Prefatory Notes

We offer praise to God for His favor and blessings upon the 76th Annual Assembly. It was wonderful from beginning to end. Each year as we sit together in this "heavenly place" we bask in God's presence, and certainly this year was no exception. Each song, each prayer, each message, each auxiliary program; in fact, everything that transpired seemed to be especially inspired of God for the edification of the 20,069 registered delegates who assembled for this great gathering.

Hearts were stirred again and again by the inspirational preaching and outpourings of the Holy Ghost. It was evident that the workers were ignited with a holy zeal for returning to their fields of labor in order to get on with the work of spreading this last days message to their communities and towns.

It is easy to sense that our Assemblies are becoming more global through the representation of so many delegates from the many nations of the world. This year, in addition to our people who came from all fifty states, there were thirty-nine other nations represented. How pleasant it was for brethren from so many cultures, with such varying backgrounds, to dwell together in such love and unity!

Pre-Assembly events included, in addition to the services in the local churches on Sunday, the Tomlinson College scholarship banquet, the Annual Presbytery Meeting and Dinner and the Fields of the Wood program.

We appreciate the good coverage provided by the news media, as well as the hospitality of the officials and citizens of Cleveland and Bradley County. The limited motel facilities are not adequate to accommodate the large number requiring lodging for this event, and the local residents have been very gracious to open their homes to the delegates.

Much work and planning went into this week-long gathering, and all who cooperated are to be commended for their labors. Every department of the Church was ably promoted during the various sessions, and we sincerely appreciate our faithful workers. To God be the glory for all that was accomplished, because it is for His glory that the Assemblies are scheduled.

The 77th Annual General Assembly will be held, God willing, September 7-13, 1982.

M. A. Tomlinson
General Overseer

EVENING

6:30 Music and singing directed by Doyle Hughes. Songs led by Phil Barker with Betty Barker, pianist; Sonny Sample, organist. Glen Dale Queener read Hebrews 9:11-18; prayer by Don Yancey. Songs and music by Chattanooga (Hickory Valley), TN Youth Choir and Band, directed by Ernestine West.

7:20 Welcome Delegates from North, East, South, West, and Around the World—Leonard F. Kendrick, General Treasurer.

7:30 Janessa Jones sang "The Lord's Prayer" twice.

7:35 "Wherein have we robbed God?" Malachi 3:8—message and altar call by E. L. Jones, General Field Secretary. Excerpts: It is generally accepted that the prophet lived nearly 100 years after Haggai and Zachariah and was probably associated with Ezra and Nehemiah in their reforms and re-establishing the nation of Israel. A remnant of Jews had returned from 70 years captivity in Babylon under the leadership of Zerubbabel, with the prophets Haggai and Zechariah assisting in 536 B.C., rebuilt the temple; 60 years later Ezra came to help re-establish the nation, and 13 years later Nehemiah came and rebuilt the wall.

The Jews had been home from Babylon about 100 years, somewhat cured of idolatry, but needing greater reforms to prepare for the coming Messiah. The prophet very forcefully sounds the alarm that the Messiah will suddenly come to this temple and sit as a refiner and purifier of silver. Malachi 3:3; Romans 15:4. The people are actually arguing with God.

Exodus 19:3-9. It was there that they became the Church in the wilderness. They were God's people before, but they entered into a divine covenant with God. Narrated Exodus 20. We know we are God's people; we are not like anybody else. 1 Peter 2:9, 10; Malachi 1:1-3, 6, 7.

Esau had no respect for the things of God. I am reviewing Israel's history. Jesus was about ready to come, and they were in a terrible shape. We are preaching that Jesus is soon to come. Malachi 2:17. When you make a decision for Christ, sometimes your worst enemy is in your household.

Malachi said that the Messiah is going to come suddenly. We had better stop arguing with God, questioning the authority of the Assembly and the teachings of the Church. Maybe this is why our services are getting bogged down. God give us souls and old-time revivals. Robbing God is more than

not putting enough in your tithing envelope. It is a root problem in your heart that makes you do that. Proverbs 4:23; 23:7; Jeremiah 17:9.

When God sent Samuel to Jesse's house, He said I will tell you what to do when you get there. Some of us wouldn't have depended on God, but the Lord said to kill a lamb. God works our problems out. The message is to the whole world. Narrated 1 Samuel 16.

