachings of the Church carry. To teach such would be to say that it is just as wrong not to pray for the preacher as it is to use tobacco or strong drink. It is not good to be too dogmatic with what the Assembly intended only as advice.

"Always live a consecrated life at home and abroad so no one can justly think or speak of you as a hypocrite. Guard your conversation. Be careful what you say about a brother, sister, or anyone else. Don't be a critic and try to find something in others to criticize." Perhaps some who have been so vocal in professing their belief in the Advice to Members, while at the same time are being critical of their brothers and sisters who in their opinion are not quite "measuring up," should take another look at this bit of advice.

"Examine yourselves occasionally and see if you are in the faith. Don't yield to discouragement or despondency. Be cheerful and happy and try to make others the same." Should we not be more diligent in following this kind of advice?

"Spend as much time as you can in secret prayer. Give yourself all you can to intercessory prayer." Wonderful advice!

Heeding the advice to use moderation concerning dress and not to wear gold for ornament or decoration will heighten the effectiveness of your testimony. Every Christian's greatest delight should be to represent Jesus in such a way as to bring honor and praise to Him. Never should our dress or appearance be such as to destroy or lessen our influence for drawing others to Him. The wearing of make-up which makes it difficult to distinguish a saint of God from a worldly-minded person is not becoming to one whose greatest desire is to be an effective witness for Jesus Christ.

The warning against permitting yourself to be trapped by worldly attractions is sound advice. Paul warned that the day would come when men would be lovers of pleasure more than lovers of God. We should not allow ourselves to get caught up in the spirit of this age which seems to be set upon living to please oneself. These times demand a total commitment to redeeming the

time in preparation for Jesus' return. If we who are leaders can be more positive in involving every member in productive activity toward preparations for the Rapture, there would be less need for the advice against worldly amusements.

Tithing and giving is something every Christian should do faithfully. It is one way of saying "Thank You" to the Lord for all He gives us.

"Younger members should not associate too intimately with worldly outsiders. The greatest care should be taken with much prayer and consideration concerning matrimony." This advice is scripturally sound. Paul wrote, "For what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness?" Many have recognized too late the wisdom of this advice.

"A member who may have a living companion should not marry another under any circumstances even if divorced. Neither should a member marry anyone who has a living companion although such a person may be divorced." Though this is included in the Advice to Members it is also one of our prominent teachings. So is the advice on tithing and giving, and against members wearing gold for ornament or decoration.

Those who have children should teach them at an early age to reverence the house of God, primarily by example. Surely, no one can argue against this advice.

"Promote and read the White Wing Messenger." Not only will its timely messages feed your soul, but staying abreast of Church happenings throughout the world tends to bind us together, increasing our fellowship.

"Never form too close an intimacy with the opposite sex even if they are brothers and sisters in the Lord. Give no place to the adversary. Abstain from the very appearance of evil." Heeding this bit of advice can save you from many heartaches which those who did not give it proper regard are now experiencing.

The last paragraph in this section of our Assembly Minutes reads, "These kindly instructions and advice are given by those who are watching for your soul as they must give an account—Hebrews 13:17—and it is hoped they will be received with the same meek, gentle spirit in which they are given."

So long as we manifest a meek, gentle spirit in teaching our people, we are not likely to breed resentment to our teaching. The Advice to Members is not to be used as some kind of club to keep our people "in line." It is just what its title implies—advice. There may be those who attempt to minimize its importance by saying, "It's just advice." Such an attitude shows little appreciation for the concern shown by those over us in the Lord. Although it is written as advice to members, we need to respect it as being good advice.

### **SHEPHERDING OUR FLOCKS**

A compassion which causes us to be continually reaching out to lost souls is a must for the Church of God. To become calloused or hardened to the terrible plight of souls doomed for hell would be disastrous, not only to us

spiritually, but to the millions who are headed swiftly toward destruction.

It is always a cause for rejoicing to see the unsaved coming to repentance, experiencing a new birth into the family of God. And our rejoicing is accompanied by rejoicing in heaven as these experiences occur.

During the appearances of Jesus to His infant Church following His resurrection, He gave some timely instructions. One of these was recorded by Mark who quoted Jesus as saying, "Go ye into all the world and preach the gospel to every creature." Mark 16:15. It was John who made reference to Christ's third appearance to His disciples after He was risen from the dead. On this occasion His memorable words are recorded: "Feed my lambs," and "Feed my sheep."

Even as it is important that we go with the gospel to every creature, it is also important to give proper attention to the care of those new creatures in Christ Jesus to whom He referred as "My lambs" and "My sheep."

In reviewing our records for the past ten years I find that we received into the Church by covenant 234,304 members. At the same time our net membership gain for this period was 114,771. This reflects a loss during this ten year span of 119,533 members. Of course we know that some of these were lost by death, but the majority of them were lost by disfellowshipping.

As we review such statistics we naturally wonder what contributes to such a loss of souls. Are we giving proper attention to our work of shepherding as emphasized by Jesus when He said, "Feed my lambs," and "Feed my sheep"? Now we do not desire to place any blame where it is not due, but I feel this is a serious matter which deserves our attention.

Even our methods employed in evangelization could contribute to this problem. Our preaching should emphasize sound Biblical experiences for the hearts of men. In this day of so called "cheap grace," we could fall into the trap of substituting human persuasion for Holy Ghost conviction. Until people are convicted of their sins by the Holy Ghost, there cannot be genuine repentance. When genuine repentance is replaced by a reaction to human persuasion, which has superficially stirred one's emotions, there cannot be a real born again experience. While record keeping is important, we do not want to become too caught up in counting numbers.

Sanctification which crucifies the "old man" of sin needs strong emphasis. And the baptism with the Holy Ghost and fire involves more than simply being able to "speak with tongues."

Even if our methods of evangelization were all perfect, there would remain the very important task of shepherding the sheep and lambs. In this work our pastors bear a heavy responsibility. And I feel we owe them a debt of gratitude for all they have contributed to the spiritual well being all of us are now enjoying.

As far back as 1916 it was recognized in the Assembly that this responsibility of shepherding, borne by our pastors, was too heavy to be carried alone. Thus the idea of having "watchers over tens" was introduced. Then in 1928 the term was changed from "watchers over tens" to "Assembly Band Movement."

Since that time many band leaders have taken their work seriously and have been invaluable to their pastors as undershepherds.

At the same time, however, I believe most of us recognize that this auxiliary, the Assembly Band Movement, is not yet doing all it was designed to do for the Church. The band leader fills an important office in the Church of God.

This year we observed a special day in our churches which was designated as "Band Leaders Appreciation Day." On this day certificates of achievement were awarded to those band leaders who met certain requirements. This was done in an attempt to stress the importance of this office to the local church.

While band leaders do not serve in an authoritative role, they are to have the same spiritual qualifications as the "rulers of thousands, hundreds, and fifties." Their selection should be based on the scriptural qualification, "... able men, such as fear God, men of truth, hating covetousness." Exodus 18:21. Only deeply spiritual people can fill this office effectively. As undershepherds to the pastor, within their smaller flocks they bear the responsibility of shepherding—of feeding the lambs and feeding the sheep. When this office is filled properly in all our local churches we will no doubt put a stop to such a waste of souls as we have been experiencing.

The work of a band leader involves more than conducting a monthly band meeting. These meetings are important and with proper thought and planning can be inspirational. But even as a pastor is pastor seven days a week, even so a band leader's responsibility for shepherding his flock bears constantly upon him.

The Chief Shepherd's lambs and sheep are precious to our Lord. The responsibility for feeding and keeping them which He has laid upon pastors and band leaders is an awesome one. It will require nothing less than their best effort.

I believe we need a renewed vision of the work of this important auxiliary. It was placed in the Church by our God whose wisdom is infinite. He knew what would be required for keeping the sheep. I feel all of us, especially our pastors, need to take a critical look at the function of the Assembly Band Movement. The formation and development of strong bands by leaders who take their work seriously is essential to the health and growth of our local churches. We must put a stop to backsliding. Satan has been enjoying too much success in invading our ranks and destroying precious members. God's government is so designed as to prevent such destruction, and we must get it into perfect operation.

### **FAMILY REUNION CRUSADE AND LOCAL CHURCH OUTREACH**

During the past year the Evangelism and Assembly Band Movement Departments launched an evangelistic endeavor, known as the "Family Reunion Crusade," which was to be conducted between Easter and Pentecost. Several local churches were able to work this into their schedules.

The crusade was a united effort to reach former members and friends of the Church. Local churches were asked to mail to General Headquarters and State/National Headquarters the names and addresses of former members. A letter from the General Overseer's office was sent to each former member whose name and address was submitted. The State/National Overseer was also requested to send each one a letter.

These letters were to inform these former members of the Church's interest in them and of its desire to see them return to its fellowship; also to encourage them to attend the crusade near them. The pastor also was to mail a letter and follow up with visits and phone calls.

In conjunction with this crusade, the theme, "Save Our Families This Year" (SOFTY), was emphasized—not only those who were at one time a part of the household of God, but also our immediate family members who are away from God.

I am sure we are all aware of the attack Satan is making on the entire family structure. He knows that if this unit can be weakened, he has accomplished a great victory in weakening and hindering the Church. Our concern requires that we arise and launch a counter-attack.

The ministry of reconciliation must be extended toward those who never have been saved, while at the same time reassurance is being given to those who were once a part of us that we still love them and will welcome them home.

"And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation; To wit, that God was in Christ, reconciling the world unto himself, not imputing their trespasses unto them; and hath committed unto us the word of reconciliation." 2 Corinthians 5:18, 19.

Since God has given to us the ministry of reconciliation, we must allow the spirit of reconciliation to engulf the entire Church. With this spirit we can build a bridge from our side of the gulf which will reach to those now separated from our fellowship. Building this bridge is a task for each member to become involved in. This task must be one of service and of genuine love—a love that is willing to go the "extra mile" as we extend ourselves in their behalf. Those who were one time among us must never be allowed to feel there is no way to return. And members of our families who are lost, along with others who are unsaved, must be made to feel the burden we carry for their salvation. How tragic it will be if we fail in this matter.

During this year's Family Reunion Crusade there were 5,151 letters mailed to former members from the General Overseer's office, along with 10,170 SOFTY stickers. From the reports we have received there were 2,921 former members or friends attending the Crusade services, along with 3,676 new people. There were 674 saved, 472 sanctified, 363 baptized with the Holy Ghost, 253 baptized in water and 107 added to the Church.

Those to whom letters were sent must now surely feel some of our concern. We want them to know that no matter what may have happened in the past, we desire to see them become one with us again. We don't want to ever lose

the longing to see our families saved and our former members back in the fold. The song, *Plenty of Room in the Family*," must not be words only, but it must be the heartbeat of the Church. We pray that God will fill us with His love—that love makes us seek after those who are lost, the love that allows us no rest till we have succeeded in this effort.

It seems fitting while this spirit is working that we encourage each church to plan another similar crusade this coming year. This double effort could be the extra mile we may go to extend reconciliation to all.

The Evangelism and Assembly Band Movement Departments could again be called upon to finalize a program for all the churches around the world. Information to this effect could be mailed to the local churches.

It is possible to contact every former member who is still alive, while at the same time striving earnestly to see each member of our families brought to God.

While we thank God for this gigantic effort and for the results reported, just think of what the results would be if we were involved in an organized local church outreach each week.

Endeavors such as the Family Reunion Crusade should continue, along with more area and district crusades, as well as local church revivals. However, we cannot depend on these alone for our growth. These activities are meant to compliment the continual efforts of the local church to reach its community.

I believe the time is ripe for an all-out thrust by our local churches to minister to their communities. The Church of God has the message of the hour, and we can no longer be content to keep it to ourselves. The second coming of Christ is so near at hand that we can almost feel the sensation in the air. The Church must busy herself in reaching the lost and the other sheep.

Of course the ministry must take the lead. Paul told the elders of the Ephesian Church that he had kept back nothing that was profitable for them, but had taught them publicly and from house to house. Acts 20:20.

I have noticed that churches that are GOING churches are GROWING churches. It has been brought to my attention that two of our largest churches which have made tremendous strides in the last few years have organized visitation programs. These visitation programs are as important to these local churches as any other function in which they engage. One of these churches has 334 members with only two backsliders and all of these except three have become members in the last ten years. The secret has been that the pastor takes the lead and the membership follows him to minister outside the church building. There is no doubt that when we follow the Lord's command and GO that He will be with us and help us to affect these people whom we visit. We cannot expect them to come to our churches until we go to where they are. It may be on the job, on the street, or in the home, but we must go and tell them about the good news of Christ. Then we can expect them to come.

It is my understanding that the Evangelism Department is preparing a

booklet concerning local churches outreach which is meant to help the pastor to organize a program in his local church. I hope each of our pastors will get a copy of this booklet when it is printed and get involved in such a program, and that you will turn your world upside down for Christ and His Church. The time is now and pastors, I am calling on you to lead your membership in an effective ministry outside the church building.

### **HELP FOR BEGINNING MINISTERS**

To be called into the ministry of God's Word is a sobering experience. To the one so called it is a solemn reminder that he is not his own, and to answer that call requires that he reaffirm his submission to the will of God.

We cannot help but admire the person who, when going through this highly emotional experience, expresses his willingness to forego all his own ambitions and plans for his life's work, thus surrendering to the Divine will. In so doing he has gained a victory over his human nature with its desire for a certain degree of independence.

I feel these people who have answered the call of God deserve the full support of the Church to assist them in the preparation and fulfillment of their ministries. Without proper guidance this can be a very frustrating time for them.

The 68th Assembly in 1973 endorsed a plan of assigning young ministers to serve as ministers-in-training with experienced pastors. This plan has been implemented to a small degree, and I feel it has been valuable to those involved. It seems, however, that there is a need for greater participation.

All of us recognize the need for experienced and qualified ministers. And no one doubts the value of training for those who will be filling roles of leadership. For an inexperienced minister to be assigned by the overseer to work with an experienced pastor could provide the young minister with valuable experience he would never acquire through study alone. At the same time, having an extra minister could be a great asset to the pastor and church to which he is assigned.

Since most beginning ministers have to resort to some type of public work for income even when they are appointed to pastor a church, working on a job while they serve as ministers-in-training would not be any great disadvantage.

I feel it is important in carrying out this plan that the overseers and pastors work in close harmony. There should be consultations in advance between the overseer and pastor before a minister-in-training is assigned.

When executed properly I believe this program can be effective in giving needed help to our young ministers while being a genuine blessing to our churches.

### CONCLUSION

This week ends another Assembly year. As we pause to reflect upon our work for the past twelve months we can see many places where we wish more could have been accomplished. We can think of individuals that we wanted to lead to the Lord. We can name new fields where we had hoped to establish

the Church. It seems we never get done quite all we hope for.

But history cannot be relived. What we have done is on record. God knows about every prayer that has been prayed, every testimony that has been given, every home that has been visited and every sermon that has been preached. He knows what each of us has done, and if there are any who failed to do what they could, He knows about that, too.

As we take a backward glance to review the work of the past year, the greatest effect it can have on us is to create a desire within us to accomplish more in the year ahead. It is a year which will hold opportunities never before presented us. And it is important that we be prepared to grasp these opportunities, to go through the doors God will open to us, always mindful of the terrible plight of the unsaved and also remembering how good it is to be safe in the Fold God prepared for His sheep.

It is evident that we have come a long way since the Church began its operation this side of the Dark Ages. But when we look ahead and see the souls who are still lost, the cities, towns and even whole countries still untouched by the Church of God, it is also evident that there is a great work yet to be done.

Today as we stand upon the threshold of a brand new year to work for God, the zeal of the Lord causes us to repeat His words, "I must work the works of him that sent me, while it is day." Not just when everything is pleasant, not just when we have no opposition—we must work while it is day, while we have opportunity. It is just a little while now for all of us. Some will receive their summons home before another Assembly. O how glorious that will be for those who have been faithful!

NOTE: The General Overseer became carried away in the Spirit and had a heavenly vision as he delivered his address of outstanding instructions to God's people. Comments: Working together we can get the work done. When Noah completed the ark, he knew the flood was coming. When we get the Church finished, we know that Christ is coming. The Church must concentrate on her commission from Jesus Christ. It is sad when Church of God members are so comfortable they are not concerned about seeing Jesus coming in the air. (He led congregation in singing "Getting Ready to Leave This World.") We want to get away from slothfulness and get people ready to leave this world. People know what the Church teaches. If we don't measure up, they think we are just another sinner. A teaching program for our younger members would be better than using a club. They came out of the world and don't know how Christians should look and act. Where there are a lot of young people, it would be wonderful to have something going every night. The world has something to attract them. Let us try to get our people involved in productive things for the Church. In their work, many ministers have become too intimate. We have to watch ourselves as the temptations are there. The enemy is after us, but let us be men and women and trust in God. There is no excuse why any church has to stay small.

As we stand now to sing our battle hymn, notice the first line: "I've enlisted

for life in the army of the Lord." Is that the way you feel about it? Are you in the Church of God for life? Is the Church of God your life? Then let us stand and sing with all our hearts, dedicating ourselves to the greatest year of victories ever known by God's holy nation.

2:20 Ministers of the Word—message by Ray C. Wynn, General Superintendent. Excerpts: Luke 1:1-4. Luke gives an account of many being involved in declaring the gospel or doctrine of Christ. Luke is saying to us to let him share with you what he knew about the Lord. His account is addressed to an individual, but he wanted Theophilus to be sure about the certainty of those things he had been instructed. It has been said that every man should labor to acquire the correct knowledge of those doctrines on which he stakes his eternal salvation. In other words, one should be absolutely sure on such an important matter. If there ever was a time when we need to be sure and know the certainty of those things, it is today. We cannot afford to speculate, to guess or to have a credibility gap. We were not privileged to be an eye witness, but we know His Word. John 5:39. We have Bible privileges by searching the divine Word of the Lord. We can't claim them unless we know

them. Romans 10:17; 2 Peter 1 :12-19. Peter addressed the second epistle to them that have obtained like precious faith. He realized in a short time he would be departing this life. By way of remembrance, he wanted to stir them up. Some may think it strange to be reminded of something they already knew. It is not enough to know the doctrine of Christ. You and I need a Holy Ghost inspired stirring to keep it fresh in our lives. We must not let the Word become stale.

When we united with the Church, we promised to accept the Bible as the Word of God, believe and practice its teachings rightly divided. Perhaps there was a lot you didn't understand about the Church when you joined, but I do believe there is a spirit in the Church to let you know this is right. Jeremiah 23:29; 15:16; Psalm 119:97, 105; Proverbs 30:5; Isaiah 40:8; Matthew 24:35; Hebrews 4:12; Colossians 3:16. Let the Word of God dwell there, teaching and admonishing one another. What made the early Church so powerful? Acts 2:41, 42. They continued and accepted gladly and a continuation steadfast in the apostles doctrine. We cannot survive as the Church without the Word being proclaimed. We cannot afford a Word shortage in the Church. Acts 20:28. This is essential to have growth in Zion. It takes a well balanced diet to feed the Church of God. It is up to the ministry to feed the sheep and the lambs.

The early Church realized the answer to the problem would not come by sacrificing the Word of God. Neither can we substitute activities as a replacement for the Word of God. Matthew 4:4. The Ministry is given for the perfecting of the saints, for the work of the ministry. I feel for this to be accomplished, it will take ministers of the Word. There should be nothing more exciting than the Word. Do you see the Church in the Scriptures? In 1906 in the first General Assembly, this motto was adopted: "We do not consider ourselves a legislative executive body but judicial only." In the Assembly in 1907, our former General Overseer said: "There are so many sects, doctrines, opinions, and divisions that it is of vast importance for us to know the truth contained in the Scriptures." Our former General Overseer made it very clear that the Bible was the supreme authority to settle all issues. He also said, "I expect to spend all my time this year in the ministry of the Word and in prayer." In that small assembly, they saw the importance of searching the Scriptures. Their main objective was to be Biblically sound according to the New Testament.

A survey was made a few years ago to learn what was being preached in the pulpit of American churches and how effective it was. Their conclusion was that most preaching was trying to answer questions that no one was asking. I am afraid the commission Scripture has become too familiar. Mark 16:15; Matthew 28:19, 20. Jesus emphasized for us to go and distribute God's Word. Romans 1:16. Paul was ready to preach the doctrine of Jesus Christ. It is not the goal of the Church to establish customs, but to establish the Word. Sometimes we have more respect for customs than we do the Word. (Concert prayer for BTI led by the General Overseer.)

### **Financial Statement of the White Wing Publishing House and Press**

The following White Wing Publishing House financial report is compiled from our fiscal year ending May 31, 1979.

I want to express my appreciation for the cooperation of our Publishing House employees, our General Headquarters staff, each National and State Overseer, and finally to each member, local church leader and pastor. Our success depends entirely upon your support.

With a spirit of gravity, we analyze our past successes and failures. We assess the future, knowing that without God's help the task of publishing the "last days message" into all the world would be impossible.

We must, however, conquer for the cause of Christ.

Respectfully submitted,  
HENRY O'NEAL  
Assistant Publisher  
and Business Manager

4:46 Building and Bonding My Local Church by Bands—message by H. L. Martin. Excerpts: What God has accomplished in the church I pastor is through the power of the Holy Ghost. I am only a vessel that I asked God to use as it pleases Him. I am not here to offer any new improved ingredients to the ABM. The Holy Ghost approved the work of this auxiliary. It is the segment of the Church to insure spiritual growth, safety and maturity. The ABM is not only a help but it is an outreach within the local church. Jesus is our prime example Who reached out and touched the Samaritan woman. Jesus said, "I am the light of the world." If the ABM in a local church stays within the four walls, it becomes stagnant. When people are prayed up and no way to get out, they get discouraged. The ABM in a local church is a powerful force. Proverbs 30:27. Where a band of locusts travel, there is total disaster. Ten

years ago the local church I pastor was organized with three members. We began working the ABM, and the leaders got a vision, and our church grew every year. Each month a verbal report is given in the local church by the band leaders. Pastor should be aware of a weak member in the local church before the member turns back. 1 Corinthians 12:23. Our band leaders know when one of their members is not in service. Matthew 4:19. The Holy Ghost is directing the Church of God. We need sanctified and dedicated men and women and train them and let them work for the Lord. We can get our own workers by the ABM and putting the things we have to work with in operation and our churches will be the largest.

5:10 *Shepherding With the Father's Love*—message by David A. Riggs. Comments: 1 John 4:7, 8. The world today has a different meaning to the word love. The love of the Father is the only true love, and it will make you love your brother regardless of color. It is impossible to know the true meaning of love without knowing the love of God. John 17:26. The Word tells us that God is love. His love breaks through all barriers. In the time of adversity, the Father's love does not fail. (Congregation held hands as one bond of love and prayed in concert. Many rejoiced as God manifested His Spirit.)

5:30 Musical Presentation by Hallelujah Chorus

5:50 “. . . They which are of faith, the same are the children of Abraham”—message by Eugene Weakley, General Secretary. Excerpts: Galatians 3:1-7. The Galatian Church was termed by the Apostle Paul as foolish and bewitched. It seemed they wanted to rely on their heritage of being Abraham's children to be sufficient to obtain the promise of God. The Church of God has a great spiritual heritage. As the success of the fulfillment of the natural heritage of Israel relied on their relationship to Christ, so it is today concerning the spiritual heritage given to the Church. 1 Peter 1:10-12. What made the prophets inquire and search diligently and become concerned about the manner of time was the Spirit of Christ in them. As we read these prophecies and promises, our relation to the Head (Jesus Christ), must be maintained to discover the greatness of what the prophet wrote. Just to repeat, “Arise shine, thy light is come,” or other prophecies is not enough. The Spirit of Christ must also be in us “. . . Christ in you, the hope of glory,” is true today.

Our heritage can be traced to the church in the wilderness, and we can justifiably say, “Glorious things are spoken of these. . . .” When the early Church left the Word, they plunged into the Dark Ages. When God found a group with a prophetic setting saying, “This we will do,” He set His glory upon them. Our first assembly stated boldly, “We don't consider ourselves legislative but judicial only.” That judicial search of Scriptures, with reverent fear before God, had brought us where we are. The Church is not a mixture of opinions, but faith as a grain of mustard seed. Mustard seeds will not mix with anything else and produce. Jesus told His disciples to continue in His Word. Romans 10:17.

Abraham was not blessed just because he was Abraham to whom God promised a blessing. He was blessed because he had the gospel preached to

him and he obeyed it. Galatians 3:8. The Church cannot fulfill nor understand the prophecies without the power of the gospel. We state that the New Testament is our only rule of faith, government, practice and discipline. Romans 1:16; 2 Corinthians 4:3, 4. Through the power of the gospel, we can be subject to Christ in everything as Abraham was in offering up Isaac. When we have mechanical, fleshly programs, they will mock the program of the Spirit. Genesis 21:10. When Zion travailed, she brought forth. Preaching the "one fold" requires some folding in the fold. Only the Spirit of the Great Shepherd will cause us to deny ourselves and give up our lives for the sheep and lambs. Genesis 13:8. To some, holiness is no more than good culture and sophistication. The Church must not be lured into this fashionable gospel.

The power of God is able to save, sanctify and fill with the Holy Ghost. Since 1903, our heritage has been the power of God. Galatians 3:3. Perfection is the final goal of the Church. Ephesians 2:16. Just as Israel had been committed to the oracles of God, so has the Church today. We can't discharge this duty unless members in the Body keep our relationship with Christ. God is depending on members of the Church to position themselves with His Son that the image and reflection of Jesus can shine upon them, thus shining through the Church. We must accept the challenge to be fitly joined together. David could not sleep nor go to his house until he found a habitation for God. It is not a tabernacle—it is you, His people. God has given the ABM to keep the togetherness of the Church. Our slogan and objective this year is "Bonded in a Band to Build Spirituality." Let us truly be our brother's keeper. True pastoral care is the mutual concern of Christians for one another and for those in the world for whom Christ died. I challenge the undershepherds to create this spirit in the local churches.

### EVENING

6:30 Musical dismissal by Albert S. Ferguson.

6:43 The Supremity of the Godhead—message by Jacob Montijo, Field Secretary. Excerpts: Hebrews 1 (Prayer) The second verse awakens us to meditate how that God would do such a wonderful thing for those in this dispensation of grace. It tells us, "By His Son" and then immediately elaborates on the deed that God has done on behalf of the gospel that will save the world. It introduces Christ in His wholeness. He is heir over all things, and it is speaking about the plan of salvation, how that Jesus is operating for God this great plan of redemption on this earth. God appointed Christ heir of all things, and He qualifies Him capable of handling this matter of redeeming the world. It was by Christ that He formed these worlds. The Word was there; Jesus was there when the worlds were formed. Now He is in heaven and in relationship to Almighty God. Jesus is the brightness of God Almighty's glory. The Bible says that Jesus Christ is the express image, exact, precise, complete image of Almighty God, yet He is not God—He is the Son of the living God. Angels are spirits of God. In the Bible, there are different ranks of angels. Two of the Cherubims guard the Tree of Life, and the Bible states

that the higher rank stand in the presence of God. The angel Gabriel stated to Mary that he stood in the presence of Almighty God and not all the angels do. There were six-winged angels called seraphims. They are glorious and honored by God be in His presence before the altar; they cover their faces and their feet and never rest on His train or garment. They just fly; they are not allowed to look on God. The Trinity is in this place, and all the angels say is "Holy, Holy, Holy, Lord of hosts, the earth is full of thy Glory." Angels are spiritual creatures that God made to render servitude to Him. Jesus is above the angels. He was a little lower than the angels when He was on earth because He was in the flesh. As long as He is in heaven and He is the Son of God, He is the brightness of the glory of God and the express image of God Almighty. He sits on the right hand of God; the Holy Ghost is here.

Jesus was anointed with the oil of gladness. When we are sanctified, we feel such a gladness, glory and strength. We are going to wear out, but Jesus' years shall not fail. Again He compares Jesus to angels by saying which of the angels sit on My right hand until He makes thine enemies thy footstool. The Son of God is going to bring many sons unto glory. His suffering was not in vain. They are not going to be just scattered in some angelic stage in heaven. They are sons and are going to rise to the glory of God. God is going to say to the Church, "Come to my right hand." This redemption was all the way up to the throne of God in things pertaining to God. Hebrews 3:1-14. We feel in actual distance, we haven't gotten that close to Him yet. In experience, we are intimate with Him. We know we must escape this earth, and we must get very close, exactly on the right hand of the living God. We are partakers of the express image of God, of the One God called Son. (Prayer of dedication to hold on firm, led by Brother Montijo.)

7:28 Assembly Expense Offering; Praise service conducted by Edna Rye with Texie Jestes singing choruses. Bill White introduced: Presiding Bishop of Church of God in Christ, J. O. Patterson, who gave warm greetings from him and his over three million constituents; H. Jenkins Bell testified and requested their large delegation to stand, as our people applauded.

8:05 Message on divine healing—Ray Payne. Excerpts: The Bible and the Church of God teach divine healing is provided for all in the atonement. Jesus paid the price. God visited Israel in their sickness and proved He was God of gods. He is the same today for His people. Hebrews 13:8. Jesus is the: Lily of the Valley, Rose of Sharon, Sanctifier, Holy Ghost Baptizer, Healer, soon coming King; past, present and future. Matthew 4:23. When God heals in the supernatural, it will take care of a lot of our problems.

The reason many of our folk talk negatively is that there is nothing exciting in their lives. Some of our spiritual rights: Matthew 10:1-7; Luke 10:19; Mark 16:17-20; James 4:7. Proclaim full victory for your mind, body and your soul. We cannot be our best when we are suffering; God desires to heal the Church. We need every reinforcement at its place of duty. Ephesians 6:13; 1 John 4:4. Too many soldiers are wounded in action because of the devil. Psalm 107:20; Proverbs 6:2. If you talk fear, failure or faith, it grows. We should talk

faith. 1 Peter 4:11; Psalm 23:5; Matthew 4:3-11; John 6:63; Romans 8:37.

The blind came to Jesus and left seeing; the deaf came and left hearing; the condemned came and went away without condemnation. Psalm 34:1. Sickness comes from the devil. Job 13:15; Acts 10:38. Message of healing is not as important as learning how to receive healing. 3 John 2. I had cancer for two years. One night, I looked up and said, "Oh God, if you will heal me, I will do whatever You want me to do." There comes a time when we have to bring ourselves in subjection to God. Many times we want to tell God how to heal. He is the same yesterday, today and forever; "I am the Lord God and I change not."

9:24 Leon Schneider led congregation in singing. Music by Bahama Brass Band, as 2,980 were anointed and prayed for; approximately 17,000 cloths, which had been anointed by the National Evangelists, were distributed to congregation.

9:30 Evangelistic message and Altar Call by Eddie Mounce. Altar singing by Brother Mounce and Davis Family. Music and singing during altar service directed by Dennis Wilson.

## **SATURDAY, SEPTEMBER 15**

### **MORNING**

7:30 Sunrise service directed by Gene Martin and Joseph L. Samuels. Organ music by Norma Bryant; Sonny Sample, pianist. Music by Bahama Brass Band.

8:45 Two songs led by Phil Barker with Sonny Sample, pianist; Norma Bryant, organist. Luther Rye read 1 Corinthians 8:1-9. Prayer by Joel Brackett, followed by concert prayer.

9:00 Nature, the Vehicle of Theocracy—message by Juan Valera, interpreted by Hector Ortiz. Excerpts: If we get involved in trying to conquer the values of earth and all of its contents, we are likely to lose that which pertains to heaven and all of eternity. God made Adam and Eve with a divine nature; but when these fell by transgression, they lost the divine nature. Then the conflict of the enemy of all souls began. A number of prophets came to public light to announce to the world what God had intended for the last days. These prophets worked until John the Baptist. Jesus said, "The law and the prophets are until John." From then on, it pertained to Jesus announcing the will of God to the world. He organized the Church, and she functioned under His divine direction. Before He left, He gave the Church the divine grace so she could do the will of God. Hebrews 11:36-40. All of these suffered certain persecutions, but all of these had the testimony of faith; yet, they did not receive the promise, because God had provided something better for us. This is a very grave responsibility, because God has prepared tremendous things for us. That is why Jesus had to sanctify the Church, and He wants to sanctify us; because a saved person is forgiven of

the sins he has committed against God, but he still has a carnal mind; and it cannot obey the Bible totally.

Things of holiness are given to us by divine power, precious and exceedingly great promises. By these promises, we may be sanctified. Adam lost divine nature, but Jesus established that wonderful quality. It is impossible to be theocratic with a natural mind. Divine nature as a result of the second definite work of grace places a person at the absolute necessary level so that God can work in him, having escaped the corruption that is in the world through lust; therefore, giving diligence by these reasons, we must show forth faith, virtue, knowledge, temperance, patience and in the fear of God, brotherly love, charity. If these things are in us, we shall neither be barren or unfruitful in the knowledge of our Lord Jesus Christ. Divine nature is necessary because without it man does not have the defensive values to fight against evil. Without holiness, no one will see the Lord. Then it is worth it for us to acquire it.

9:30 White Wing Publishing House Program directed by Henry O'Neal, Business Manager. Prayer by C. T. Davidson; Linda Hall led devotional, and she prayed. Music and singing by Hallelujah Chorus. Zephaniah 3:9 and Ephesians 4:11-13 read in several languages showing unity of nations in the Word. Solo by Janessa Jones.

10:08 Our Church Ensign—message by James Wallace. Excerpts: We are known as the Prophecy Church, and it is not an insult to be connected with prophecy. Prophecy foretells history, and there are two main streams of prophecy. The first stream deals with the coming of the Messiah. The six-pointed Star of David is the ancient Israel symbol of the full restoration of the kingdom of Israel. It is also representative of the coming Messiah. In most part, the Jews did not accept Jesus Christ as the Messiah, but prophecy promised in Genesis 3:15 that He would come.

The second stream of prophecy deals with a covenant people and a twofold purpose. After man failed in his government, God chose Abraham to father Israel, and it would have His special care, as a peculiar treasure to Him. Those who blessed Israel would be blessed of God; those who cursed Israel would be cursed of God. Israel is part of the divine plan of God. No other nation has borne such a burden. She has been scattered, persecuted, hated, tortured for centuries; yet, God has said that this is His people. In spite of nineteen hundred years of lost nationhood, on May 14, 1948, Israel became a nation again.

Alongside the prophecies concerning Israel is the prophecy of another order, yet similar in nature. God has a covenant people today called the Church of God. Yes, the Church of God is the Church of God of Prophecy. God is going to confirm His Word. 1 Peter 2:9, 10. It is an honor to be a part of God's Church and to know His plan. The congregation of the old and new orders will be governed under theocracy, which means God is running His program through Spirit-filled men. We may not understand the entire program of God; it is not meant for us to, because we are humans; and God is

God. We may encounter some bad weather; but because of theocracy, God's program will land on scheduled time. God is still in control and is running His program.

The congregation of the old order and the new are called a holy nation, and both have flags for a symbol. The symbols of Israel and the Church were designed independently of each other, but yet are so similar—two bars, a star in the center. The Holy Ghost gave the flag to the Church in 1933; Israel accepted her flag in 1948. Look at the similarities—red background; star of David. If you blow up the star of David and place it on the Church of God Flag, it becomes one. God has a program with Israel, and He is going to finish it. I have always been amazed at the patriotism of the Jews for their nation. There is more to being a Church of God member than waving a Church flag and saying, "I'm Church of God." We are God's people today. If you would rejoin the Church today knowing what you know about it, stand. (Shouting and rejoicing.) The Church may make it without me and you, but I don't want to make it without the Church. (Rejoicing and speaking in tongues.)

1:35 His Victory—message by Terry Mahan. Excerpts: The great American Patriot Nathan Hale stated, "I regret that I have but one life to give for my country." We have a higher calling than national patriotism; we are called to be HIS and willing to give all. The call today is for servants. We need people who will fall prostrate at the feet of Jesus and say, "Oh God, I am your servant." Exodus 21:1-6 tells the law of the Hebrew slave. We try to get some young people to say, "Here am I Lord, use me and my talents," and they have never said WOE IS ME. We must come to that place, and our relationship with Him must increase until we want to serve Him and be HIS. Jesus said, "I am the door." Our place is with our ear to the doorpost listening for the Master's call. Beware of outside voices that draw your attention from HIS VOICE. This is His voice—not only speaks audibly, tongues interpretations, prophecy, but through His Word. John 10:5. Beware of voices of other masters that try to bribe you away for ease of life and money. I challenge you to say that you are not going to listen to other voices. You may have your career already planned.

Beware of the spirit of wickedness. We are living in constant bombardment from T.V., books, magazines, school life, work, trying to entice you away from the Master's doorpost. Eli lost his spiritual receptivity because he tolerated evil. Ezekiel 12:2. Two-thirds of the world waits in darkness of sin and fear. Listen to His voice. He needs you. There are places that God has for us and the Holy Ghost will impress on us what to do. God doesn't need all of us to preach or be missionaries, but He needs our ears tuned to Him. Matthew 20:27, 28. When we get to the plateau of servanthood, we get there to worship

Him. We find ourselves in the highest holiest part of heaven when we get to where we are willing to be servant.

He tells us in His Word to go, and we need to start going to find those who are lost and that are in need. You have a search warrant to go out and arrest your friends in the name of Jesus and bring them back to the Master. The devil is going to attack your confidence and try to blow your mind. All I have to do is to lay out the Word and say, "There it is devil, that is my search warrant; it was signed in the blood of the Lamb, by the King of kings and Lord of lords. It was issued in the high court of heaven." It is going to be worth it when we see Him and He says, "Well done thou good and faithful servant." I want to be His servant. It is time for us to stand up and say, here I go into the devil's territory with a search warrant. (Message in tongues and interpretation: Come unto me, seek my face, soon I will be coming.)

2:05 Congregation stood and worshipped the Lord for being His servant. Joyce Cannon led in singing "We Have Gathered In This Place."

2:20 Name That Event—Steve Gilmer. Brother Gilmer asked questions, as two contestants answered, relating to the youth work—Workers Conferences, International Youth Week, coming events in the Victory Leaders Department.

2:30 Terry Mahan, Felix Garcia and Henry O'Neal set off TNT missile for a great offering for printed literature in other languages. Brother Mahan prayed for the offering; solo by Karen Harris.

2:40 HIS Call—Mississippi Victory Leaders. Group sang "He Was There All the Time," as scenes from the life of a Victory Leader flashed before him when he drifted away from God; representative of Christ was narrator. Brother Mahan gave opportunity for any who didn't know Christ to invite Him into their hearts.

2:55 HIS Past and Present—D. H. Queener and Foster Bell. Brother Bell interviewed Brother Queener, asking him questions of when Brother Queener served as World Mission Secretary. Brother Queener admonished the youth to: "Take Jesus with you wherever you go." He prayed for our young people today.

3:15 Tomlinson College Program, directed by Emerson Hall, President. Theme: Scholarship With Spirit. Bahama Brass Band furnished music as faculty and 246 students marched in. Introduction of Board of Trustees, faculty and staff.

3:30 Our College In Review—Albert Ferguson. Progress from its first enrollment in 1966. Degrees have been conferred upon 456 graduates; 23% in Biblical studies; 13% in Practical Ministries; the remainder in Business

Administration, Education, Secretarial Science, General Liberal Arts, Music Education and Natural Sciences.