Whatever happened to the experience of salvation, it used to make us better and we would turn from and quit sin. Summarized Luke 19. 2 Corinthians 5:17. We are so frustrated we count everything in the altar and filling the Church of God up with more problems. Church of God people ought to be sanctified and pray through to a genuine experience of the baptism of the Holy Ghost. Malachi 3:16, 17; 4:2, 5, 6. Christ is about to come. Daniel had a vision. We are going to have to humble ourselves and get with the Church. Isaiah 11:1, 2; 1:1-3, 4; 18-20; Lamentation 2:15, 16; Ezekiel 22:30; Daniel 5:27, 28; Hosea 4:6; Joel 2:17, 23, 28; Amos 3:3-8.

The prophets of old were on the call back, and God's ministers today are on call to come back to the Lord like we ought to. We are not in the entertainment business. Amos 5:18-20; 8:11-13. There is a famine in many corners in the Church of God. I am interested in what's happening on the outside, but my eyes are on the Church of God. Amos 9:9-15. God is talking about the nation of Israel, but He is also talking about spiritual Israel which is the Church of God. Obediah 3:4, 17, 18. Those against God's program will lose. Jonah 3:1, 2; Micah 4:1, 2; Exodus 19:4; Deuteronomy 32:11. God knows how to take care of us. John 11:41, 42; Isaiah 14:26. (George Jones directed music and singing during the altar service.)

TUESDAY, SEPTEMBER 8

AFTERNOON

1:15 Organ music by Norma Bryant. Two songs led by Shirley Ball with Gloria Hart, pianist; Jenna Allen, organist. John 17:18-26 read by G. A. Wilson. Prayer by Vernon Riggins, followed by concert prayer.

1:45 Opening of the 76th General Assembly by General Overseer. He read 1 Peter 2:1-10. The Church that Jesus established is operating today. There are many movements in the land, but there is only one Church of God of the Bible. We want the Holy Ghost to take control. Brother Tomlinson read:

The Purpose of the Assembly

From the Minutes we read: "Near the close of 1905 the work had so prospered that there began to be a demand for a general gathering together of members from all the churches to consider questions of importance and to search the Bible for additional light and knowledge. Accordingly arrangements were made and the meeting called." Thus the First Assembly of the Church in these last days was held January 26, 27, 1906, in the home of J.

C. Murphy, Cherokee County, North Carolina.

It is easy to become sidetracked from an initial purpose. We need from time to time to reassess what we are doing in light of what was originally expressed as the purpose for this annual meeting.

In the Seventh Assembly in 1912, the General Overseer stated: "It is the purpose of this Assembly to exchange views, discover if possible and put in motion the perfect New Testament order. We have no criticism to offer, because no doubt all has been done that could have been done with the light of the past, but light is shining more and more, or brighter and brighter, and will continue to do so until the perfect day."

In the Assembly in 1913, he said: "This is not a convention where we want to spend the time in praying for the sick, getting people converted, sanctified or filled with the Holy Ghost, although all healings and the salvation of souls will be hailed with gladness, but it is rather a convention to dig down into God's Word and discover and uncover and put in motion that which will develop into greater success in our evangelistic work as we go to our respective fields. This is not to be like a camp meeting where we go just to have a good time getting blessed; where we have shouting, leaping and dancing for joy. While brotherly love and the fellowship we enjoy with each other is of untold value and one of the necessary features of this Assembly, yet beyond that is a depth that should be recognized by all as sacred. . . ."

While it might please some to turn the Assembly into a giant prayer meeting or an evangelistic campaign, this would defeat its purpose. There must be praying, and we will be giving altar calls, but our purpose for being here is to find ways to get that kind of work done more effectively in our respective fields of labor.

While here we want to turn our hearts and minds toward God to see what He has for us that will help us with our work on the field. That is where the work must be done.

2:00 Concert prayer. At the sound of the gavel, the 76th General Assembly was declared in session. Every member of the Church has an invitation to be here, but we have to do business for those who do not come. Appointment of Assembly Committees:

Bradley

2:07 Prayer for committees by John A. Stubbs. **Pull Altogether**, song by Dorothy Creel, Jenna Lee Allen and Roberta Matthews. Congregation joined in singing chorus; committeemen prayed; trumpet solo by David Blackstock; solo by Tony Coile.