3:35 Financial Aid Director Peggy Bell spoke: Anyone desiring information about financial aid should contact the department. Matthew 28:17. TC students have a commission to go into their worlds and teach the people they come in contact with. Parents and students have sacrificed for students to come here where Bible courses are offered. TC students need your help, love, understanding, encouragement, counsel, prayers, and financial support. We are trying to produce good local church members, who love God with all of their hearts and are willing to give of themselves totally to the Lord. You may give a personal offering, or a general offering. We acknowledge receipt of all funds.

3:43 Alumni Association President Jerry Moates had former TC students stand; Brother Moates told where some of the former students are serving the Church. Singing by TC Chorale, directed by Larry Duncan.

4:15 Religious Education Essential Today—Melvin Hyatt. Comments: I feel the urgency of God's work being done in this generation. Matthew 24: 3-13. Jesus described the time to come. Thirty years later, just before Paul's head was to be cut off, he told Timothy there would be some perilous times. 2 Timothy 3:1-3. Paul describes a generation in which Jesus would come. We are in perilous times, and there is a work to be done. Christ is going to come back quickly and make a quick work; I must be about God's business. Matthew 24:14; 28:19, 20. 2 Timothy 4:3. When we go from TC, we are not just concerned about souls being saved, but to establish in the all-things message in the Bible. God needs a faculty and a staff to be concerned about our young people knowing what the all things are. Someone has got to be responsible to help our young people know what the Bible says. We can't wait on others to teach our young people about the all-things message.

4:23 Jerry Adams commented and these former students gave short testimonies: Gail Stathis and Ed Dowdell. Instrumental music by Ron Scotton and band.

4:40 Focus on Progress—Emerson Hall, President. Comments: Our college is on the forward move for God. The zeal is high, and the Church of God is growing rapidly and gaining strength; the college is progressing along with Her and has a great future; it has come a long way; it has a long way to go to reach our goals. We must please God. We are a Church of God institution; it must continue to be and it must have the favor of God. Our responsibility is to faithfully represent the standards and ministries of the Church. Our college wholeheartedly supports the rulings of the General Assembly, the Church doctrine, and all the teachings and advice to members. Last General Assembly approved the master plan to improve facilities and construct new buildings so we can accommodate an increasing number of students. This plan is well underway—the dormitory which will house 152, at a cost of \$925,000, and the library, costing \$225,000, are scheduled to be completed not later than January which should accommodate our spring en-

rollment. We have remodeled a building formerly used for our children's home, which is the offices of the staff. This permitted us to increase faculty offices and services to the students in the other building. We plan to install a new sign, which will identify it with the Church. We have increased paved parking, and many other improvements. By January, 1980, we should be able to accommodate up to 360 students.

The commission on colleges, the Southern Association of Colleges and Schools, met on July 16 this year. They determined that the college is qualified to be assigned a candidate committee for accreditation. They officially appointed a committee to visit the college October 10. This is a giant step in a positive move toward accreditation. The implementation of the master plan and recent strengthening in changes in our college financial system has played a major role in this progress toward accreditation.

It is our aim that every TC student be saved, sanctified, baptized with the Holy Ghost, and grounded in the doctrine of the Church. We have been in session one month and there have been 7 saved, 7 sanctified, and 10 baptized with the Holy Ghost. I believe we have more unsaved students enrolled than ever before. We have services on campus and our students are divided into bands. A great deal of attention is given to their spiritual and personal needs, but we do not always get all of our students saved. This year we have an increased number who are unsaved. God help us to win every TC student to the Lord, and may each be sanctified and filled with the Holy Ghost. Help us pray.

4:47 Foster Bell, College Chaplain, led congregation in prayer.

5:00 Living Above the Snake Line—message by Ruby Jones. Excerpts: Genesis 3:1-6, 8, 13. Reptiles have a head, body and tail, but no limbs; they move on the ground on their belly and with their flickering tongues they are often described as licking the dust. The snake is deaf to sound carried by air, but it senses vibrations from the ground. His eyes are always open, making it difficult to tell when he is asleep. The first serpent in the Scripture is the subtle creature described in Genesis 3, used by Satan to alienate man from God. The serpent was put under a curse that it would never rise above its customary creeping posture and it has remained a Biblical symbol of deceit; the arch deceiver is that old serpent. Various snakes can inject deadly poison into a wound when they bite, but it was the will of God for us to live above the shadows and on higher ground so God can get glory out of our lives. In contrast to living below the snake line, it means that we are cold and indifferent, unable to hear and understand the voice of the Master, our works are not pleasing unto the Lord. Galatians 5:19-25. We cannot afford to close our ears and minds to the fact that we are living in a time of shameful impurity. Some say they have a hard time living a Christian life, but the Scripture tells us to cleanse ourselves from all filthiness of the flesh and spirit. Psalm 12:6, 7.

There are many imitations in the world; plenty of people shout and sing and praise the Lord who haven't been washed in the blood of Jesus. If they are not sanctified, they can't live a holy life. I praise God that my sins are covered under the blood of Jesus. Jesus went about doing good, healing the sick and oppressed, and setting men and women free from sin. He proved that we can live with victory over sin in this world. I am told that some snakes are unable to live in a high altitude. If we get so saturated with the Holy Ghost, the devil will not be able to live in our territory. We might get discouraged, but the pure Word of God will keep us in times of temptation. 1 Thessalonians 4:16, 17. Hebrews 12:1, 2. There is no such thing as having to sin a little every day. God says, "Be ye holy, as I am holy." Holiness is real. Jesus said, "Lo I will be with you alway even unto the end of the world." We may go through trials and temptations, but Jesus is with us. He paid the price and made the way that we can live free from sin. (All stood and praised the Lord.)

5:21 Praise Service directed by M. S. Curry, assisted by others playing music, singing and testifying.

5:45 Program directed by Verlin Thornton, Minister of Music. Songs by: Gospel Sounds Trio; Children's Choir, Cleveland (Keith St.), TN—Mary Sue Flippo and Janet Hutson, directors; Louisville (Larkwood), KY—Betty Hayes, director; Florida State Choir—Darel Talbott, director. Brother Thornton interviewed the directors, and he encouraged our continued giving for  
**HORNS FOR MISSIONS.**

Verlin Thornton commented: 2 Corinthians 3:1-6. Paul was writing to the church at Corinth where he had to make a defense of his ministry. Some false teachers brought accusations against him. Thirteen years ago, the Church officially recognized the ministry of music. A General Minister of Music was appointed, and the music ministry began to develop in the Church. Minister originally meant a servant, though distinguished from a slave who may work against his will. The type of servant referred to is one who did not have to be forced to do what he did, but he did it willingly as unto the Lord. What is our motivation in wanting to do this type ministry? A lot of reasons provide for our attention in establishing a music ministry. Some people look at a Christian music ministry and see all the recording stars and various ones who are famous, and it has become big business. Perhaps some are motivated because they want to get into the music business and make a lot of money. That is a very competitive business, and I am afraid you are in for disappointments if your only motivation is that you want to become famous. I hope you want to serve—not just for wages, or being forced to, but because you feel the call of God upon your life.

Practically every epistle written by Paul begins by identifying him and then declaring that he was an apostle called of God. God called him to do it. Who is your caller—family, friends, call of fame beckoning or wanting to make a fortune? Is it because the Lord God has called you to carry on a ministry for Him? In whom do we trust when we desire to be involved in a ministry? Ministers of music, we become spiritual leaders in the same context as pastors and teachers. You are a spiritual leader, and this must be the motivation that you minister to them spiritually. We must be examples to those who are watching our lives. We have a responsibility to counsel. We are not going to just sing nice pretty songs and do the things we like to do. Some will feel comfortable in confiding some of their problems. If you are not prepared to minister to them spiritually, you are falling short of the job which you have been called to do by the Lord. We have a responsibility to prepare for each worship service, to care, to serve, be ready to listen to crying hearts and to pray with them. We must prepare for every situation. The difference is relying on God and not ourselves. We have to seek Him for every situation, and let Him anoint the music and minister through us and through the Word of God. Ephesians 3:19; Colossians 3:16. In each of these verses Paul talks about singing in psalms, hymns, and spiritual songs unto the Lord. We shouldn't be concerned with trying to make an impression, but we are inviting the congregation to worship with us and to lift our hearts to the Lord in praise and thanksgiving. If you can keep these objectives in mind and have the proper motivation for your music ministry, truly the Lord will make you able ministers of the New Testament. I believe that He expects a music ministry to be just as dedicated and anointed as He does the preaching ministry.

## EVENING

6:50 World Mission Program, directed by Adrian L. Varlack, Sr., General

Secretary. Theme: "... that we trouble not them, which from among the Gentiles are turned to God." Acts 15:19.

6:55 Janice Varlack read Acts 15:12-20, followed by prayer. General Secretary introduced National Overseers.

7:09 Asian and Australian Outreach—Bobby R. Snow, Representative: It was my privilege to visit all organized work in the Asian, Australian and Pacific Islands area this Assembly year. Youth Mission Teams went to American Samoa and the Philippine Islands. Both teams had good results; however, a greater harvest of souls was not realized. With its ever expanding roll of evangelizing the world, World Mission Corps volunteers are preparing to enter Japan. In nations, where the church is presently functioning, several new churches were organized and members added to the Church and workers appointed to new fields. Overseers in these areas are to be commended for their vision and labors in the Church of God. The area in which I labor presents a challenge to us in the mission work. It will require blessings and inspiration of God to evangelize these areas. We have organized churches functioning, but this is not enough. We are driven by the urgent need of going into all the world and preach to every creature. Our main objective is to reach every creature, and we cannot be satisfied with anything less than fulfilling this divine commission. The diplomatic recognition of China by the United States appears to have opened the door—not only for diplomatic relations and commercial venture, but that of religion. Reports indicate that people are being given permission to attend church, as well as many other types of activities, which have been prohibited for so many years. John 4:35; Matthew 9:37, 38.

Caribbean Area Outreach—Alvin S. Moss, Representative: The work is growing and increasing. There are improvements and the Lord is blessing in a wonderful way, especially in the last few years. It is very encouraging and rewarding. (Bishop Moss read his yearly report which he gave on Monday.) Please pray for us in the Caribbean for the work is great. The Lord of Hosts is with us and the God of Jacob is our refuge. We are not trusting in ourselves, but we are trusting in the Lord and the Lord Jehovah His everlasting strength.

The Varlack children sang "It's a Great Big Beautiful Day."

European and African Outreach—Roy D. Mixon, Representative: Psalm 111:1-4. I praise God for the wonderful things He has done this year. He has enabled me to travel many thousands of miles and kept me in good health. I attended ministers' convention and visited local churches in Egypt; established the Church in Tanzania; went to Kenya and established the Church and returned in March for the first national convention. There I dedicated fifty-five babies and closed the convention with observance of the Lord's Supper and feet washing—this was the first time for the Church. Convention in Zambia was good, and the Church is having continuous growth. The Church was established in Mozambique with 370 members; Zaire with 3,000. It was a blessing to attend convention in Rhodesia, where, in spite of political struggles, the Church has grown; Malawi is having tremendous growth; attended

conventions in South Africa and the Church is growing among the Bantu and Afrikaanse Tribes and we have beautiful headquarters properties. The work in Botswana is growing and headquarters property is under construction. I attended good conventions in Ivory Coast and Sierra Leone, where much progress is being made. I was happy to have a Youth Mission Team in Freetown, Sierra Leone in June, when more than two hundred and fifty were converted. More than one thousand attended our convention in Egypt; we are gaining churches, ministers and a national headquarters in Cairo is about one-half completed. A goodly number of Germans attended the convention in Germany; the young people in Greece have much zeal. I visited in France four days with Christians who are showing an interest in the Church. The Lord blessed us to establish the Church in four nations this year. It takes two to five years to establish the Church after making the first contact. Let us continue to pray for Prince Blackson of Ghana and our churches. There has been a terrible upheaval in the government, resulting in serious complications for our Overseer and his family. (Prayer) The cooperation of all the Overseers is appreciated. A great move is on; our vision is world-wide, and our hearts enlarged to embrace the people of every nation, gathering God's children into one fold.

Latin American Outreach—Raul Torres, Representative: Ephesians 5:15. Paul felt the urgency of reaching the lost in his day, and he admonished the Church to redeem time, because he was aware of how the devil was working, persecuting the saints and deceiving some within the Church which would create a division and in time would lead the Church into apostacy. I thank God that His Church is well aware of the times and are responding to the moving of the Spirit. Bishop Tomlinson, our overseers and pastors throughout Latin America have accepted your challenge to evangelize their communities. Our people are excited and are making efforts in reaching the lost. The deaf receive healing; crippled rise up and walk; diseases of all types miraculously wiped away. God has blessed Latin America this year with over 12,000 souls in the evangelistic outreach; 4,000 have been added to the Church. We are experiencing tremendous growth, and I feel this is only a beginning of a great revival that will sweep through this area. Latin America is a ripe field for evangelization. Some national governments are at the brink of collapsing and there is much unrest among its people. People are searching for stability and security.

It is the Church's responsibility to establish the saints in the doctrine and lead them on to perfection. When doors are closed, we can feel confident that behind those closed doors are congregations of the Body of Christ that will continue their responsibility to preach the Word and lift the Banner of Love to their world. This will happen if we make our investment now. Who at this moment is saying: "... Lift up your eyes, and look on the fields; for they are white already to harvest." The time to evangelize is now. This year we were able to make a small beginning in Balize, Central America. Pray that we can establish the Church in this nation soon. Thank you for praying for our mis-

sionaries. If you can't give or you can't go, you can pray. We are in a troublesome world and we are not going to get to heaven as smooth as we may think. The Bible speaks of persecutions.

8:05 Prayer in concert led by some praying in their languages.

8:30 "... that we trouble not them. . ."—message by General Secretary. Excerpts: Acts 15:19. Proverbs 15:3. John 14:1, 27; Luke 12:32. We are the people God is pleased to give the kingdom. In the early Church, there was trouble; the troubles from the outside were not important, but there were troubles within the Church—they were our troubles. We have enough of our own that we don't need to import any. We need our ears tuned in a listening attitude for the Holy Ghost that worked in the early Church and guided the Church. The same spirit is with the Church.

In recounting the experiences of the early Church, which began with a Jewish nucleus, it is necessary to retrace to the first Gentile contact after Pentecost. Cornelius was in his house praying and an angel appeared. The Lord directed Peter to his house to preach the good news of the gospel. Peter was committed to the gospel to the Jews only. He prayed and meditated, and the Lord let something out of heaven. There came a net filled with all manner of four-footed beasts. Acts 10:13, 14. When he stood in the Gentile house, his eyes were opened and he said, "Now I perceive that God is no respecter of persons." God told Peter to go with those men. Somebody had taken the news to Brother James that we have to straighten out Peter. The Gentiles saw Peter eating with the uncircumcised and returned with the news. Peter preached the new revelation he had received. God insisted that he go, and he concluded with these words, "Who am I that I could withstand God?" God is working a program, and we might as well get mellowed; because nothing will stop the plan of God—the true revelation of the Church.

This business of the Church of God has dimensions and possibilities that no generation has ever seen. We have the advantage of being present for all the proceedings of the Assembly. The Assembly is the whole Church in conference—not just a fraction of the Church. We become agents for those who are not here. It is our responsibility to approve only those things which are worthy of world-wide support. From this Assembly must flow consolation, reconciliation, peace and spiritual prosperity for the Church. It is time to remove all things that may cause trouble in the Church of God. We must be concerned about the world-wide needs of all the world. This world is not a friend to the Church of God. Governments are oppressing the Church. Let us

defend our brother. This world is not our home; therefore, we must be in that community where Christ is the Head and when one part suffers, we all suffer. We must rescue our people at the risk of our lives. When the Church could not operate above ground, she went underground. I believe in some areas we may have to do the same, but I know there is a God in heaven; and I say to this Assembly, "Who shall separate us from the love of God?" Somebody is going to have to take the risk. We are one family all around the world. Some things seem impossible because of geography, money and transportation; but the Church will be the Church. God holds the Church in His hands, and He is able to make a way. We are a community, bound by a common covenant, sharing in a common experience, bearing witness, citizens of a common heavenly country, and servants of a common Lord. 1 Peter 2:9. Christ's prayer in John 17 demands a unified visible witness upon this earth. Let the troublemakers cease their troubling, contenders cease their dividing; let us give up traditions and life styles; proud give up their pride; the White and Blacks, Spanish and English, American and European all sit together and let the Church be the Church. (Rejoicing and all joined hands and said, "We are brothers.")

9:35 Flag Display of the Church Among Nations. Bahama Brass Band played as ladies paraded down aisles carrying flags of nations where the Church is established. They circled the platform as one representing the Bride of Christ with the Church flag came to the platform, accompanied by those carrying flags of these new nations reached this year: Kenya, Tanzania, Mozambique and Zaire. "Let the Church Be the Church" was sung as those with flags of nations joined the Church flag. Songs: "She'll Be Shining" and "Tis a Glorious Church." Band played as the Bride and representatives of nations marched around the platform and out of the auditorium. Congregation joined band in "Tis a Glorious Church." (Handkerchief and flag wave.)

10:34 Songs led by Londa Richardson. Presentation by State Secretaries: It's Up to Me: to reach my community; to witness, to pray; to give. Some Secretaries spoke on these topics; singing by Cleveland (Keith Street) Singers; Tim, Shirlene and Duke; Roberta Matthews.

11:12 Frank Howard prayed. Who Am I That I Should Go?—message by General Secretary. Exodus 3:7-12. Israel, God's chosen, had been in bondage four hundred years. Their cry for deliverance had come before the Lord. Because of the severity of their servitude, Moses was living in Midian, alienated from his people. God told Moses that He was going to deliver His people and a bountiful land was in store for His people. God uses human instrumentality through which His power can flow. Moses had expected Jehovah to deliver Israel, but it never occurred to him that he would be the deliverer. He asked, why should I go? No wonder God had Moses take off his shoes, because it was holy ground—the bush was on fire, and God was getting ready to bring the people from Egypt to stand on the ground that was God's promise. It was not enough for Moses to know that the all-powerful God was with him, but he was using human reasoning and he said that the people won't hear me, and I am not eloquent and I am slow of speech. Here was a man graduated from the military academy of Egypt; had studied under the great priest of Egypt. None of this changed God. He informed Moses that Aaron, his brother, would go with him and be his mouthpiece and Moses would take the rod and show forth the power of God. This drama is played many times in the Bible. In 1 Samuel 9, Samuel went to anoint Saul king. Saul said that he belonged to the smallest tribe of Israel. All God needed was a man. It happened again with David, the young shepherd who used a sling to stop the attack of the Philistines. 1 Samuel 18:18, 23, Saul was going to reward David by giving his daughter to him for his wife. David said, "Who am I, what is my life, or my father's family in Israel, that I should be son in law to the king?" God wanted David in the palace. God can get the job done, if we will give Him a vessel. This drama goes on in spiritual Israel—the Church. God has chosen the Church to be the instrument through which the world would know God. The

Church is God's plan. The Lord answers us just as He did Moses. "Ye shall receive power," is our rod—the power of the Holy Ghost. Moses had a rod with which the sea parted, water come out of the rock, and the plagues were driven back. The rod represents the power of the Holy Ghost that is the power for service. He didn't send Moses without anything, and He hasn't sent us alone; He has given us the Holy Ghost. We don't know the Holy Ghost power for service like we are going to know it.

God wants us to be used of Him. If you have the Holy Ghost, you have it now; and God wants to use you. We need to learn how to have compassion for people. We don't have to wait for next month to get the Holy Ghost. The promise is to you. Be sure your vessel is full and clean. Be sure everything before you and God is clean. When every member is filled with the Spirit completely, you will see us move forward for Him. Through the power of the Holy Ghost, whatever we declare God can do, He will do it. We have latched on to this business about the gifts in the Church. Who is the Church? God, help this Church to get power packed and to believe what it has been preaching. If the power of the Holy Ghost is in us, we need to do the things that Holy Ghost-filled people are supposed to.