2:30 Favor—Not Mercy Alone—message by Jacob Montijo, General Field Secretary. Excerpts: Luke 2:52. Summarized the chapter. One of the important ingredients of Jesus' early ministry was to exemplify the importance of having the favor of God. Too often our prayer is, "Lord, have mercy on me." 1 Samuel 2:26. It is important that Christ grew in favor with God and man. God, help us to understand the importance of seeking not just the mercy of God. We have the trust of God, because we have His favor. We are not accustomed to going after the favor of God. Job 10:12. Job had direct favor of God. Life and favor are a visitation of God and they are preservers of the spirit. Psalm 30:5.

Many times when we function for the Lord, we lack assurance that we have His emphatic favor. We need to know what God wants and understand what He thinks. We need to know the Word of God and how best to apply it to bring about the will of God. The favor of God is not far off and only for a chosen few. Psalm 41:11; 5:12. They had salvation, but He would bless them with favor. That will be their shield and protection. Proverbs 12:2. God, help us to be about doing good as the Lord Jesus Christ. One of the most overwhelming experiences in God is when you know that you have the favor of God and not just bound to His mercy and grace. Mercy and grace are the vehicles which have brought the favor of God. We must proceed on to the favor of Almighty God in all that we do. We know how to get the favor of men.

Psalm 44:3. It is the favor—not just the mercy and the grace of God that has brought this about. He has favored this program and this people. The Bible advocates that there is something special about living things that have the blood of Jesus Christ applied to their lives and they have been brought into the family of God. Isaiah 60:10. God favors people because they merit His favor. We must come to that place with Almighty God that we are favored of God amongst men. It was out of the favor of God that mercy came to us. Wouldn't it be wonderful that through mercy and grace we have acquired the favor of God? (Concert Prayer.)

Acts 2:42, 47. The apostles were being used by the Lord. After the miracles, when they were steadfast in the faith, wonders and signs were done

by the apostles. So miraculous were the events that they wondered. All who believed were together and had all things in common. They sold their possessions and parted them to all men. Church of God, what happened? He added to the Church daily. The Early Church was probably at its height of favor with Almighty God. (Congregation stood and prayed.)

3:15 Ministerial Aid Program, directed by Roy D. Mixon. He commented and read Psalm 37:23; 57:7; he led congregation in singing **Victory In Jesus** followed by concert prayer; read Romans 27:23; song arrangement by Frank Hopkins; prayer for the ministry of the Church around the world with these praying in their languages: Ewing Dorsett, D. Joseph and Jose M. Rivera. Song by Duke, Shirlene and Tim.

3:40 The Importance of the Ministry in the Church by Jess Pruitt. Comments: Mark 10:45. Christians are called to minister—not to be ministered unto. Ephesians 3:11. God's eternal purpose today is not to establish a new order, nor peace to all the world, but to preach, teach and publish the gospel to all the world. Jesus arose from the dead to be the Head of the Church of God. That is where the brains are to operate the Church of God. Matthew 16:18; 28:19. That is still the commission and to perfect one body—the Church. The ministry of the Church is to do the same works today that Christ would do if He were here in person. John 14:12; Isaiah 43:19. Mentioned 23rd and 24th chapters of Isaiah, speaking about a world-wide revival. John 10:16. The ministry will be the ones through which God will bring the other sheep. We have to get the Church ready for the other sheep to come. I am thrilled about the vision of the great Church of God ministry and its great work already accomplished and what is yet to be accomplished.

3:59 Ministerial Tribute: A good name is better than precious ointment; and the day of death than the day of one's birth.

We can scarcely understand the value put upon perfumes and ointment by the Eastern people, and their enjoyment of the perfumes. Many of them were fearfully expensive. They kept their perfumes in very precious vases and jars of alabaster and glass and metal. Perfumes are so much used in Eastern countries that the omission of them means that one is in mourning—but the Word of God told them that a good name was even better than that.

Today we pay tribute to ministers of the gospel. People of a good name better than a precious ointment. Divinely called and divinely appointed ministers of God, actuated by the Holy Ghost—chosen instruments to accomplish God's purpose. Read Haggai 2:23.

"In that day . . . O Zerubbabel . . . I will make thee as a signet." The signet (seal ring) being an emblem of authority was used to stamp documents and other legal articles. Indeed, without being stamped by a signet, no document was considered authentic.