God wants to work a work in you. I want to be in the Church of God when she goes up.

12:00 Roberta Matthews sang. Prayer by Ina Mae Tomlinson; a brother came forward and testified to the Lord saving, sanctifying, filling him with the Holy Ghost and acknowledged his call to preach. Others sought the Lord. Bill Huffman directed a program of music and singing during intermission.

1:55 Our Challenge Is a Broader Vision—message by Les R. Graham. Excerpts: John 15:15. Jesus was getting His disciples ready to take the message to the whole world. The servant is limited in his knowledge of the Master's business. It is all right to be a servant, but Jesus took it further and called them friends. If we follow as Jesus reveals to us, we will be able to accomplish the work. Those used in the Bible days had a greater vision than those around them. The Church of God is here to perform the program of God; and we have a vision of what God wants us to do. We are here to get ready to carry the message of the Church of God. We want to step out on God's Word and do what God wants us to do irrespective of the consequences. It is important for the Church to know the mind of Christ. God is still telling Jesus, and Jesus is telling the Church. Some feel we can't make it; when we let God lead us, we will be victorious. We are the Body of Christ and He saved us and placed us in the Body as it pleased Him. Before God gives the signal for Jesus to come here, this gospel of the kingdom must be preached into all the world as a witness. Let us go forth preaching the gospel and doing the will of God.

Elijah was always in connection with God. The enemies of Israel came upon him and his servant at some place. His servant wanted to get everybody in Israel to fight, but Elijah was in touch with God and prayed to get a vision of what was going on. In church work, some folk don't have the vision of what is going on. Through preaching and teaching of the Word, our people must be made to see the great work we must do in readiness for the coming of the Lord. Let us stop looking at ourselves and look around us. Looking in a glass we only see ourselves; we not only see our beauty, but our defects. These things

serve as helps to our advancement and should help us to see more to be done for God and His Church. We do not know everything, but the Church should condition itself to accept the things that are already revealed. God is revealing through the Holy Ghost the things He wants for us. Some members will not accept the Bible as interpreted by the Holy Ghost and the Church. The Bible tells us that the Spirit searcheth all things. The Church knows the things of God.

2:20 10 Seconds . . . 100 . . . —Martha Henderson and Larry Lowry. Clock ticking in background; songs were interspersed with narration telling how souls are going out into eternity; the departments of Sunday School must be stretched to reach them. Solo by Dorothy Creel.

2:50 LET US—message by Caroline Ledbetter, General Secretary. Excerpts: John 17:20, 21. Jesus prayed that we might be one. Christ is praying for unity. I feel with all my brothers and sisters all over the world that I have a oneness in my spiritual relationship with them. There is no difference in cultures and races when we find that oneness in Christ. We in the Church should not be as concerned about what is going on in the world, as that we be about our Father's business. I heard it said that Jesus said, "Occupy until I come"—not be occupied with My coming. Let us join together collectively to finish the task that He set for us.

Galatians 6:9. Paul made an appeal to this church, and I believe God is making the same appeal today. One thing we need periodically is some assurance from God. It is going to cost us something and we are going to have to see that folk are dying in need of a Saviour that we can reach individually. Let us not grow weary in well doing. He is saying to the Church not to grow weary in demonstrating patience, showing kindness, revealing goodness, proving faithfulness, displaying gentleness, in exemplifying self-control, and in well doing. Tired goodness is neither contagious nor convincing to the world. We can't forget that Paul got tired sometimes. He tells about it in 2 Corinthians 2. Even Christ became weary in His work, but not of His work. Paul is not suggesting that these folk were not doing well, but he was pushing them to continue to do well and reminding them not to be concerned about the things that their neighbors were concerned about. Is there anything you have for me to do? That earnest prayer, sympathizing or reproving word, self-forgetting deed and extra mile are helping us to form material out of which we gain that robe of righteousness, the works we do with our faith in Jesus. He reminds us that although the wheels of Christian energy many times begin well, they are often halted in weariness. Some have halted in weariness and tired of some things and stopped their well doing, but Paul tells the Church to keep on doing good. He was a doer before he got changed, but he wasn't doing good. It was not a change in energy for Paul; it was just a change in direction. Part of this threat of weariness comes from a narrow view of life. If in this life only I had hope of Jesus, I would be of all individuals most miserable. Let us not give place to the devil to make us weary when we can't get it all done at once. We are not the doers altogether, but we are to do; and He will

empower us for the doing. Sometimes we become weary because we do not see immediate results. We can prevent weariness by staying close to Jesus and keeping our eyes on Him. Peter didn't deny Jesus until he followed Him afar off. We shall reap in God's time, and this should be motive and inspiration enough for us to persevere in our world today. We need to become inspired by the situation and by the world that is around us and recognize that we cannot be weary. Don't lose heart in this beautiful business of caring and teaching the Word of God to the little children. Just gather them around you and teach them John 3:16. Don't be weary and stop reaching out with the arms of the Sunday School and in this beautiful business of giving all God's creatures an opportunity to respond to Christ's redeeming love. It is going to cost us something, but let us ask the Lord what we can do.

3:18 General Overseer led in singing "Where He Leads Me"; had all to raise hands and testify in concert.

3:20 Servicemen's Program, directed by Bobby R. Snow, Representative. Report of activities; all servicemen stood; songs by Davis Family as offering was received. Larry Turner told about the servicemen's work in Germany; Robert A. Murkerson told about the servicemen's work in Hawaii.

4:00 The Blood Will Never Lose Its Power—message by Representative. Excerpts: One you leave a diving board and go toward the water, there is no coming back. We can be plunged into the blood and be washed from the sins of the world. Leviticus 17:11; Hebrews 9:22. What makes our people shout when they get to their duty stations is that they have been redeemed by the blood of Jesus. The blood is the same throughout the world, and it will never lose its power. Three purposes of the blood: forgiveness of sins, Colossians 1:14. Jesus shed His blood to bring us into a personal relationship with Him. Another purpose for the blood is to sanctify—sanctification a second definite work of grace. Hebrews 13:12. The next reason for the shedding of the blood was to purchase the Church of God. Acts 20:28. When you purchase something, there is a price to pay. Jesus shed His blood to purchase the Church. He first affected the organization of the Church while He was here, and then He paid the supreme sacrifice with His life and shedding of His blood to finalize the purchase of the Church. It is Christ's precious blood that cleanses us from sin. He is the faithful witness, the first begotten of the dead and the King of kings.

There is positive proof from the Scriptures that nations and kindred and tongues will be brought to the Lord that have been redeemed by the blood. It gives us access to the Father's presence where we can tarry, worship or intercede in pleading for God's gracious help. Hebrews 10:19; 13:13. Jesus shed His blood for every person in the world. In the military it is different circumstances from what you and I as civilians are confronted with. Let us hold these people up to the Lord. Ephesians 2:13. There is a certain reproach to bear as a Christian. Among the Christian world today, very seldom do you hear about the line drawn and a reproach to bear. If they are blood bought, they will draw the line as every other blood-bought Christian. It gives us an overcoming power against the onslaught of satanic forces to make us more than conquerors through Christ. Revelation 12:11. They overcame by the blood of the Lamb. The Apostle Peter introduced the phrase, "Sprinkling of the blood." 1 Peter 12:2. This is obviously a reference to the children of Israel and their exit from Egypt. They sprinkled blood on their doorposts; when the death angel came to the blood, he passed over that house. This program of the Lord for the shed blood of Jesus did not begin just with the coming of Jesus. Revelation 13:8. When God said, "Let there be a world"; the world appeared in space, there was already a redemption plan, which required the death of the Lamb. 1 Peter 1:18, 19. It is not necessary for Jesus to shed His blood anymore. We are made overcomers by this shed blood of Jesus Christ.

4:22 Colorado and West Texas Program. Colorado delegates came to

platform. Overseer Frank Hughes led them in singing "We Win," and "Onward Christian Soldiers." David Riggs stressed evangelism; testimonies by Jerry Madrid, Ismael Vigil; Simeon Kemp told of ministering to the Blacks; young people shared their zeal in a yell.

West Texas Overseer Hector Ortiz and delegates manifested their zeal by: song by Ron Scotton; testimonies by Armando Sanchez and William Mathews, who organized new churches this year; scene of Jesus raising Lazarus from the dead was enacted by delegates; two songs by Tyner Family; delegates sang state song "God's Desert Rose." The two Overseers and delegates displayed much zeal and enthusiasm.

5:18 Our Responsibility of Preaching the Gospel—message by Juanita Payne. Excerpts: Man cannot do one thing to redeem his soul, but Jesus Christ is still alive and well. People today are seemingly questioning the validity of Jesus Christ. Could it be that we are not manifesting enough of Jesus to let them see there is a reality in the man Jesus? Too many people are trying to add Jesus to their life style. Just because we have been born again doesn't mean that Satan automatically goes out of business. The responsibility of getting this gospel to the world rests heavily upon ministers and laity. We cannot get the message to the world with our abilities, but only through the power and spirit of the Holy Ghost. Mechanical techniques of evangelism will never touch the hearts of the alcoholics, prostitutes or drug addicts. Our success in evangelism cannot be measured by mass crusades, rallies, sensational seminars or conferences; but it can only be evaluated by the evidence of changed lives. We must give the Word of God its legitimate place in evangelism. When the spirit works hand in hand with order, it is beautiful. Colossians 1:29. If we would depend more on God and not ourselves, we could take this world for Jesus. God help us to be sensitive to the Spirit. We have got to do this in the Spirit more and less in ourselves. Mark 16:15, 20. We must stay humble. If we are going to preach the love of God, we better show love. The world is crying for the real goods. If we preach total commitment, we had better be totally committed. I thank God that an abundant life is possible.

## EVENING

6:03 Broadcast Record Club Singers, Thomas Duncan, Communications Business Manager, in charge. Singing by: The Hamm Family; E. L. Jones; trombone solo—Perry Horner; Doug Ward; Deloris Sholar; Eddie Mounce; Ron Scotton; Brisson Trio; Felix Garcia gave information on Outreach and Spanish singers; Esther Jimenez sang; Larry Duncan directed Cleveland (Peerless Rd.), TN Choir.

7:14 Bahama Brass Band Concert.

7:35 Evangelism Program—Elwood Matthews, Director. Verlin Thornton led congregation in singing "Happy Birthday" to Brother Matthews. Congregation joined hands and prayed and sang two choruses.

7:45 Ron Bowe told of Bahama Crusade: We have resources in our area but are not utilizing them. Our crusade was in January. Our National Overseer called workers together and set forth a plan. We organized into groups: Invitation Committee, Altar Workers, Music, Counseling, Transportation, Visitation, and Special Singing. Gifts were distributed nightly to boost attendance; there were prayers every day at noon in thirteen of our local churches. We have too long been having revivals in our churches and only the members show up. To have all the saints revived is not enough. Revival comes from God. There was a day of fasting Saturday preceding the crusade; we advertised widely in newspapers and by radio. Many backslidders came back to God; many were added to The Church of God; hundreds were sanctified. One church took in forty-nine new members. (A sister gave a wonderful testimony of being healed of asthma during the crusade.)

7:59 Nassau Crusade Choir sang "Jesus Saves" as congregation rejoiced.

8:10. Sweep Our Altars—Ron Hamm: 2 Corinthians 3:4-6. The Lord told me He wanted me to be a minister of the New Testament and take the bread and break it in the altar. All they needed was you to open the Word of God and show them what God wanted them to have. During intermission today a man was saved, sanctified and filled with the Holy Ghost. We will have to move into the altar and go down in the trenches where the fight is. You who are content to battle from the desk will never get a medal. If I can wear myself out for Jesus and The Church of God, I will be a worn-out, happy old man. Get down to business for God. Get in the Word, and you will find the answer.

8:20 Outside The Church Building—Mac Donahue: One of the most drastic happenings in Christianity was in the third century when the Church went behind monastery walls and became the Church of Rome. It is the worst thing that can happen when we only go behind closed doors in a skeleton group and worship. The Church was set in order to become an aggressive force. Learn to win souls; then take another and teach him. It was outside that Jesus won most of His converts. (He told of miracles in a visitation ministry—a blind woman healed, a deaf man healed.) A sinner doesn't want to be where conviction is falling, so we must go where they are.

8:32 Elwood Matthews gave recognition to pastors who participated in the Family Reunion Crusade. Offering was received for General Evangelism work as these sang: Debbie and Mikey Jones; Duke and Shirlene Stone and Tim Coalter; David and Diane Hutch. Harrison Price prayed and the congregation joined in. Solo by Roberta Matthews.

9:04 Message by Director. Excerpts: Revelation 3:20. A few weeks ago, I realized that this verse of Scripture is actually talking to the Church. John, while on the Isle of Patmos, exiled, had written to the seven churches in Asia instructing individuals as to what was wrong with them and what they needed to do. Revelation 2:4, 7. The church at Ephesus had left its first love. The church at Smyrna had tribulation, persecution and poverty. The church at Pergamos had allowed worldliness to creep in and were doing things that they should not. The laity ruled the church. The church at Thyatira had

allowed Jezebel to teach and seduce the servants of the Lord, to commit fornication and to eat things offered to idols. The church at Sardis was in actuality dead. The church at Philadelphia kept the Word of the Lord and had not denied His Name. The church at Laodicea was lukewarm and said, "I am rich and increased with goods and have need of nothing." Two of the churches were in good shape with God. Paul said to that church that he had heard of their faith and the love of all saints and they built on the foundation of the apostles and prophets with Jesus Christ the chief cornerstone. Ephesians 3:20. It was to this church he said that there is one body, one spirit, one Lord, one faith, one baptism; that we have been raised up together to sit in heavenly places; be not drunk with wine wherein excess, but be ye filled with the spirit; that he taught the ministry of the churches for the perfecting of saints; taught that Christ would sanctify and cleanse the church by the washing of the water by the Word; this is a great mystery, but I speak concerning Christ and the Church; that He had presented Himself a glorious Church, not having spot or wrinkle; he explained family relationship; put on the whole armour of God. Thirty years from that writing, they had become lukewarm, self-righteous, self-sufficient and didn't know they needed help. There was no Holy Ghost fire at Laodicea and no burning of the Word of God in the bones of the ministry, as Jeremiah said, "It is shut up like a fire in my bones."

Holy Ghost message and interpretation: "I say come unto me, and I will make you fishers of men. Love me, and I will love you back. Be true to me, and I will be true to you. I have spoken unto you. Walk with me, serve me, seek me, and I will not fail thee. My Word is true, believe it and act on it. I shall be with thee. I am with thee."

I have decided that everything I have belongs to Jesus Christ and The Church of God. If people in business can give twelve to sixteen hours a day, what makes me think I can give any less to God and His Church? Some people have decided they are going to fast and pray and dig in with God with whatever is necessary to see a move of the Holy Ghost. We look at our multi-million dollar complex and say that we have the manifold wisdom of God and there is no need for us to do any further searching. Do we imply that we don't need to worry about the gifts of the Spirit that God will take care of that? We need to worry when they are not operating in our services. It is easy for us to let the Holy Ghost have a little right of way; then we take it away from Him and run off with it. (Brother Matthews called his cousin, who was a Baptist and had received the Holy Ghost; the Lord showered His blessings upon His people.)

Thou hast given a banner to them that fear thee that it may be displayed because of the truth. Thy Word is truth. Forty-six years ago, God Almighty accepted this banner of love as the implement, the identification marker of the Church of God. (Brother Matthews gave an altar call. Ron Scotton directed music and singing during the altar service. Altars were made all over the auditorium and many seekers were blessed of God.)

**MONDAY, SEPTEMBER 17****MORNING**

7:30 Sunrise service conducted by Gary Springer and Lewis Maynard; piano music by Betty Hayes; Bahama Brass Band Concert.

8:45 Two songs led by Steve Isaac with Genelle Mounce, pianist and Cheryl Malone, organist. Loyal Washington read James 5:7-11. Prayer by Lionel G. Ochoa.

9:00 An Up to Date and Hustling Pastor—Message by H. L. Martin. Excerpts: Ministers are given for the perfecting of the saints. The pastor after God's heart knows the difference between doctrine and customs, his personal dislikes and unrighteousness and seeks to find God's will for his life. 1 Corinthians 6:19, 20. Paul tells us to follow him as he follows Christ. We have a responsibility to lead people in the deep things of God. The world is searching for leadership. I am glad that Church of God pastors have the message for the last days. The Church of God must be made on the level in the eyes of the world in spite of opposing forces that have come up against her. I may personally dislike some things about individuals; but if I am after God's heart, I will look over man's faults and see his needs. A God-called pastor has a resolution to build The Church of God, which will not allow him to hold his peace. He will always be constant in prayer. John 15:16. The God-called pastor seeks the souls of men to join The Church of God. Isaiah 62:1, 2. God-called pastors are for Zion's sake—not for our interest, but for defending the Word of God. We have something in: our hands, feet, minds and our hearts that money cannot buy, water cannot drown it and fire cannot burn it. Isaiah had such a love for Zion until he could not hold his peace. He is kept busy because of his love for the Master's business. If we are not careful, the devil will allow us to become sympathetic for ourselves and cause us to quit because of the pressures; but for Zion's sake, we will hang in there, money or no money, until victory comes. It is the will of God for The Church of God to be big, but it will take men and women after God's heart; a lot of fasting, praying, knocking on doors and loving the sheep. We have the message that other people are looking for. I have heard it said that the reason our churches are not bigger is because our doctrine is too strong. People are searching for truth. A shepherd will stay with his sheep. I am afraid when danger comes some of us run and leave the sheep.

We have a weekly instruction class. When a person is saved, we get him in a band and teach him before he joins the Church. That is why we don't have many backsliders. God-called pastors are not afraid to preach the Word. I believe in good organization, but the Holy Ghost must direct our programs. When revival comes, we stay until the victory comes. If we build The Church of God, we will let the Holy Ghost have His way, and will not be afraid to preach the will of God. John 21:15. I am not afraid to visit; I work for The Church of God twelve to sixteen hours a day. God-called ministers are not

afraid of knocking on doors nor of doors being slammed in their faces. Isaiah 66:8. The reason many of us are not building The Church of God is because travailing is not going on. Jeremiah 3:15. Pastors who go after God's heart will know when the Church needs revival and are obedient to the teachings of The Church of God and the General Assembly.

9:35 Song by Doug Ward.

### **Report of World Language Secretary**

August 1, 1978 through July 31, 1979

It is truly an honor to have served this year as World Language Secretary. I am filled with gratitude for God's love and my heart overflows with love for all the Church. I am very thankful for your prayers and for the confidence placed in me. To have worked as World Language Secretary has been a joy and a great pleasure.

### **World Literature Outreach**

This year has swiftly passed. It seems like but a very short time ago that we were in the 73rd General Assembly. Vivid in my mind is the manifestation of God's saints. Manifestation in which following the move of God you all gave a great, spontaneous love offering in the amount of \$73,121.38. It was so beautiful to see God's love as it flowed from you during the World Language Department's presentation. The youth felt the responsibility and the V.L.B. Assembly offering which totaled \$31,658.41 swelled the World Literature Outreach Fund to \$104,779.79. Also, during the year many of you sent in by mail gifts for this great Outreach Program \$8,844.14. This gave us a working

capital of \$113,623.66 for this Assembly year. We praise the Lord for your love and concern for others.

This manifestation of love tells me that the Church of God has truly taken the word of Jesus very seriously when He said in Mark 13:10, "And the gospel must first be published among all nations." Our goal is "to translate the Last Days Message into every language." This is our goal and desire.