God says—"I will make thee as a signet." Those we honor today were made signets by the Lord. They knew through the years that the anointing of God does not come trickling down through the finger of the hands of men laid

upon them—but their anointing and holy calling came from the Lord Himself.

We honor ministers today who **were** chosen by the Lord. For Jesus said: read John 15:16. We honor ministers today who like Paul were God's chosen vessels. Read Acts 9:15. I am sure that those we honor today have had the same conviction by the Spirit as Paul that they were chosen vessels of God to witness for Him.

Those we honor today probably did not have great wealth, fame or even great educational background. Read 1 Corinthians 1:27. This is the greatness of God. If ministers through their own greatness, education, ability, natural talents and wealth accomplished the things attributed to God—then they could boast, "Look what I have done." But since God chose the ministers we honor today, then God worked through them to accomplish His work and therefore no flesh should glory in His presence. Most all God-called ministers have always felt their inability, and are not so hasty about answering that call. Read Exodus 3:11; 1 Samuel 9:21; 18:18; 1 Kings 3:7; Isaiah 6:5; Jeremiah 1:6.

Those I have mentioned did not fail to answer the call of God or to assume their responsibilities—no, but they were like all truly God-called ministers and those ministers that we honor today . . . they felt so inadequate for the gigantic task. But when their work was finished they could look back and say, "It has been so wonderful how God led safely through battles on top of battles and has brought victories on top of victories."

God knows the way, He holds the key; He guides with unerring hand.

Yes, up there, all is understood and seen clearly.

" . . . if any man serve me, him will my Father honor." John 12:26b

Our Father, we thank you for allowing those whom we honor today to pass our way. They have done their best, Lord, to be faithful ministers of the gospel and to glorify and magnify your name. Amen.

5:00 Tell It Like It Is—message by Bill White, Director. Excerpts: Ephesians 3:8-12. The Church has the commission to preach the fellowship of the mystery. I believe it is going to be revealed unto the principalities and the powers in heavenly places by the Church. The Church is going to have to know it before it can make it known to anyone else. Instead of us trying to find what we can learn from other people; could we go to the rock and find what we need; allow the Holy Ghost to reveal through His Word, confirmed by the General Assembly, that we might know how the manifold wisdom of God might be made known by the Church. If we are going to make anything known, we are going to have to be firmly established in the Word of God, in the Church of God and the doctrine of the Church.

The things that we get from the Word inspired by the Spirit can be verified by the multitude of counselors. Manifold wisdom will be known as we let our lights shine by word and by deed. We have to exercise caution, be rooted and grounded in this blessed Book, following the direction of those over us in the Lord or we will go astray.

The devil is attacking the Church, but not so much physical persecution as he did the Early Church. He is trying to infiltrate and attack from within. A. J. Tomlinson wrote about the spirit of Balaam's doctrine which he called false doctrine. You will find that the attack on the Church today runs parallel with what he was saying. We have to balance our lives with the Word and Spirit of God. The Church is on schedule. We don't have to be ashamed of where the Church is going nor how she is going to get there. The Bible tells us she is going to get there; I have to concern myself with staying with her. Isaiah 4:1.

The whole religious community is wanting to be called the Church, but they want to live the way they want to. Many seducing spirits are at work. Ideas and methods will change, but the doctrine will never change. Martin Luther started the Reformation to bring about a needed change in the 16th century. Satan attempted to deceive by pawning a counterfeit in the place of the true work, and he is still trying to pawn off on the Church something that looks good.

Just as there were false christs in the 1st century; false prophets in the 16th century, we see the spirit of false prophets or anti-Christ at work today. Many

claim to have been divinely commissioned to bring about change in the Church. God is still going to work according to this blessed Book. We see people too often, who have covenanted through the Body of Christ, flirting around with sister fellowships. When men pay too much attention to the flirting, provocative, fascinating actions of other women, they are headed for trouble. The spirit of religious adultery and fornication is attacking the Church today. You have covenanted with the Church that you will accept this Bible as the Word of God, believe and practice its teachings rightly divided. Several are listening to the power of positive praying, but just because you believe God is going to answer in the affirmative, doesn't mean He is going to. He may answer in the negative. If God has already spoken in the Word, there is no need to question it. You seek another answer and it won't be from God. Balaam was called a man of God, but he went back and asked God again, and he listened to the spirit that talked to him. We had better be careful that we don't allow Satan to lead us off into this idea of power of positive praying. It sounds good, but it is only a half truth.

People are enticed by those things that catch their eye. If we look around in sister fellowships, I think of these as sisters to the Bride, if you are not careful, that spirit will get on you. We cannot obtain the unsearchable riches of Christ by a positive mental attitude. You obtain those as the Spirit directs. You don't accomplish these things by power of mind, but through openness of the heart, inspired by the Spirit of God, directed by the Word of God. The Church must stick to the doctrine outlined by the Holy Bible. We must preach and teach the unsearchable riches of Christ, which does not necessarily have anything to do with the abundance of material things. Materialistic attitude will destroy the working of the Spirit in people's lives. Ephesians 3:16, 19. The divine purpose, according to Paul, is that the Church might make this known to the entire world. Church, we have no choice but to tell it like it is. God has brought us this far, and He won't let us down. We have done great things in the sight of God, and we have a great work to do.

9:18 In the Process of Time—message and altar invitation by Robert J. Pruitt, Communications Minister. Excerpts: Genesis 4:3. This indicates that there is a process of time involved in every aspect of God's plan for man. Ecclesiastes 3:1, 17. With creation, God established a timetable which He programmed the fulfillment of every detail of His plan for man on earth. As nature must wait for the process of growth, development and maturity, so must man wait for the fulfillment of God's plan. Galatians 1:4, 5. Once Jesus appeared, according to prophecy, He would not act before His appointed time. When those of His own household urged Him to go into Judea so He could demonstrate His miracle working to His disciples, His answer was, "My time is not yet." Mark 1:15. Even though the plan of God was made before the world was formed, it is revealed today by the preaching of the Word. That is why it is so important to preach the Word of God. Titus 1:3.

When God's time comes for the fulfillment of any event, nothing can stop it. God warned the world through Noah, that there was going to be a flood; when God was ready to form a nation from the descendants of Abraham, Israel was born; it still exists just as the Word of God said it would, and it will never be annihilated. When God was ready for them to go to Egypt, they

went. When God's time came for them to leave Egypt, they left. When God was ready for His Son to come into the world, He came at the moment that it was prophesied He would come. When it was time for Jesus to establish the Church, He set it in order and in motion. When it was time for the Church to go into the Dark Ages, it disappeared from view. Then it was time for it to rise from its long slumber of over fifteen hundred years, it arose. The Church is in the finishing of time in this dispensation. It must be gathered together and perfected. Ephesians 1:10. We are in the dispensation of the fulness of time. Just as a computer will respond to the program that is put into it, so will the people of the world respond to God's timetable. When the task of the Church is completed, Christ will return and resurrect all the dead saints and snatch them up together with the living saints in what we call the Rapture. Although we do not know the exact time it will occur, we do know we are very near the completion of the Church Age because of the many fulfillments of prophecy. The Prophet Daniel prophesied that there would be 70 weeks specifically related to the Jews; 69 have expired, and we are rapidly approaching the 70th week. The last week will be the seven years of tribulation upon the earth. 1 Thessalonians 5:3.

The Bible is the best barometer for the age. God does not reveal the time and place events will happen, but He tells us to be prepared. In his vision on the isle of Patmos, John saw the announcement of the end of the mystery of God in relation to the work of the Church. Revelation 10:5-7. One of these days, the Church will have completed its work, and Christ is coming for it. Before the world was born, God knew what was going to be; the program cannot be changed. We have opportunity to be prepared for the inevitable events that are coming upon the earth—the Rapture, the Tribulation, the Millennial reign, the Great White Throne Judgment. 2 Peter 3:10. The world as we know it, one of these days, is going up in a puff of smoke. John 7:6. When Jesus' time came, He knew because the same Spirit that moved upon the writer of the prophecy moved upon Him. 2 Corinthians 6:2. (Altar music and singing directed by Nelson Raburn.)

Report of the Visual Department

August 1, 1980 through July 31, 1981

The Visual Department has sent out 304 16MM films and 35MM slide sets this year. A few comments about the films from local churches were: "A

beautiful film, a great blessing to our local church. God bless those who made it possible." "Excellent film, very inspirational and educational. A great help to our church. The film expressed a great picture of Fields of the Wood to those who have not been there." "A film that truly was worth more than a thousand words."