This year, driven by the force of Christ's desires, we (the Church) have exerted all possible efforts to fulfill and convert our duty in reality. Our outreach has taken us into several new languages. This is only the beginning of our plan to "Conquer A Language" with the Last Days Message. Tracts and Sunday School Literature have been top priority this year. We have actually printed tracts and Sunday School Literature in several languages. Of special interest is the fact that this year God enabled us to find a translator in the Chinese language. We are now preparing three tracts: "Plan of Salvation Simplified," "29 Important Bible Truths" and "A Gift For You." We are preparing the same tracts in the Russian language. We shall do greater things in the future by the help and grace of God.

The plan introduced in this 74th General Assembly for the purpose of finding a more permanent and systematic way of supporting this vital work will be a blessing. This plan will give all the Church members the opportunity to give directly to our Literature Outreach Program. Everyone has the opportunity to select a specific purpose for the offering he is giving. It will enable the person to see the effects and results of their gift. As the Church grows in the language that you've selected to contribute to, you'll feel good to know you've given to a worthy cause.

The youth of the Church and the White Wing Publishing House are joined together in a great partnership. God will surely honor these plans which were placed before the Church for the glory of God.

It has been a pleasure to serve the Church in this ministerial capacity. To be associated with such an elite ministerial group such as our Senior Ministers as well as working closely with the active ministry, has been a rewarding experience for me. I have administrated all the Ministerial Aid Department business which has been directed to World Headquarters. This has been done through the direction of the Ministerial Aid Committee. I express appreciation to each committee member as they have contributed greatly to the

advancement of the work of this department.

I represented General Headquarters at several state and national activities, initiated a New Retirement Plan for our ministers in the country of England, and presently working on a Retirement Plan for the country of Canada. I have served the Ministerial Aid Committee, Editorial Committee on Church History, Polity and Doctrine, and the Church of Prophecy Marker Association Committee.

**Ministerial Aid Committee Report**  
August 1, 1978 through July 31, 1979

The Ministerial Aid Committee has held 12 meetings and approved 39 applications for retirement, 18 disability, 6 widows, and 2 lay employees. Total number of applications approved this year was 65. We presently have 215 ministers receiving retirement benefits, 204 receiving disability benefits, 97 widows of deceased ministers. Total number of persons receiving Ministerial Aid is 528. The Ministerial Aid Committee has processed 54 death records and approved death benefits paid to family beneficiaries in the amount of \$43,800.00. The Committee provided 42 Church flags which were presented by the officiating ministers to the deceased minister's family. A Church flag memorial certificate was also sent to these families.

The ministers Tax-Sheltered Retirement Plan presently has 264 participants. Tax-Sheltered premiums received from ministers and employees totaled \$132,402.94. Deferred Compensation paid into individual ministers annuities by World Headquarters totaled \$61,880.62. The Committee presently pays Deferred Compensation from the individual ministers tithes paid to World Headquarters. Deferred Compensation will be paid into an annuity for any licensed minister whose tithes paid to World Headquarters averages \$25.00 per month or more and who has a government approved retirement plan. This means each minister has the option to select the group or company for his retirement plan.

The Ministerial Aid Committee is acutely aware of the financial needs of our worthy ministers. We further recognize these needs are growing in number. It is our prayer that the Ministerial Aid Fund will increase so as to meet the challenge of the legitimate needs of our wonderful ministers who have given their all to follow the Lord.

On the advice of our Church legal counsel, the Church Benefit Association was terminated effective January 1, 1979. All legal documents relative to this subject are a part of our Ministerial Aid Committee record.

Our Group Life Insurance Plan is now being administrated by the insurance company rather than the general Church. Our group rate has been maintained for the benefit of our ministers and members who participate in this

group insurance plan. The Church Benefit Association bank accounts, both checking and savings, have been transferred from the Church Benefit Association to the Ministerial Aid Fund. These totaled \$55,952.04. The Ministerial Aid Committee appreciates the prayerful support of our wonderful ministers and members of the Church of God around the world. We express appreciation to all departments of the Church who share their funds in support of caring for our senior ministers and families.

**Report of Communications Department Business Manager**  
August 1, 1978 through July 31, 1979

With praise, honor and thankfulness to the Father, the Son, and the Holy Ghost for marvelous blessings upon the Communications Department personnel and for wonderful guidance and sustenance in the work during the past year, we offer the following report:

This year has been a time of much fruitful activity in promoting the broadcast work of the Church.

The Voice of Salvation has been broadcast weekly on an average of 325 radio stations. This includes the English, Spanish, French and Greek language programs.

There have been advancements in the Spanish Voice of Salvation work in that a tape duplication facility has been added in our studio at San Juan, Puerto Rico. Spanish Voice of Salvation programs are produced, duplicated and distributed from the San Juan studio.

Support for the Church broadcast ministry has come from Broadcast Distributors, Broadcast Record Club, Majestic Recording Studio, an appropriation of General funds and from contributions.

The support of the work by State and National Overseers and by State and National Communications Directors has been very good, for which we are indeed grateful to the Lord and to the persons involved.

My traveling on behalf of the Communications work has been in several states and in Puerto Rico. I have taught in a Communications Seminar in Cleveland, Tennessee, attended one district convention, one state convention, Audio Engineering Society Convention and the National Religious Broadcasters Conventions. I participated in the Overseers Seminar following the 73rd General Assembly.

I have supervised the department's engineering operations and the work of my office staff, answered correspondence received at my office, operated Broadcast Distributors and the Broadcast Record Club and served on the Communications Committee.

The Church broadcasts are scheduled for weekly radio airing as follows:

### Report of the Communications Minister

August 1, 1978 through July 31, 1979

It has been my privilege to serve the Lord and the Church in this capacity during the past Assembly Year.

I participated in the Post-Assembly Missions Seminar, and Communications Seminars in Salisbury, Maryland, and Madison, Wisconsin, attended the National Religious Broadcasters Convention in Washington, D.C., and served on the Communications Committee.

I represented General Headquarters at the funeral of Bishop Hulbert Bowser in Pennsylvania and at a new church and parsonage dedication in Waynesburg, Kentucky.

The national and state conventions at which I was the Headquarters Representative were: Paraguay, Panama, Montana, Minnesota, and Northern New England.

I served as a teacher in the Manila, Philippines and the Cleveland, Tenn. Bible Training Institutes.

Retreats in which I served as instructor and speaker were: men's retreat in Canada, winter retreats in Missouri and Oregon, Marriage and Family Seminar in Rapid City, S.D. and a couples retreat in Cambridge, Ohio.

I conducted weekend meetings in Summerville, S.C., Roanoke, Va., Gastonia, N.C., and Pearson, Ga.

I want to express my very sincere appreciation to all of those with whom I have worked this year and who have made it possible for me to fulfill my ministry.

My office staff has been of inestimable assistance to me. I thank almighty God whose I am and whom I serve for the opportunity to be a part of the kingdom and the Church in this exciting era of its development.

I am grateful to the Lord who allows us to have the Voice of Salvation broadcast in Mexico, Central America, South America, the Carribean Islands and Europe; and some of the states in USA. The Spanish program is produced, duplicated and distributed from our modern facilities located in San Juan, Puerto Rico.

Our office in the island handles all the correspondence of the program. Thousands of letters have been received, many giving testimonies of God healing them physically and spiritually; each letter is a blessing. The free correspondence course, the Body of Christ, offered through the program has been a blessing to those studying it. This year we distributed 1,221 units of this course. The General Bible Knowledge Course has been a great blessing. We sent 4,328 letters this year, and we received correspondence from around 20 nations.

I was blessed this year by attending the National Religious Broadcasters Convention in Washington, D.C., along with other brethren from the Communications Department.

The duplication and distribution process of tapes has been moved to Puerto Rico, which is a blessing to the work.

I have been in charge of all the business transactions at the office and at the recording studio.

I visited many radio stations to promote the radio work; as result in some cases the program was established. Also kept correspondence with the National Radio Directors.

I thank God because He has been wonderful this year giving us strength to accomplish the work. My gratitude to our Communications Business Manager and the Spanish VOS staff for their cooperation and dedication to the work.

Respectfully submitted,

**World Mission Committee Report**  
August 1, 1978 through July 31, 1979

It has pleased Almighty God to richly bless the work and prosper our efforts again this year. His providential care has been evident in the protection of the lives of our people in war-torn countries, during natural catastrophies, and national disasters. This has been a year of turmoil and distress for several of the nations: Nicaragua has experienced civil war, St. Vincent the eruption of a volcano, Dominica, Dominican Republic and Puerto Rico, Hurricane David, Ghana and El Salvador, political unrest, Rhodesia, internal warfare, and the list goes on. However, through all of this, the Church has continued to grow and develop, with a membership increase in excess of 22,000 for this year. Our prayers and financial support have been with the brethren.

Our efforts in Africa have resulted in the confirmation of organized churches in Mozambique, Tanzania, Kenya and Zaire. We wish to commend Mission Representative, Roy D. Mixon and Brothers Abraham Zande, Charles Onunga, Abraham Mwakasanga, and Kenneth Nyamhuka for their faithful service and untiring efforts which made this advancement possible.

There has been continued financial and economic growth in the countries and this Committee owes a great debt to all Overseers, Pastors and members who so faithfully support our Mission work. From these funds, we are able to provide housing and other vital facilities for the work. The actual increase in Mission offerings from State and National Conventions was 6% up from \$326,232 to \$345,756. World Mission Drive Offerings increased approximately 16.2% from \$351,048 to \$408,131. These figures represent the net amount reaching General Headquarters.

Contributions to our World Harvest Funds remained constant, and are a vital source of help and encouragement to our workers abroad. They are reminded that someone thinks of them and appreciates their work. All funds for special purposes should be mailed directly to the World Harvest Fund, specifying to whom or for what purpose or project the offering is sent.

#### Report of World Mission Secretary

August 1, 1978 through July 31, 1979

"Having therefore obtained help from God, I have continued to this day."

My work this year has consisted of the general administration and management of the World Mission Department, preparation and supervision of the Mission Budget, and the implementation and execution of the policies and decisions of the World Mission Committee. The administration of Mission Homes for Children and the phase-out of Tomlinson Home for Children in Cleveland was also assigned to me and in this capacity, I handled the legal and social affairs which were necessary.

I made 29 visits to 15 nations and 5 states on behalf of the work; preached and taught 100 sermons and lessons, and recorded 38 definite experiences. Immediately after the General Assembly, I coordinated an Orientation and Training Seminar for Overseers serving the nation and assisted with the planning and preparation for the 1979 Youth Mission Teams.

I served on the following Boards and Committees: Youth Mission Board, Tomlinson Home for Children Board of Directors, Bible Training Institute, Ministerial Aid and World Mission Committee.

The cooperation and understanding of the Mission Representatives, Overseers, General Overseer and Headquarter's Appointees and staff has been outstanding. My office staff did a masterful job throughout the year.

It has been a rewarding experience to serve the Lord and His Church.

Following is the statistical report of the nations:

The Church is not set in order, but we do have a mission operating with prospects of organizing a church soon.

**Report of Caribbean Islands Mission Representative**  
September 1, 1978 through August 31, 1979

With profound delight and no less strong humility, I hereby report as follows: The good Lord has enabled me to travel by air, land and sea 62,512 miles; visited 14 different countries making three and four landings to some of them to effect flight landing and connections.

In course of activities forty-seven departures and arrivals, attended conventions in Bahamas, Bermuda, Cayman, Turks and Caicos, Virgin Islands,

Anguilla, Antigua. In Jamaica I attended 8 District conventions, 2 in the Bahamas. Took part in 4 dedicatory services of Church buildings. Dedicated many babies and ordained Bishops and Deacons in several nations.

We have experienced some handicaps and set backs from such as volcanoes, hurricanes, tornadoes, floods, destroying vegetation, cultivation, roads, bridges and causing much damage to buildings and lives in the Caribbean area this year.

In spite of all these, the Lord has been good to us in yielding good steady increase in all of our work. By the grace of God I have preached 169 sermons, conducted 296 prayer meetings, Saved 17, Sanctified 12, filled with Holy Ghost 11, Visited 98 homes.

In the Caribbean Area we have 698 churches, membership of 37,698. Revivals conducted this year 2,100, Sermons preached by the ministry 58,156. Souls saved 7,942; Sanctified 5,376; Baptized with Holy Ghost 2,586; Baptized in water 4,179; Added to the Church 4,599. There were 5 BTI schools with attendance of 1,155. I have written periodical news letters monthly to National/Territorial Overseers in the area and kept up with office work in Jamaica and Caribbean Office.

With love and respect and much gratitude to the General Overseer and World Mission Secretary for their concern and attention, we request your prayers for the area, for the work is great and large, and there is much hinderances, but we are trusting the Almighty God who is at the control of all things.

Respectfully submitted,  
ALVIN S. MOSS, Representative

My work this year has been very rewarding. I have been able to combine some of the work of these two offices in many instances where our military personnel are stationed and we have mission interest, thereby giving attention to both areas of responsibility.

The following places were visited in my work this year: Nations: Australia, Germany, Greece, India, Indonesia, Japan, Korea, New Zealand, Philippines, Taiwan and Thailand. Islands: American Samoa and Guam. Territories: Hong Kong and Singapore. In these visits I attended 5 Conventions, 3 ministers conventions, 2 district conventions, several home prayer meetings, taught in Philippines BTI, and also visited 8 states.

Served as Overseer of Central India. Conducted one National Convention and several training sessions with the ministers in Central India.

On my visits to India, Indonesia, and Korea, I made photographs of our orphanage work and children being cared for, and submitted these to the General Sunday School Secretary for promotional material development.

Miles traveled approximately 150,000 by commercial airlines with over 276 hours of flying time, and more than 5,000 miles surface transportation.

#### REPORT OF SERVICEMEN'S DEPARTMENT

As Servicemen's Representative I visited our military personnel in the United States and several other nations. I attended three retreats and spoke in each of these. I visited and was in worship services with military personnel in Alaska, Hawaii, Washington, Germany, Greece, and Korea.

Our Chaplaincy program presently consists of the following: Capt. Douglas Stephenson and Capt. Guy Lindsey on active duty in the Army, Lt. Daniel Kurbis on active duty in the Navy, Capt. James Garner on active duty in the Air Force, and Capt. James E. Brisson on active duty with the Civil Air Patrol. Robert Hyden has been endorsed for the Army Chaplaincy and Jerry Moates has been endorsed for the National Guard Chaplaincy.

Chaplain, Capt. Raymond Brown, Air Force, left active duty August 31, 1978 and returned to reserve status and replacing him was Capt. James Garner, who entered active duty in October, 1978.

Retreats were conducted at Berchtesgaden, Germany; Kaneohe, Hawaii; Anchorage and Fairbanks, Alaska. These retreats with emphasis on the spiritual life and including some recreational activity proved to be a blessing to those attending.

The Servicemen's Center in Langen, Germany (near Frankfurt) is still operating under the direction of National Overseer, Larry Turner. Those assisting in the operation of this center, along with Brother Turner, are to be highly commended for their work.

The *Servicemen's News* mailing list numbers approximately 712; of these, 534 are individual recipients, the remaining 178 mailed in bundles to pastors and overseers by request for distribution. Served as Editor of *Servicemen's News*.

There have been 12 issues of the *Servicemen's News* published and

approximately 250 packets with 3,000 tracts (12 tracts to each packet) mailed to military families. A regular flow of mail is received and answered through this department. At present we still have approximately 552 addresses on our mailing list.

The Church and its Representative and Ecclesiastical Endorsing Agent is listed with the Department of Defense, the Army, the Navy, the Air Force, the Civil Air Patrol and the Air Force Reserve Chaplaincy program and corresponds with the Chief of Chaplains for each of these branches of service.

My association, fellowship and work with the military families and individuals has been a most rewarding and enjoyable experience. Also, a great spiritual blessing personally. I trust that in a like manner I have been a blessing to them.

BOBBY R. SNOW

### **Questions and Subjects Committee Report**

We, your Questions and Subjects Committee, after much prayer and careful consideration to each matter brought before us, submit the following report.

This Committee wishes to praise God for sustaining our General Overseer throughout the past year. We feel that the zeal and enthusiasm with which he delivered his timely Annual Address was an inspiration to the entire Assembly. May we offer opportunity for a voluntary expression of love and appreciation for our anointed leader by a standing ovation.

### **SECTION 1**

Whereas Bishop Charles I. Mackey has served the General Assembly faithfully for six years as a member of the Questions and Subjects Committee, we wish to extend our sincere appreciation for the dedicated contribution he has made to the Church of God by serving this committee.

### **SECTION 2**

#### **CHURCH BENEFIT ASSOCIATION**

The 54th Annual General Assembly authorized the Ministerial Aid Committee to develop an insurance company which would operate for the purpose of supplementing the Ministerial Aid Fund.

As a result of this action, the Church Benefit Association was developed and functioned until January 1, 1979, at which time the Ministerial Aid Committee, following legal counsel of our Church attorneys, transferred the administrative responsibilities, the collection of premiums, and settlement of claims for persons insured to the home office of the insurance company. This action relieved General Headquarters of a great deal of administrative costs

at no sacrifice of our group insurance rate for our Church families. There will be an annual rebate received from the insurance company which will be placed in the Ministerial Aid Fund.

In view of these administrative adjustments, we recommend that this Assembly officially dissolve the Church Benefit Association.

### SECTION 3

#### MINISTERIAL AID COMMITTEE

The 73rd Annual General Assembly, in accordance with the Ministerial Aid Committee's report, approved the following:

The Committee is aware of the ever pressing need to expand the benefits of the ministerial aid and give consideration to more of our ministers, especially those working in secular fields while pastoring small churches, and State Secretaries who with the present policies set down in the Purposes and General Policies booklet, find it difficult to make the criteria for approved retirement. The Committee requests the permission to upgrade and make changes in the general policies as the need arises.

The Committee has compassionate concern for our worthy ministers who have given so much of themselves for the upbuilding of the Church at a tremendous sacrifice of themselves and their families, not expecting a financial reward—their reward has been the satisfaction of knowing they were doing the will of God in their ministry.

We, therefore, recommend that the Executive Committee, with the assistance of the Ministerial Aid Committee, be authorized to make necessary adjustments of the general policies of the Ministerial Aid Department with a spirit of compassionate concern for our ministers who become disabled or retire, as well as widows of ministers.

We refer this matter to the Ways and Means Committee for further consideration.

### SECTION 4

#### SPIRITUAL GIFTS

In regard to the operation of the gifts of the Spirit, we recommend that this Assembly reaffirm the Church's position on the important Bible truth concerning the "Full Restoration of the Gifts of the Church."

It is our understanding that God placed the spiritual gifts in the Church to operate through individual members by His Spirit as He wills. However (we understand that) the Church is not to be judgmental regarding the working of the Holy Ghost outside the Church.

### SECTION 5

#### MEMBERSHIP BY COVENANT

Due to the common belief of the denominational structure in the world today that one becomes a member of the Body of Christ when he is born again,

we recommend that this Assembly reaffirm the Church's position that one becomes a member of the Body of Christ by covenant when administered by the proper authority and not by a born-again experience.

For reaffirmation we call attention to the following quote:

QUESTION: "Who are members of the Church? Explain that people are not members simply because they are converted, sanctified and filled with the Holy Ghost."

ANSWER: "To say that every Christian is a member of the Church of God is a delusion. They are not members until they accept God's covenant, and the government of Jesus and are received into fellowship by covenant."

MINUTES of 8th Assembly, 1913, page 13. New Cyclopedic Index, page 337.

## SECTION 6

### APPOINTMENT OF STATE WORKERS

The Questions and Subjects Committee in the 66th Annual Assembly, 1971, p. 142, recommended that the time of appointment of the State Secretaries be changed to the Ministers Convention.

We recommend this be changed to read as follows: that the National and State Secretaries and other workers be appointed at the State or National Convention along with the pastors to serve that convention year. However, we understand that where necessity would demand a change, the Overseer would be acting within the bounds of his authority to effect such a change.

## SECTION 7

### APPOINTMENT OF LOCAL CHURCH LEADERS

It is recommended in the 73rd General Assembly, 1978 that the local church clerk and treasurer is to be appointed by the pastor at the same time as the other local leaders and officers any time at the pastor's discretion during the first month of his new pastoral year. Said appointments to be ratified in the following quarterly conference.

We recommend this be changed to read as follows:

The local church clerk and treasurer and other local church leaders are to be appointed by the pastor during the first two months of his new pastoral year.

We further urge that care be taken by the pastor to see that a careful record is made by the church clerk of this action. The date of the appointments along with names of each leader should be recorded in the following conference as a matter of good business.

## SECTION 8

### COMMITTEE PROCEDURE

Whereas this committee endeavors to carefully answer questions submitted for consideration, we recommend the following procedure:

That all correspondence and proposals be submitted to the Questions and

Subjects Committee with necessary detailed information along with one's signature and return address. The Committee does not recognize questions or subjects submitted without a signature.

In view of the fact that many questions arising on a local level may have been answered by the Assembly, that ministers and members are advised to first seek wise counsel from the one directly over them in the Lord regarding questions and subjects before writing or submitting them to this committee.

However, if one cannot receive a satisfactory answer to questions on a local or state level, he should not feel uncomfortable in writing or approaching the Questions and Subjects Committee.

While the Assembly is in session the proper procedure for presenting questions and subjects be observed by first requesting a hearing before the Counseling Committee.

## CONCLUSION

All subjects submitted to this committee have been prayerfully considered, some of which we feel deserve further consideration before presenting them to the Assembly. Also, letters have been written to individuals regarding questions we did not feel necessary to bring before the Assembly.

The Committee expresses its appreciation to all of our people who have prayed for our deliberation.

## Report of Counseling Committee

We met in 5 counseling sessions and spent several hours counseling with a number of people coming before this Committee.

We appreciate the adequate facilities provided for the Committee's meetings, also, waiting room for those seeking counsel.

All parties presenting subjects to this Committee have been counseled with and the subjects have been prayerfully considered, and some of which we felt deserved further consideration before being presented to the Assembly or other assembly committees. Other subjects which we felt would be a blessing to the entire body have been passed on to the Committees to be disposed of at their discretion.

We wish to commend all those who came before this Committee for the good spirit manifested. We found a great concern among the ministry, a great love for the Church of God and Its teachings, and a strong desire to

promote the doctrine of the Church instead of ideas and opinions.

It should be of interest to the Assembly to know that the Editorial Committee on Doctrine is a standing committee throughout the year and may be contacted any time on doctrinal questions not clearly understood.

It has been my happy privilege to be involved yet another year in the work of the Sunday school ministries. It has been both a challenging and rewarding experience. I have considered it a joy to have served again this year in the capacity of General Sunday School Secretary. However, any growth spiritually or numerically that we have seen during this year is due to your continuing support of the many Sunday school activities.

I have, by the help of the Lord, attended and participated in the following:

1 Ministers Convention

11 State or Area Sunday School

Training Sessions  
1 Youth Camp

1 Provincial Convention  
2 State Conventions

I attended the Greater Minneapolis Christian Education Convention and helped prepare for a booth in the exhibit area. I attended and taught two workshops in the International Christian Education Association Convention in Detroit, Michigan.

I prepared for and participated in three Christian Workers Conferences. These were co-sponsored by the Sunday School and Victory Leaders Departments.

I taught in the Cleveland Bible Training Institute. During this time I arranged for a Vacation Bible School and Children's Church Clinic.

It was again my privilege to be a part of the International Youth Camp staff.

It has been possible with the assistance of the department personnel and the personnel of the White Wing Press to prepare the following:

1979 Rally Day Material (Come LET US . . . Share With You)

1980 Outreach Campaign Material (You're Invited to . . . Try Jesus)

1979-80 Sunday School Planning Guide and Calendar

Christian Workers Conference Brochure

Helps & Hints for Sunday School Secretaries

The Sunday School Department sponsored through proclamation of the General Overseer and General Sunday School Secretary a Sunday School Worker Appreciation Sunday on July 8, 1979.

We have added two additional pieces of administrative literature for the Sunday school superintendent.

During this Assembly year the Sunday School Department has authorized a reprint of the **Called to Teach** book with appropriate illustrations being added.

It has been possible with the assistance of the World Language Department to provide additional administrative materials in both the French and Spanish languages. We have made Rally Day and Outreach Campaign materials available in Spanish. The guide for both of these activities has been prepared in French for the first time. We supplied a report book this year in the French language.

I planned and prepared materials for two Sunday school issues of *The White Wing Messenger* and the quarterly Sunday school publication, "Helps & Hints."

It was my privilege to serve on the World Mission Committee. I was delegated the responsibility of supervising the stamp and coupon program. I appreciate greatly your response to this and I offer the following report in connection with this work:

Merchandise on hand . . . \$1,478.50

Merchandise distributed to

I have written to the state and national secretaries, camp directors, and Overseers monthly and answered all the daily correspondence, including the

correspondence for World Mission Corps and Youth Mission Teams.

I was editor for the monthly youth publication, **The Victory Leader** which appears in *The White Wing Messenger*. With the assistance of my staff, we have compiled and published the **State and National Secretary's Job Description, The Planbook** for the local youth director, and revised the **Victory Leaders Handbook**. My appreciation goes to Darlene Bell for aiding in the design of the **New Birth Certificate** for Gleaners and also Terry Lineberry for his contribution of **Help I Have Been Appointed Youth Director**. A lesson for the local youth director, **Ministries of the Victory Leaders Band**, has also been revised.

I arranged for the series of camp lessons and planned and directed the 16th International Youth Camp.

I conducted three revivals, represented and taught at the International Society of Christian Endeavor in Hawaii and was the evangelist for the Youth Mission Team to the Philippines.

In conjunction with the Sunday School Departments, I planned, conducted and taught in 3 Christian Workers Conferences.

This department prepared and supplied materials for International Youth Week (English and Spanish).

I assisted with Youth Mission Team planning and orientation. I served on the B.T.I. staff for the Cleveland school.

I served on the Church Publishing Committee, Music Committee and as secretary for the Youth Mission Board.

I appreciate the faithful support of each local, state/national Victory Leaders director, all camp directors, Gleaner leaders, pastors, Overseers, and my office staff.

I am happy to report this has been another great year. In many aspects it has far exceeded last year. The over all spirituality of the ladies has been at an all time high. Helping Hand Ministry has received a great response this year. The state convention offering which stayed in the one million dollar bracket and showed an increase is much for which to be thankful.

The office has compiled and printed a new brochure "Sowing the Seed" which is a boost for Home Bible Study. We have revised "Around the World With Missions" which is the informative booklet concerning our mission fields. We have also revamped and reprinted the Officer's Training Booklet and revised the State Secretaries' Handbook. We have compiled and printed the new Crusade Booklet as well as the World Day of Prayer manual.

I have corresponded with the state and national secretaries on a regular basis. I have also corresponded with the National Overseers in regard to their needs which are printed in the new Helping Hand Ministry brochure.

I served on the Youth Mission Board and assisted with the Orientation of the Youth Mission Teams.

I taught in the Couples' Retreat in Puerto Rico and also attended a W.M.B. Convention while there. I served as guest speaker for the Mississippi Ladies' Day, for Germany's retreat and at an Auxiliary Rally in Canada.

I had the privilege of directing eleven Regional Ladies Retreats.

I want to express my thanks to God for what He is doing in the lives of not only our Church women, but others in retreats and in the "Ladies Day" activities planned by the states. Approximately 2,000 women attended the retreats this year.

Through the courtesy of the General B.T.I. Superintendent and his staff, I was privileged to teach in Bible Training Institute both in Cleveland and in the West Coast schools.

To God be the glory for all that has been done in this department for missions this year. The work of the state/national secretaries, the fine cooperation of the Overseers, the tours, the rallies, the W.M.B. Conventions, all have contributed to a Great year.

### **Report of Tomlinson College President and Church Pilot**

August 1, 1978 through July 31, 1979

I thank the Lord for the opportunity to serve as the president of our church college. It has been a great pleasure to work in this capacity and to serve as church pilot.

As the chief administrator of our college I have prayerfully exercised authority to fulfill my responsibilities. With God's help I have applied my best judgment in the restructuring of the administrative organization and in the setting of internal operating policies, procedures and rules in full compliance with the rulings of the General Assembly, policies of the trustees, and federal and state laws and regulations and all other applicable regulations designed to govern the college's operation. The college embraces and wholly supports all rulings of the Assembly, church doctrine, teachings, and advice to members. As an integral function of the Church, the primary purpose of the college is to complement the Church and to assist the Church in fulfilling its mission.

The master plan unanimously approved by the 73rd General Assembly to expand the facilities is well under way. The new dormitory and library should be completed and ready for use by the spring semester. The former orphanage building (nearest the main entrance to the college) has been completely remodeled and now houses the administrative offices. The relocating of the administrative offices provided additional space in the main classroom building for the faculty and direct student services.

Paved parking areas at the student center and classroom building have been enlarged. A new improved main water system and a sanitation drain system have been installed. This has eliminated the problems with low water pressure and the disposing of waste. We appreciate the fine support of the General Properties Committee and the General Properties maintenance in all of these projects.

There has been some concern in regards to the city airport and college property. The present airport runway extends into the college property, and any misdirected use or development could seriously influence the campus

environment and interfere with future plans. On August 2, 1978, and again on June 1, 1979, letters were written to the mayor expressing our grave concern over the disposition of or future development of the airport property. We received a response on June 7, 1979, that our concerns were understood by each of the city commissioners and will be given careful consideration. All actions in relation to this matter will be closely monitored, and all possible measures will be taken to guard the college's interest.

We have worked diligently toward accreditation by the Commission on Colleges, Southern Association of Colleges and Schools. Standards have been met and application completed to the satisfaction of the commission. I am pleased to report that a candidate committee has been officially appointed. They are scheduled to visit the college October 10-13, 1979. We thank the Lord for this action, which is a positive forward move to be accredited.

This year was undoubtedly the greatest all-around year in the history of the college. We had a graduating class of 87 and an enrollment of 275. We estimate approximately 100 graduates next year and have processed applications for around 300 students. Again many applications were not processed because of the limited facilities; however, by the spring semester we should be able to accommodate 350 students.

I wish to extend my thanks to the entire Church for their tremendous support to the college, and I along with you praise God for allowing us to have a Church of God college. I also wish to express my sincerest appreciation to my entire staff and faculty for their unquestionable dedication, faithfulness, and cooperation throughout this year.

I attended five state, three national, and two ministers conventions.

As the Church pilot I supervised the upkeep and maintenance on the airplane. It was kept in an excellent airworthiness condition at all times.

In April, I was privileged to fly the General Overseer, his wife, and Elva Howard to the national conventions in Haiti and Jamaica. In June I flew the General Overseer and his wife to the Dominican Republic and to the national convention in St. Thomas, U.S. Virgin Islands. I flew the General Overseer to the West Virginia and Ohio state conventions and on other various trips at his request.

I also flew other General Appointees on church-related flights, assisting them in their work and transportation needs.

Respectfully submitted,  
EMERSON HALL

#### **Report of the Tomlinson College Board of Trustees**

August 1, 1978 through July 31, 1979

1) This fall's enrollment of 297 students marks the fifth consecutive record-breaking semester for Tomlinson College. We believe this trend is only one

indicator of God's favor and the Church's increasing interest. We thank God for each student.

2) This Board appreciates the support for and interest in Tomlinson College which has been shown by the general Church body and the Church leadership. Specifically, the approval of the College's master plan by the Seventy-third General Assembly is very gratifying. We thank the Lord for the leadership and extraordinary efforts of President Hall in preparing that plan and in achieving excellent progress to date toward its full implementation. The anticipated completion of a new dormitory and library during this semester together with other campus improvements are illustrative of that progress.

3) Based on reports given to us by President Hall, we are pleased that a major milestone in the accreditation process seems within reach. The College has met the necessary standards to merit an initial visit by a Candidate Committee appointed by the Southern Association of Colleges and Schools. The three-day visit to the campus is planned for October.

4) This Board has been made increasingly aware that because of individual financial difficulties, many students or potential students of Tomlinson College are prevented from finishing their first two years of college work with us. We consider many of these situations to be needless and tragic losses. A time-honored way of alleviating these kinds of needs has been scholarships or grants-in-aid made available to students having appropriate need and scholastic ability. Tomlinson College needs to expand the amounts and types of scholarship funds which can be provided. Therefore, we urge individuals, local churches, and state and national church offices to pray about this need. Then, if it seems good to you, contact the President of the College for details of how you can help.

5) We commend the devotion and diligence of the entire staff and faculty of Tomlinson College. Surely only God can take the measure of it.

6) Our outgoing board member this year has had a unique dual role for the last three years. The remaining members of this Board believe he deserves double honor in keeping with the scriptural directive to "give honor unto whom honor is due." We thank God that He has blessed Tomlinson College with Emerson Hall.

I attended watch night service in Douglasville, Georgia, preached at home-coming in East Point, Georgia.

I have written many letters to State and National Secretaries, and State and National Overseers boosting the work and keeping them up to date on the C.P.M.A. membership as well.

I have conducted rallies in Hawaii, Alaska, Georgia and Tennessee, was in charge of June 13th program on Mt. Hittin, boosted the C.P.M.A. work in Israel, visited the areas where we have markers there and also went to Bethel looking over property again to see the possibilities for a marker there.

We have built a new marker on Central Avenue marking the area of our World Headquarters, White Wing Publishing House and Press and the Assembly Tabernacle, which were located there for many years.

Much work has been done in Fields of the Wood this year. We have completely rebuilt the Tomb with several changes; was in charge of the Thanks-giving Program and the Easter Pageant in Fields of the Wood and it was a real good year in Fields of the Wood. More tourists seem to come each year.

Respectfully submitted,  
CHARLES S. PENNINGTON

Addition:

On Thursday, September 13, I made a trip to Murphy, N.C. where I had the privilege to purchase the Jim Bryant property adjoining the east side of the entrance to the Fields of the Wood. The deed was made and recorded at the Cherokee County tax office to The Church of Prophecy Holding Association, Cleveland, Tennessee. We feel this is another great step in our planning for more parking area especially for the Easter and the pre-Assembly days. Furthermore, we feel this will add to the beauty and attraction of Fields of the Wood.

I prayed for the sick, requests, and anointed handkerchiefs during the 73rd General Assembly in the northeast conference room. Conducted one revival. Dedicated two babies to the Lord. Conducted the Lord's Supper and Feet Washing. Met with, and served on the Editorial Committee on Church History, Polity, and Doctrine.

I coordinated my efforts with the General Superintendent, Representative, office secretaries to fulfill my obligations as Bible Training Institute Representative in Bible Training Institute Department.

The blessings of God have been with the Church and as a result, Bible Training Institute has been a blessing and source of strength to many people this year. I appreciate the General Overseer, General Superintendent, Bible Training Institute Representative, office personnel in the department, people on the field, my wife and family for helping me in many ways to serve the Church as Representative for Bible Training Institute. I have enjoyed my work very much.

Respectfully submitted,  
BENJAMIN LAWRENCE

**Church Boosters Committee Report**

**GENERAL HEADQUARTERS PROPERTY**

It is such a Chrisitan thrill to see the continuation of the zeal of people directed to the upgrading of our General Headquarters Properties. The Lord must be proud of His Body. The General Property dollars just keep coming in. You will be rewarded, and you are to be greatly commended for the beautiful edifices you have provided God's world Headquarters here on earth.

**AUXILIARIES**

The auxiliaries: Sunday School, Womens Missionary Band, Victory Leaders, Assembly Band Movement, Church of Prophecy Marker Association are proven helps in the Church. Each pastor and auxiliary leader who operates these auxiliaries as promoted by the General Assembly is highly commended by this Committee. When these helps are properly organized and operating, the Church has prospered both spiritually and financially; therefore, it would be good to cause all the membership to know the spirit and purpose of each auxiliary.

**MINISTERIAL AID DEPARTMENT**

The ministry was given to the Church by Christ who is the Head of the

Church. "And he gave some, apostles; and some; prophets and some evangelists; and some, pastors and teachers; for the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ."

We stand in awe of the dedication, sacrifice and effectiveness of the ministry of the apostles and prophets. The ministry of the early Church affected the known world with the message of the Church of God. Yes, we applaud these ambassadors of Christ who gave all to follow the Lord in fulfilling their ministry.

Yet this Committee sees a Church of God ministry this side the Dark Ages rising from obscurity in the fulfillment of Isaiah 60:1: "Arise, Shine; for thy light is come, and the glory of the Lord is risen upon thee." From that small light of prophecy fulfilled on June 13, 1903, to this 74th General Assembly, there have been many pastors, evangelists, and teachers who have sacrificed all to carry this last days message of the Church of God to the ends of the earth. Yes, these ministers join the ranks of the great men and women of the Old and New Testaments and stand head and shoulders along side of the total ministry given by Christ to the Church. The Church today has a firm foundation and a clear doctrinal revelation because of the dedication and consecration of our senior ministers who have been and continue to be of great value for the ongoing of the last days Church of God. We salute our Church of God senior ministers.

### THE WHITE WING MESSENGER

*The White Wing Messenger* has been the official organ of the Church since 1923. It is indispensable to communication within the Church around the world.

The staff is to be commended for their efforts in making the format of interest to all and feel this is being expressed through increased interest by the readers.

Each member is encouraged to subscribe to *The White Wing Messenger* in order to keep abreast of the activities of the Church. Also, your soul will be enriched as you read in each issue various messages as well as personal testimonies. The small cost per issue is far offset by the value received in spiritual strength.

### TOMLINSON COLLEGE

We thank God for an enrollment of 297. This is the highest ever for the college.

The master plan approved by the Assembly last year to expand the facilities is well underway. The new dormitory will be completed by January, 1980. The new library construction has just begun, and it should be completed by January, 1980. The funding programs for the library fell considerably short of the amount needed. We encourage the membership to continue to send contributions to the college for this cause. The support by the general membership is greatly appreciated.

Many applications were unprocessed this year because of the limited facilities. The completion of the new dormitory will relieve this some; and as the master plan progresses, we will be able to enroll more students.

A point of interest: the college has taken definite steps to be positively identified with the Church. All of our printed material identifies it with the Church.

### EVANGELISM

Evangelism is too vital to the progress of the Church to be neglected. The formula for success: "When Zion travails"—is the same. The methods may have to be altered to meet the circumstances.

We wish to encourage total mobilization to the entire Church. The 65th General Assembly in 1970 recommended that a General Director be appointed to promote this work in much the same way that other departments are set up. We your Boosters Committee wish to encourage full implementation of this recommendation throughout the Church. Not only must the entire ministry be active in evangelism, but personal evangelism should be included in every member's life.

### RESOLUTION

Since it is a fact that Bishop Homer Rye served on this Committee for several years,

Therefore, be it resolved that the Committee feels that we should give to him an applause of respect for this faithful service.

### OUTREACH AND CHURCH GROWTH

We your Booster's Committee wish to join our General Overseer in promoting an all-out effort for OUTREACH AND CHURCH GROWTH! Our number one priority is still REACHING PEOPLE. We encourage everyone to get involved. Too many of our members are only spectators in the drama of Church Growth and Outreach. GOD GIVE US PARTICIPATORS! Our goal is to saturate every nation, state and community with this glorious gospel. A booklet is being prepared by the Evangelism Department that provides helpful guidelines for outreach. We encourage every pastor to make use of these materials. In his annual address on Friday, our General Overseer stated: "We want to leave here with a greater zeal to get the work done." We say, "AMEN," to his zealous admonition. May we all catch this same EVANGELISTIC FERVOR and REACH OUT AND GROW!