We are glad that the films are a blessing to our people and hope we can continue to be a blessing to the churches by sending films.

10:03 Fields of the Wood on Display—James Whittaker. Luke 19:40. Truly the stones are crying out in the last days message to thousands. I have seen people leave changed because they heard what the stones have to say. The outreach is tremendous. We landscaped additional picnic ground, built new restrooms, a new parking lot has been prepared, many repairs on maintenance equipment, and new ceiling was installed in gift shop. It is estimated that 65,000 people came in more than 140 buses, 60 vans, pickups, station wagons and many cars; 152 were baptized in water. I preached more than 400 messages, baptized six, preached in one district convention, attended two state conventions; delivered a slide presentation and message at one.

10:08 Singing by the Wright Family; Mary Nell Hackleman.

10:19 June 13 on Mt. Hittin—E. E. Van Deventer/Darrell Creel. Brother Van Deventer comments: Isaiah 2:2; Psalm 72:16; Mark 3:13. A very important part of doctrine is displayed on Mt. Hittin to stop the confusion of many people who preach that the Church started on the day of Pentecost: It started with Jesus, Who proved to be the Son of God and set His Body, the Church, in order. On June 13, 42 people gathered, and the Lord blessed in a nice program; Brother McCalla and a tour group from England were present, some people from Bahamas, one from Jamaica, one from New York, one from Tennessee. I would like for us to be able to point more people in Israel to the truth of God's Word through our marking program.

Darrell Creel—Mt. Hittin overlooks the sea of Galilee and in Hebrew it means the horns of wheat—you read about the handful of corn. To the South is the place where Christ was probably transfigured; to the East where He walked on the water and where the multitude of fish were caught; to the West is Nazareth where Jesus was reared; to the North are the mountains where He traveled and preached. Surrounding are the areas where Jesus ministered and cared for the people. He gave all His energies, comfort, not even having a place to lay His head; He laid it all on the line for you and I that we might know the value of salvation and the Church of God. He gave His life for us. That is quite a price, and we must continue our work. When He went to Galilee, don't forget that He went up into a mountain and called unto Him whom He would, so they could do the work of God. We are here to continue

what was begun there.

10:51 On Display—message by C. S. Pennington, General Secretary. Excerpts: Nations display their strength through weapons of war. Sometimes if an article doesn't sell well in a store, it is put on special display to draw attention. Many times you and I are the only Bibles that people read. It is our everyday actions that speak louder than all the words we say. Many times from the pulpit we expound out beautiful doctrine of how we ought to live when we should be out there before the people. If they can't find it in our everyday lives, they become worried about what our message is to them. Songs of Solomon 6:9, 10. The Bible says she is but ONE. (Lady in center of platform is dressed as a bride; she holds the Church flag in one hand.) Psalm 60:4; Isaiah 13:2; 5:26, 27. They are going to come from the ends of the earth. (On the platform were signs of the five auxiliaries with someone standing behind each with a small flag in his hand.)

I have been teaching the auxiliaries in BTI for a few years, and I get mighty excited about them. The auxiliaries are given to the Church as helps. Someone has said that the Church could be the Church without any of these, but what a blessing to have these helps in the Church to serve and promote the interest of the Church. 1 Corinthians 12:28; Isaiah 9:6, 7.

These five auxiliaries are on display in almost every local church throughout the world. The purpose of the Sunday School is to teach the Word, to win souls; to build the Church. It helps the community and is a very vital teaching arm of the Church.

The original purpose of the ABM is to see that each member of the Church is properly cared for; and aid to assist the pastor in caring, keeping and protecting the members. While the pastor and the band leaders work together for this purpose, it should be remembered that the ABM not only encourages the spirit of caring, protecting among those in leadership, but also among the members, so that each member will have this care one for another.

The purpose of the VLB is to train young people for Christian service; to bring nourishment to the Church and through their efforts bring in new members to the Church; to be an example to other people; to raise funds for printing the gospel.

The purpose of the WMB is to stimulate and solicit mission funds,

clothing, etc. for home and world missions. The band will assist the pastor in increasing the mission offering on the second Sunday of each month; and in such other ways as may seem good to the band; especially assist with the World Mission drives in March and October.

The purpose of the CPMA is for locating, marking, beautifying and maintaining prominent places in the world in connection with the Church of God of the Bible, to be approved by the General Overseer.