### S O F T Y—SAVE OUR FAMILIES THIS YEAR

We enthusiastically endorse the plan presented by the Department of Evangelism called SOFTY—SAVE OUR FAMILIES THIS YEAR! What a tragedy it would be to SUCCEED in winning others to Christ but fail at winning our own family. We can readily see that the home and the family are in serious trouble. The devil has turned every gun in his arsenal in the di-

rection of the home, but our families can be saved! Let us join Brother Matthews in the SOFTY Campaign and Save our Families This Year!

### **Ways and Means Committee Report**

#### **SECTION 1**

Accolade

"The Lord reigneth; let the people tremble: he sitteth between the cherubims; let the earth be moved. The Lord is great in Zion; and he is high above all the people. Let them praise thy great and terrible name; for it is holy" (Psalm 99:1-3).

We give thanks again to our Lord for this great spirit-filled Assembly. All themes, interwoven, emphasized holiness, righteousness and exaltation of Christ, the King; for the Lord is great in the Church of God.

We are thankful for the operation of the government of the Church, our annointed General Overseer and all of our faithful ministers and members in the Church throughout the world.

We want to encourage every member to be faithful before the Lord. He is coming to judge the earth. He will judge this world with righteousness and the people equally.

We commend you for faithfully contributing to the General Properties Fund and we wish to encourage all to contribute to the General Properties Fund.

#### **SECTION 2**

Since there is an annual increase of Ministerial recipients, we recommend that if additional funds are needed for this department that the source and the amount of funds be left to the discretion of the Executive Committee and the Ministerial Aid Committee.

#### **SECTION 3**

We recommend that the sum of \$200.00 received each month by the General Appointees and the State Overseer, which has been designated for rent and utilities, for income tax purposes only, and involving no extra allotment, be increased to \$300.00, where feasible.

This is also applicable to pastors and full-time Evangelists and where feasible the amount may be increased by the local church conference to the amount allowable by the Internal Revenue Department.

## SECTION 4

In compliance with regulations of the Internal Revenue Department, we recommend that no receipts be given to individuals who do not pay tithes or make their contributions to the Church Treasury.

It is not permissible to give receipts to individuals who make contributions to individuals for income tax purposes. For instance, if a non-member desires to make a contribution to a minister, the minister should explain the reason why he cannot give a receipt for income tax purposes.

The Revenue Department recognizes the receipt for contributions from the Institution and not the individual.

It has already been approved by the General Assembly (Assembly Minutes—28th Assembly 1933, Page 49) “. . . that tithes are not to be paid to an individual but to the Church Treasury only.”

## SECTION 5

Paragraph 4 of Section 8, 73rd Annual Assembly Minutes pertaining to Surplus Tithes reads:

Disbursements of the 60% that is left in the local church to be used at the discretion of the Pastor and local church Committee, and approved by the local church conference. This should be changed to read as follows:

Disbursements of the 60% of the Surplus Tithes left in the local church should be presented by the local Committee as a proposed budget plan for approval by the local church conference.

There seems to be some misunderstanding about the local church conference approving the disbursement of Surplus Tithes as some think that this means to ratify. Others think it means to accept or reject. To ratify means that the local church has been informed by the Committee of their decisions and accept it without any change.

For the local church conference to approve the decisions of the Committee, means that the local church has been informed and has opportunity to consider it.

If the local church is informed during the conference and has opportunity to approve by accepting the proposed plans of the disbursements of Surplus Tithes presented by the Committee before the Surplus Tithes are spent, then this protects the pastor, the Committee and the local church.

If the local church does not approve the proposed disbursement report, it is a simple matter of re-arranging the report until it is approved.

The General Assembly has authorized that “First consideration be given to the Pastor’s Expense,” when disbursing Surplus Tithes.

The amount of Surplus Tithes proposed for the Pastor’s Expense should be determined through love, unity of the Spirit and obligations of the Committee and the local church conference.

If any difficulties arise, the Committee and local church should always refer to Paragraphs 4 and 5 of the Business Meeting Advice recorded in the Assembly Minutes and Church Business Guide.

## SECTION 6

With reference to all other sections of the Ways and Means Committee Report printed in the Minutes of the 73rd General Assembly, we recommend that these be carried over this year, with corrected Ammendments and be included in this report.

We feel more prayer and consideration should be given to all other matters brought to the attention of this Committee and we ask you for your patience and prayers while we search God's will for an answer.

## SECTION 3 (1978)

What is surplus tithes in the local church? Surplus tithes in the local church is that amount of tithes, left after 10% has been sent to General Treasurer, 10% to State or National Treasurer and the monthly allotment to the Pastor.

This accrument of surplus tithes each month in the tithing fund of the local church is not to be used but left in the treasury until the last Sunday in June. In other words, only the 10% of the tithes that goes to the General Treasurer and the 10% that goes to the State and National Treasurer and the Pastor's allotment is to be disbursed monthly from the tithe fund of the local church. After the last Sunday in June, the accrued surplus tithes are to be disbursed as follows: 10% to General Headquarters; 30% to State or National Headquarters; 60% to local church.

## SECTION 4 (1978)

The Assembly has recommended that 10% of State and National Convention Offerings and Assembly Offerings of the Mission Homes for Children Fund be sent to General Headquarters for the General Property Fund and 40% to Tomlinson College.

## SECTION 5 (1978)

We recommend that the General Properties Fund be continued and that each local church raise or collect one dollar (\$1.00) per member, (where the dollar is not the monetary system, the amount is to be set by the World Mission Committee according to the economic and monetary condition) and that these funds be collected at the beginning of the Assembly year with the last Sunday of December being a Rally Day to finalize the collecting of these funds. This General Properties Fund money should be mailed to the General Treasurer or General Field Office, immediately after the last Sunday of December.

We recommend that after the mortgage of the General Headquarters Building is paid that the General Properties Dollar Fund be applied to the construction of Tomlinson College Buildings.

## SECTION 6 (1978)

Due to the ever increasing cost of material and postage being experienced or realized by the Publishing House in printing and mailing *The White Wing*

*Messenger* to its subscribers, we recommend that the subscription rate be increased to \$5.00 cash, or \$5.50 charge, per year.

We also recommend that the multi-year subscription rate be left to the discretion of the Church Publishing Committee and that Section 13 of 72nd Assembly subscription rate be changed to conform to the new rate increase.

#### SECTION 7 (1978)

Since the Church is world-wide, there should be no difference shown between an Overseer outside the United States who is a member of the presbytery and one in the United States and that all Overseers come under the tithe system reporting the amount of tithes received from his churches to the General Overseer on the special report form and when necessary, the allotment be supplemented from the general tithes of each respective country.

Where there is not sufficient tithes to cover the allotments, we then recommend that the remaining portion be supplied by making transfers of Tithe Funds between countries where this is legally permissible and from the U.S. Tithe Funds, in other cases, if funds are available and that each Overseer should receive an allotment in the currency of the country or the territory he represents according to the average prevailing wage rates of each country.

We further recommend that the World Mission Department prepare a notice of this amount in the native currency of each country and forward same to the National Overseer for the information of the pastors.

#### SECTION 9 (1978)

We recommend that since there is a special employee benefit under section 101 (b) of the I.R.S. (Internal Revenue Service) code which provides, up to \$5,000.00 may be paid to an employee's beneficiary as a death benefit and is free from income tax.

We recommend that when a State Overseer, pastor, General Appointee, or other appointed workers has any allotment due his beneficiary, at his death, that an amount up to the allowable exclusion be considered to be a death benefit. This is not to be additional compensation, but is intended only to take advantage of an income tax break for the beneficiary.

#### SECTION 2 (1977)

We recommend that \$100.00 be contributed from the general funds for each \$100.00 contributed from the state funds for the purpose of opening up new fields, and that the amount for any one state be limited to \$1,000.00, with special consideration given to not self-supporting states for additional help. In case a state has no funds for this purpose and desires help from General Headquarters to open a new field, the General Overseer and the General Treasurer may use their discretion in assisting in such cases.

That the larger states not request the fund unless it is especially needed and that special consideration be given to the states with less than 500 members by increasing the contribution \$1,500.00 and \$2,000.00 to states with 300 members or less if funds are available.

## SECTION 5 (1977)

Since the Communications Department has been receiving an annual allotment from Free Literature funds and since the General Assembly Free Literature offering is now being used for translation and printing, we recommend that this annual Communications Department allotment be paid from the General Funds, and the allotment be \$16,000.00 for this next Assembly year.

## SECTION 6 (1977)

We wish to commend the Ministerial Aid Committee on its Retirement Plan. Its limitations are due primarily to insufficient income to provide incentive to those entering the plan. Therefore, we recommend that a percentage of tithes paid by the ministers entering the plan be applied to the individual Minister's Retirement Plan and paid to the Ministerial Aid Fund, and that this percentage be determined at the discretion of the Executive Committee and the Ministerial Aid Committee.

## SECTION 7 (1977)

That sufficient amounts of the General funds be used to pay for new translations and the first printing of each in order for the demands to be met more quickly. Those that are most urgent can be printed first. The amount due determined at the discretion of the Executive Committee and the Church Publishing Committee.

## SECTION 8 (1977)

With reference to Section 11 of the Questions and Subjects Report concerning the service of emissaries, selected by the General Overseer for special service when the need arises, we recommend that their expenses plus remuneration for their services be left to the discretion of the Executive Committee.

## SECTION 2 (1978)

(Section 10, 1977; Section 1, 1974)

Amended in 1979 Section 5. See page 150.

## SECTION 2 (1975)

The Assembly recommends that the State Overseer and the state finance and appropriations committee give earnest consideration to pastors of our smaller churches, thereby working out a plan for their substantial assistance. Commendations are extended to those states whose overseers and finance and appropriations committees are using state funds to help weak churches, needy pastors, and new fields.

This committee has given serious thought, consideration, and time to the problems confronting those ministering to our smaller churches. We realize that, without the sacrifices made by these ministers, there would be no larger churches. We do appreciate those who lay the foundation, and recommend

that portion of surplus tithes received by the state or country from the local churches as of the last Sunday in June each year to be used only for the support of those ministering to non-supporting churches or missions, including pastors, evangelists, and/or others appointed by the Overseer.

This committee is in profound concern and sympathy with the operation of our local churches and the heavy financial responsibilities which they face. With reference to this knowledge, we refer to the financial system as recorded in the Assembly Minutes which says, "The tithes are for the support of the ministry only."

This Committee wishes to draw your attention to the fact that it does not say of ministers only; rather, of the ministry only. Ministry is defined as the office, duties or functions of a minister; the building in which the business of a ministry is transacted; thus, the ministry includes any and all phases of the Church ministry, such as church property, equipment, maintenance, etc.

#### SECTION 8 (1973)

Some have experienced difficulties when filing their income tax form pertaining to the subject of contributions. The difficulty has been experienced when checks have been made payable to individuals rather than to the Church of God of Prophecy. Therefore, we recommend in the future that all checks, such as tithing, contributions, etc., be made payable to the Church of God of Prophecy.

Also, that the General Church account carry the logo, "Church of God of Prophecy, General Treasurer's Account."

#### SECTION 9 (1976)

Since the mission of the Church is world-wide, we recommend that the words "Field Office, National Overseer or Treasurer" be included where necessary or applicable and also, where the dollar is not the monetary system that it be left to the discretion of the World Mission Committee to set that amount according to the economic and monetary system of that particular country.

#### SECTION 10 (1976)

(Section 15, 1977)

We would both invite and encourage any or all individuals to make voluntary personal contributions to the Church of God of Prophecy General Properties Fund.

The Assembly recommends that, if there should be any deficit occurring in the General Properties Fund in making the monthly payments, such deficit be paid from the General Fund.

#### SECTION 16 (1977)

1. The Assembly recommends that the Executive Committee be authorized to adjust the allotments for pastors, State Overseers, and General Workers

from year to year, based on the previous year's cost of living index.

2. The Assembly recommends that the allotment of the General Overseer and that the question of pay for incidental expenses plus any and all personal necessities be left to the discretion of the Executive Committee.

3. The Assembly recommends that 10 per cent of the tithes received each month by the local church treasurer be sent with his report to the General Treasurer, and that the same amount be sent to the state or national treasurer along with the fourth Sunday offering. In view of the fact that the pastors are paid by the local church treasurer and the General Workers are paid by the General Treasurer, it seems logical and consistent to have the State or National Overseer paid by the state or national treasurer.

The Assembly recommends that all local church treasurers mail their reports to the state or national treasurer no later than the 5th of each month, and from these funds received, the State and National Overseer would receive his allotment and expenses (if funds are available) according to the rulings of the General Assembly. Where this is not feasible for countries outside the U.S.A., that this matter be left to the discretion of the World Mission Committee.

4. Since the Assembly has left the decision to the Executive Committee to determine the incidental expense incurred by the General Workers, and inasmuch as there is a set amount by the government for an executive worker to receive, we recommend that this matter be left to the Executive Committee to act as circumstances may necessitate.

5. Whereas, by an act of the Assembly, the Radio Department has been changed and now is referred to as the Communications Department, we recommend that, when it is feasible to produce television programs, the matter of finance be left to the discretion of the Executive Committee.

6. The Assembly recommends the continuance of the Overseer's convention love offering, and we encourage everyone to stand by your Overseer with your offering. It has been brought to our attention that in a few cases there was exercised some extremity in raising the convention offering for the Overseer by making it to become competitive and compulsory giving. We feel that this effort should be a genuine love offering rather than it becoming competitive or compulsory. We do not intend to discourage the Assembly Band Movement Secretary's planning which would help to boost the Overseer's love offering; however, any such planning should be executed by voluntary response. Also, that emphasis be given by the pastor to the Overseer's fourth Sunday offering when receiving it. Should there not be sufficient fourth Sunday offering funds to cover his expense as Overseer, it is recommended that the surplus tithes, if there be any, be used to supplement the expenses of the Overseer. The expenses of the Overseer of not self-supporting states be left to the discretion of the Executive Committee.

7. The Assembly recommends that the Emergency Fund be continued and that each member pay \$1 or the amount set by the World Mission Committee where applicable into the Fund annually and that the present system of

collecting emergency funds be continued. We further recommend that since these funds are urgently needed, each local church collect funds in full as soon as possible and send them as collected with the local church treasurer's monthly report.

8. The Assembly recommends that when an evangelist is engaged by the pastor to conduct a revival in his local church, that each member be encouraged to give a good offering each night of the revival and that the total amount of the offering received go to the evangelist.

If a church is too small to sufficiently support an evangelist, we recommend that special fund raising projects be instituted prior to a scheduled revival, to supplement the nightly offerings.

9. The Assembly recommends that all Victory Leaders Bands, Sunday Schools, Mission, Church of Prophecy Marker Association, White Wing Publishing House, Mission Homes for Children, and Bible Training Institute tithes be placed in the General Tithe Fund.

10. The Assembly recommends that the tithes of non-members that are paid into the local treasury should be executed through the regular channel the same as tithes of members.

11. The Assembly recommends that 20 per cent of the state or national convention offerings of the Womens Missionary Band, Victory Leaders Band, Sunday School, and Church of Prophecy Marker Association be left in the state or national treasury for the purpose of state or national work.

12. The Assembly recommends that in case of any additional general workers being appointed by the General Overseer, their allotments be determined by the Executive Committee.

13. The Assembly recommends that if there should be a deficit incurred in printing and mailing *The White Wing Messenger*, such deficit be paid from the General Fund.

14. SUNDAY SCHOOL TITHES: It has been called to our attention that several churches with the approval of their Sunday Schools, in receiving the Sunday School offering, receive only one offering; with portions of the offering to be used for different projects.

For example: A portion for the operation of the Sunday School; a portion for the flower fund; a portion for the building fund; etc.

The Assembly recommends only the money that is used for the operation of the Sunday School is the portion that is to be tithed. This Committee calls to your attention that Mission Homes for Children money should not be tithed by the local church.

15. The General Treasurer send 10 per cent of the Assembly Mission and Mission Homes for Children offerings from each state or country to the respective state or national treasurer for the general state or national fund. The Ministerial Aid Fund receives 10 per cent of the mission money sent to the General Treasurer.

The White Wing Publishing House send 10 per cent of the Assembly Free Literature offering from each state or country to the respective state or

national treasurer for the general state or national fund.

16. The Assembly recommends that a love offering be received for the district overseer in his district convention. If the district overseer is requested by the State Overseer to perform a duty involving considerable expense, the State Overseer will be responsible for such expense.

17. We recommend that all Tomlinson College funds be received and disbursed by the General Treasurer, with the Executive Committee handling the matters of expense in the same way as for other departments.

18. This committee wishes to commend each one who has been faithful in working in and raising funds through the auxiliaries, as it is by these efforts that the message of the Church has spread throughout the world.

We urge each local church to operate each auxiliary as recommended by the General Assembly, keeping the spiritual benefits and financial needs before our members.

We want to urge each leader to continue to make known the purpose of each auxiliary and to make known the blessings and helps the auxiliaries are to each local church and the Church world-wide in carrying out the commission of the Church. (Section 3, Minutes of 69th Assembly.)

19. We recommend that on Outreach Sunday (White Wing Messenger Day), when a special offering is boosted, that the people be encouraged to give even more generously in support of the White Wing Publishing House and its ministry. (Section 4, Minutes of 69th Assembly.)

20. The Assembly recommends that each pastor, State and National Overseer see that all monies received in his or her church, state or nation be handled exactly as stated in the present financial system of the church with which they should be fully familiar and also be responsible to see that all monies are used only for the purpose for which it was given or raised. **NOTE TO MINISTERS AND TREASURERS:** Fill in all reports accurately and completely. Write or print plainly. If assistance is needed, write to L. F. Kendrick, Box 999, Cleveland, Tennessee 37311.

**TITHES:** Members should pay their tithes into the treasury of the local church where they are members. Ministers send the tithes of income from the ministry with their monthly reports to the General Treasurer, and tithes on income outside the ministry are paid into the treasury of the local church where they are members.

The treasurer of the church is to send 10 per cent of tithes received each month with the treasurer's report to the appropriate address.

The Assembly recommends that the Executive Committee be authorized to adjust the allotments for pastors, State Overseers, and General Workers from year to year, based on the previous year's cost of living index.

The Assembly recommends that the allotment of the General Overseer and that pay for incidental expenses plus any and all personal necessities be left to the discretion of the Executive Committee.

The treasurer of the local church sends 10% of the tithes received each month to the treasurer of his state or nation. The balance of the tithes, after General Headquarters and the State or National Overseer have received their portions, remains in the local church treasury to pay the pastor.

We recommend that the sum of \$300 received each month by the General Appointees and the State Overseers be designated for rent and utilities. Should the rent and utilities be under the above amount, the remaining amount would be included as income. Where feasible, this is also applicable to pastors and full-time evangelists. (Note: This recommendation is for income tax purposes only, and involves no extra allotment.)

Surplus tithes accruing in any local church are to be left in the tithe fund account of the local church treasury until after the last Sunday in June, at which time it is properly divided: 10% to be sent to the General Treasurer

to be used at the discretion of the Executive Committee; 30% to be sent to the state or national treasurer to be used at the discretion of the State or National Overseer and Finance and Appropriations Committee and the 60% left in the local church should be presented by the local Committee as a proposed budget plan for approval by the local church conference.

The Assembly recommends that the following words be added to this paragraph. "That first consideration be given to the pastor's expense in the ministry; said expenses being already defined in the Church Business Guide."

The Assembly recommends that all local church treasurers mail their reports to the state or national treasurer no later than the 5th of each month. From the funds received, the State or National Overseer would receive his allotment and expense (if funds are available) according to the rulings of the General Assembly.

The Executive Committee agrees that all General Appointees receive an allotment of \$1,261.00 monthly, if funds are available; and that incidental expense incurred by these General Appointees be left to the discretion of the Executive Committee.

Overseers in the United States are to receive no more than \$1,261.00 monthly, plus an amount not to exceed \$200 a month for office expenses from the tithes received from the churches, if funds are available. Any funds in excess of this amount received by the treasurer are to be kept in the state treasury to be placed in the general state fund for the state work, especially to assist pastors of weaker churches.

The Executive Committee agrees that the pastor receive an amount not to exceed \$1,261.00 monthly from the tithes of the local church after General Headquarters and the State Overseer have received their portions, if funds are available. This does not include offerings and poundings received by the pastor.

Allotments for Overseers outside the United States where there is not sufficient tithes to cover the allotments the remaining portion be supplied by making transfers of Tithe Funds between countries where this is legally permissible and from the United States Tithe Funds, in other cases, if funds are available, and that each Overseer should receive an allotment in the currency of the country or the territory he represents according to the average prevailing wage rates of each country.

The Assembly has ruled that tithes are for the support of the ministry only. Surplus tithes received at General Headquarters are disbursed at the discretion of the Executive Committee to aid Overseers in states not self-supporting. The Ministerial Aid Fund receives 10% of all tithes sent to General Headquarters. We recommend that the tithes of non-members that are paid into the local church treasury be paid through the regular channel the same as the tithes of members.

The Committee calls your attention to the fact that it does not say of ministers only; rather, of the ministry only. Ministry is defined as the office, duties, or functions of a minister; the building in which the business of the

ministry is transacted; thus, the ministry includes any and all phases of the Church ministry, such as church property, equipment, maintenance, etc.

**SUNDAY SCHOOL:** The local church treasurer sends 10% of all Sunday School offerings to the General Treasurer with his monthly report and 10% to the state treasurer for the general state fund.

**MISSION HOMES FOR CHILDREN:** All Mission Homes for Children offerings remain in the local church treasury and are turned in at the state or national convention and Assembly. For improving, building, and maintaining the state headquarters, 20% of the state convention Mission Homes for Children offering remains in the state treasury. The General Treasurer is sent 10% of the balance and the state treasurer keeps 10%, or an equal amount. Send balance to the General Treasurer for the support of Mission Homes for Children. The General Treasurer sends 10% of the Assembly offering from each state or nation to the respective state or national treasurer for the general state or national fund. The Assembly has recommended that 10% of state and national convention offerings and Assembly offerings of the Mission Homes for Children be sent to General Headquarters for General Properties, and 40% for Tomlinson College.

**EMERGENCY FUND:** All ministers and members are to pay one dollar a year, or the amount set by the World Mission Committee where applicable, into the treasury of the local churches where their memberships are, and the treasurer sends the emergency dollars as collected with his monthly report. The Ministerial Aid Fund receives 10% of all emergency money sent to General Headquarters.

**GENERAL PROPERTIES FUND:** The Assembly recommends that the General Properties Fund be continued and that each local church raise or collect one dollar per member, (where the dollar is not the monetary system—the amount is to be set by the World Mission Committee according to the economic and monetary condition) and that these funds be collected at the beginning of the Assembly year with the last Sunday of December being a rally day to finalize the collecting of these funds. This General Properties Fund money should be mailed to the General Treasurer or General Field Office, immediately after the last Sunday of December.

The Assembly recommends these portions be designated as General Properties Fund:

1. Not less than 50% of the CPMA membership each year after 10% is deducted for Ministerial Aid;
2. 50% of the CPMA state convention offerings which presently remain in the state treasury;
3. 10% of the state and national convention offerings and Assembly offerings of the Mission Homes for Children and Bible Training Institute; and 10% of the national and international accounts of Ministerial Aid and Missions.

The Assembly recommends that if there should be any deficit occurring in the General Properties Fund in making the monthly payments, such deficit be

paid from the General Fund.

**MISSION MONEY:** The second Sunday mission offering and mission money raised by other means remain in the local church treasury and are turned in at the state and national convention and Assembly. For improving, building, and maintaining the state headquarters, 20% of the state convention mission offering is to remain in the state treasury. The General Treasurer receives 10% of the balance and the state treasurer keeps 10%, or an equal amount. Half of the remainder (40% of the balance after the state deducts the state headquarters maintenance portion) is left in the state for the general state fund, and half sent to the General Treasurer as world mission money. The General Treasurer is sent 5% of the 40% portion remaining in the state treasury for the state convention mission funds to assist in the support of widows of deceased ministers.

The General Treasurer receives all mission money collected in the March and October drives for world missions. It is to be sent with the local treasurer's monthly report. All mission offerings at the Assembly are turned in to the General Treasurer as world mission money. The General Treasurer sends 10% of the Assembly offering from each state or nation to the respective state or national treasurer for the general state or national fund. The Ministerial Aid Fund receives 10% of the mission money sent to the General Treasurer. The Assembly recommends that 10% of the national and international accounts of the World Mission Fund be sent to General Headquarters for the General Properties Fund.

**FIRST SUNDAY OFFERING:** Each local church receives an offering for the pastor on the first Sunday of each month.

**DISTRICT OVERSEERS SUPPORT:** The Assembly recommends that a love offering be received for the district overseer in his district convention. If the district overseer is requested by the State Overseer to perform a duty involving considerable expense, the State Overseer will be responsible for such expense.

**FOURTH SUNDAY OFFERING:** The fourth Sunday is set by the Assembly for every local church to receive an expense offering for the Overseer of the state or nation. The local church treasurer sends 10% of this offering to the state treasurer for the state treasury; the balance of this offering is sent to the state treasurer for the expense of the Overseer. If there is not sufficient fourth Sunday offerings to cover his expense as Overseer, the surplus tithes, if there is any in the state treasury may be used to supplement the fourth Sunday offerings. DO NOT send any of the fourth Sunday offerings to the General Treasurer. Each local church should receive poundings for the Overseer once or twice a year.

**VICTORY LEADERS OFFERING:** All money raised for the Free Literature Fund by the Victory Leaders is given in at the state or national convention and Assembly. Money for the expense of the band should be received in a special offering. For improving, building, and maintaining the state headquarters, 20% of the state or national convention free literature offering is left

in the state treasury. The General Treasurer receives 10% of the balance and the state treasurer retains 20% for the general state fund. The balance is sent to the White Wing Publishing House. The Assembly Free Literature Offering is given to the World Language Department. The White Wing Publishing House sends 10% of the Assembly offering from each state or nation to the respective state or national treasurer for the general state or national fund. The Ministerial Aid Fund receives 10% of all free literature money received by the White Wing Publishing House, and the balance is disbursed by the Church Publishing Committee.

**ASSEMBLY EXPENSE:** To assist in the expense of the annual assemblies, the State Overseers are asked to collect funds each year and send to the General Treasurer.

a. The Assembly recommends that churches having less than 50 in Sunday School contribute annually \$2.00 to Assembly expense; churches with Sunday School attendance between 50 and 100 are to contribute \$3.00 annually; and churches averaging over 100 in Sunday School are to contribute \$5.00 annually.

b. The Assembly recommends that each Victory Leaders Band contribute \$2.00 annually; the Assembly recommends that each Women's Missionary Band contribute \$2.00 annually, and that each minister, including deacons and lay ministers, contribute \$1.00 annually.

c. The Assembly recommends that the pastors be responsible for collecting the Assembly Expense Dollars for the auxiliaries and forward to the State Overseer, and the State Overseer be responsible to collect the dollars from the ministers in his state. These funds are to be mailed to the General Treasurer as collected. The final report of the Assembly expense should be given by the Overseer with the state convention report to the General Treasurer, and the State Secretaries be responsible to the State Overseer to boost and assist in collecting these funds.

**CHURCH OF PROPHECY MARKER ASSOCIATION:** To be a member of the Church of Prophecy Marker Association, you pay \$5.00 a year, and it may be paid any time during the year. For the local church to receive credit in the Honor Stone Program, it must be paid before the honor sheet is filled in by the pastor. In other nations, to become a member you pay an amount set by the Overseer and CPMA Committee.

CPMA offerings remain in the local church treasury and are given in at the state convention. These offerings are divided by the state treasurer; 20% of the CPMA state convention offering remains in the state treasury for improving, building, and maintaining the state headquarters; 10% of the balance is sent to the General Treasurer, and an equal amount, or 10%, to the state treasurer for the state work, and an equal amount, or 10% is sent to the General Treasurer for the Ministerial Aid Fund. Of the amount presently remaining in the state treasury, 50% is to be sent to the General Treasurer for the General Properties Fund. Not less than 50% of CPMA membership fees each year, after 10% is deducted for Ministerial Aid, is to go to the General Properties Fund.

**BIBLE TRAINING INSTITUTE:** The Assembly recommends that the pastors be responsible for conducting weekly classes in the local churches to acquaint our people with the doctrine and practices of the Church. Offerings received in the classes are turned in at the state convention to assist Bible Training Institute in teaching the Church doctrine in other nations. It is recommended that 10% of state and national convention offerings and Assembly offerings of Bible Training Institute be sent to General Headquarters for the General Properties Fund.

**MINISTERIAL AID:** The Assembly recommends that 10% of national and international accounts of the Ministerial Aid Fund be sent to General Headquarters for the General Properties Fund.

### **World Must Be Evangelized**

It will take good organization and systematic methods to accomplish this  
 task.

God's power is demonstrated in proportion to the unity and oneness of His  
 people.

The members of the early Church were all of one accord, steadfast in the  
 apostles' doctrine and fellowship, and the multitude that believed were of one  
 heart and one soul, and great grace was upon them all and mighty results

followed as a consequence of their perfect unity and careful organization.

We must banish from our minds the thoughts of individual or local independence and haphazard spasmodic efforts.

Pull together, pull at once, pull steadily all the time is the road to success.

All members should be ready to center their minds and prayers on the one thing, as a unit, when calls for special prayer are made. Each should feel his or her part of the responsibility, remembering that when one member fails, it cripples or dwarfs the body until the matter pending may fail.

### **Local Church Officers and Leaders**

1. **Pastor:** It is the duty of the State or National Overseer to supply every church under his jurisdiction with a pastor. Pastors are to be appointed at the state or national convention and vacancies will be filled as they occur. The duties of the pastor expire at midnight the last Sunday in July at the church he is leaving and automatically begin at the same time at the church to which he is moving.

2. **Clerk:** The local church clerk is to be appointed by the pastor at the same time as the other leaders and officers by the pastor during the first two months of his pastoral year; said appointments to be ratified in the following quarterly conference.

3. **Treasurer:** The treasurer is appointed in the same manner as the clerk. It is advised that one person serve as both clerk and treasurer when satisfactory to the local church. The treasurer will receive and disburse all funds of the local church including tithes, auxiliary funds and special funds and will maintain an accurate record of all receipts and disbursements.

4. **Auxiliary Leaders:** Leaders for the five auxiliaries—Sunday School, Womens Missionary Band, Victory Leaders Band, Church of Prophecy Marker Association, Assembly Band Movement—are appointed by the pastor during the first two months of his pastoral year.

Each pastor, with the assistance of the deacons, should divide his members into bands of ten or twelve and appoint a leader for each band. The leader should keep in touch with each member of the band, and if any should move away, communication should be kept up by correspondence. This is for the mutual, spiritual, temporal, and social benefit of the members. The pastor should keep in close touch with the band leaders.

5. **Local Trustees:** Trustees to hold title to local church property are selected by the local church in a regular or called business meeting and are authorized to bargain, buy, sell, convey or encumber the local property only when authorized to do so by the local church in a regular or called business meeting, and with the written consent of the General Trustees.

6. **Other Officers and Leaders:** The Assembly has authorized the pastor to appoint a Church Literature Representative, Public Relations Director, Bible Training Institute Booster and any other leaders during the first two months of his pastoral year.

### **Business Meetings**

Each local church should hold a regular business conference quarterly. It has been the practice to observe the first Monday night in January, April, July, and October for the conference. A meeting may be called any time by the pastor or State Overseer. A short business meeting may be held at the beginning or close of a meeting for worship.

The pastor should act as moderator of all business meetings. If there is no pastor, the State Overseer has authority to act or appoint a licensed male minister to preside. Where one pastor has the care of several churches, he may arrange the business meetings for his convenience.

Every member should attend every business session if possible. Women are to take no open part in discussing or deciding questions, but should always be there and silently pray that God will give wisdom and direct the men.

Matters should be discussed with love, humility and meekness. No votes should be taken to decide questions. Everything should be done with one accord and questions settled by mutual agreement. If there is division on a matter, hold it over until all can agree. If one should seem obstinate and contrary, do not run the matter over him, but take up his case and investigate the cause of his obstinacy; if he shows a good spirit so that he can be heard, then show him courtesy. If he proves to be wrong, deal with him as the Bible directs. Then, take up the original subject and dispose of it in harmony and love.

If a matter cannot be settled satisfactorily by the local church, they should call for the assistance of the State Overseer. If they are still unable to reach a satisfactory conclusion, it should be referred to the General Overseer.

No one should give a message in tongues to the church unless there is an interpreter present, and then only one at a time and not more than three in a whole session.

### **Suggested Arrangement and Order of Business**

Moderator, clerk, treasurer should occupy seats on the platform. Deacons and other ministers seated nearby.

Song service and prayer. Scripture lesson, and prayer by the moderator asking for wisdom and direction. Song.

Clerk read minutes of last regular meeting and any called meetings.

Correction of minutes, if any.

Treasurer give report of finances and always give an itemized statement of receipts and disbursements and balance in treasury.

Leader of the WMB give report of the work of the band, including finances, receipts and disbursements.

Victory Leaders Director give report of the work and progress of the band, including finances, receipts, and disbursements.

Pastor give report of the ABM work, amount of money raised monthly,

number of strays found and brought back (Luke 15:4-6), and give account of every member of his flock (Hebrews 13:17).

Report of CPMA Leader—number of members and receipts.

The Sunday School Superintendent give report of the work and progress of the school, including finances, receipts and disbursements.

Report of church literature representative.

Acceptance of transfers.

Members to transfer.

Unfinished business.

New business.

Miscellaneous business.

Adjournment by prayer.

### **Advice to Members**

As a member, you count one and should attend every regular service as far as possible. Remember no one can fill your place and the service will be that much dwarfed and crippled without your presence.

Show love and fellowship to everyone without partiality. Don't wait for others to greet you but you greet them.

Show special courtesy to strangers who may attend one of your services.

As a rule, take part in the singing.

Be ready for vocal prayer when called on or prompted by the Spirit.

Be ready for testimony when such is in order.

Stand by your pastor or appointed leader and assist him in every way you can.

Always pray silently for the preacher while he delivers the message. Always live a consecrated life at home and abroad so no one can justly think or speak of you as a hypocrite.

Guard your conversation. Be careful what you say about a brother, sister, or anyone else.

Don't be a critic and try to find something in others to criticize.

Examine yourself occasionally and see if you are in the faith.

Don't yield to discouragement or despondency.

Be cheerful and happy and try to make others the same.

Spend as much time as you can in secret prayer. Give yourself all you can to intercessory prayer. Daily prayers and study of God's Word are necessary and very important for the spiritual welfare of each child of God; therefore, everyone is urged to faithfully maintain as far as is possible family worship at home at least once a day.

Your dress should be with moderation, neat and clean, but not for show. Moderation includes paying moderate prices for clothing, wearing dresses of high-enough necklines, low-enough hemlines, sleeves of reasonable length. The wearing of extremely sheer fabrics is unbecoming to a saint and the wearing of shorts in public should never be practiced. You should never wear

gold for ornament or decoration. Finger rings, bracelets, earrings, necklaces, lockets and large showy pins—these are also unbecoming to a saint of God. Rouge, lipstick, nail polish and extremely costly perfumes are used to satisfy the pride of life and therefore they should have no place in the lives of those who love God. Please read and study these Scriptures often: 1 Peter 3:3, 4; 1 Timothy 2:9, 10 and 1 John 2:15-17.

You should not permit yourself to be trapped by worldly attractions. The Bible says, "Neither give place to the devil." Dabbling with worldly amusements like professional ballgames, horseraces, stockcar races, wrestling arenas, skating rinks, motion picture houses or drive-in theaters, bowling alleys and going swimming where men and women both use the same bathing area would give the devil a foothold or place in your life.

Always tithe your income and put it in the church treasury. Make freewill offerings other than your tithes.

Younger members should not keep company or associate too intimately with worldly outsiders.

Because of the ever-increasing number of broken homes, separations, divorces and remarriages, the greatest care should be taken with much prayer and consideration regarding proposed matrimony.

A member who may have a living companion should not marry another under any circumstances even if divorced. Neither should a member marry anyone who has a living companion although such a person may be divorced.

Children are an heritage from the Lord. Those who have children are responsible to teach them at an early age to reverence the house of God. This should be done by setting a good example before them and by instructing them with such a good spirit that they will have a strong desire to serve the Lord. MINISTERS are to meet all of the requirements in being examples to the members by keeping their children under reasonable control at all times and by restraining them from running about over the house of God, especially while the services are in progress.

*The White Wing Messenger* is a very important part of the Church of God. It should be read regularly by every member and your interest in advertising the Church should be so great that when you have finished reading your copy, you would pass it along to someone else. Every member who possibly can should subscribe, and each minister is asked to be a "paid-up" subscriber and an earnest worker for our church paper—*The White Wing Messenger*.

These are the last days and perilous times have come and it will require much watchfulness and humble prayer for you to so live and act that you will never bring reproach on the worthy name of Christ and His Church that you so much love.

Never form too close an intimacy with the opposite sex even if they are brothers and sisters in the Lord. Give no place to the adversary. Abstain from the very appearance of evil.

These kindly instructions and advices are given by those who are watching for your soul as they must give an account (Hebrews 13:17), and it is hoped

they will be received with the same meek, gentle spirit in which they are given.

### **Duties of State and National Overseers**

Each overseer is to have the oversight of his state, nation or territory, and together with the General Overseer, will form the presbytery in his respective area. In addition to his general responsibility for the work under his jurisdiction, he will be responsible for specific duties:

To conduct or order a general evangelistic campaign during the year. If there are only a few churches in the state or area assigned him, he will serve primarily as an evangelist, evangelizing in new fields and endeavoring to establish new churches. If his area has a large number of churches and ministers, he will be responsible to organize and direct the evangelistic efforts of his workers in new fields.

To see that every church is supplied with a pastor.

To divide his state or territory into districts and place over each district an overseer as previously practiced. This is not a rule, but it is considered best when there are sufficient churches to make it practical. He should conduct district meetings at intervals during the year where special instructions concerning the work can be given.

To hold one general convention each year in the area most convenient for members from all the churches to attend.

To secure the name and address of every bishop, deacon, and evangelist under his jurisdiction and keep a record of these so he can report to the General Overseer, if necessary. He will also issue lay minister's certificates and keep the necessary records concerning them.

Keep an accurate record of the location of every church and the number of members in his territory, keeping a record of the increase so this information can be reported each year. This can be done by keeping in touch with the clerks of the churches. Every minister and clerk should take an interest in imparting this information to the overseer. All new organizations should be reported to the overseer.

To visit every district and church, if possible, and look after the interests in every way, as a pastor over a large circuit.

### **Duties of District Overseers**

The district overseers are to be appointed by the State Overseer:

To moderate business conferences for women preachers who may be acting as pastors and for male pastors who are not licensed.

To do evangelistic work in his district. If he has a district with no churches, it is his duty to evangelize and organize churches.

To conduct district conventions according to the instructions of the State Overseer.

To assist the State Overseer, when called upon, in all things relating to

church work and he is subject to the State Overseer.

### **Obligation for Membership in the Church of God of Prophecy**

Will you sincerely promise in the presence of God and these witnesses that you will accept this Bible as the Word of God—believe and practice its teachings rightly divided—the New Testament as your rule of faith and practice, government and discipline, and walk in the light to the best of your knowledge and ability?

The minister who administers this obligation should see that every applicant replies in the affirmative. In taking the obligation, applicants should think of it as being a perpetual covenant that shall not be forgotten.