I have mentioned the five auxiliaries, but our leadership in the Church plays one of the greatest roles of building the Church of God. A leader will guide and be the commander. 1 Timothy 4:12. There is a requirement that everyone walk by the same rule. Our leaders should be filled with the Holy Ghost, have a vision of the Church and be loyal. If they have no leadership vision, the people of the Church will perish. Three vital traits of great leadership is wisdom, knowledge and zeal.

The ministry is given for the perfection of the Church. 2 Corinthians 3:5, 6; 6:3, 4. Let us keep the spirit of God. Sometimes as we are driving, we see the sign "Drive carefully, you are on radar." Ministers, that is about the way it is in the pulpit. Ephesians 4:11-14. I am preaching about the work of the ministry, and our responsibility. Did you ever notice how easy it is to pattern after somebody else? The Church is the only one, and I don't think we have to have anyone to pattern by. We should follow the Book. Philippians 3:13-16.

Some don't like the name of Sunday School, and we change the name; you just leave it alone. Some say I don't like VLB, I would like to be the youth group or because some other church has a prettier name. VLB sounds good to me. I like what the auxiliaries say. You can't change WMB much. There is the ABM. I like the undershepherds, and all this other work they have tied in this, but it is still ABM. Let us walk by the same rule. If we bring something that would hinder the interest of the Church, we are hurting the Church, as well as ourselves.

Within the ministry, every man has his work. 1 Corinthians 12:14. We have different ideas and opinions, but we can have the spirit of the Church of God. Ephesians 5:25-28. It is going to take us all working at the job to get that done. We have been given the ministry, leadership, and we stand in the gap with the eyes of the world upon us. There is something special about what we are doing. It is said of Mary and Martha that Mary hath chosen that good part which shall not be taken away from her. Lot of people are interested in other things of this world, but I want us to work at the job that you and I are accountable for. The Rapture of the Church depends upon the perfection of the Church. I am looking forward to the Rapture, as the Church will have reached her perfect state and made herself ready as the Bride.

11:45 Londa Richardson led congregation in singing "When the Church of God Arises." Ruther Turner presented the General Overseer a painting of

our former tabernacle on Central Avenue.

7:33 Unto Him Be Glory in the Church—message by Billy Murray, Assistant Editor. Excepts: Ephesians 3:20, 21. The building of the Church of God continues today, and its purpose is to bring glory to God by Jesus Christ. God's marvelous plan was wonderfully prefigured in His dealings with Abraham. In causing Isaac's birth to be delayed until there should be born Ishmael, by the bondwoman, God gave a beautiful portrayal of the two nations He would use to bring glory to His Name. Isaac became the progenitor of Israel; Isaac in a spiritual sense represented another nation to appear later, which would be called the Church of God. Ishmael became a type of Israel. Galatians 4:22-26, 28-31; Genesis 17:20.

The children of Israel, who came through Isaac's loins, became the "church in the wilderness." Exodus 19:5, 6. It seems sad that the seed of Isaac should falter in their commitment to theocracy and become a people represented in type by the son of a bondwoman. With God bringing them forth from Egyptian bondage and the mighty display of His power at Mt. Sinai, we wonder that they failed to respect His leadership.

God's promise was to have a people who would make known His excellencies to all creatures—to be His witnesses. Likewise, the Church's importance today is that we might show forth the praises of our God. Self-glory has always been a problem with man ever since the Garden of Eden.

"What is man, that thou art mindful of him?" When our spiritual experience loses its vitality and our service for the Lord becomes perfunctory, we are likely to have ego trips. Jeremiah 2:13. Israel attempted to survive by holding on to certain observances and rituals. Feeling themselves to be special because the Law had come to them through Moses, they saw no need for divine intervention. When Jesus came to them, sent from God, He was an intrusion.

Without a living faith, they felt secure in their dead forms while boasting of their special relationship with God as His chosen people. Romans 9:31, 32. They felt they had received through Moses all they would ever need, and their minds were closed to any additional revelation from God. Jesus, Who became a stumbling stone to them, took His place as the cornerstone in the

true temple which would be built of a people who would be responsive to the voice of God. Zechariah 6:12-15.

How grateful we should be to participate in God's glorious plan of the ages and be a part of this holy temple which is being built by our Lord. While in this instance God uses the temple as an analogy of the Church, at other times the Church is defined as the Body of Christ. It is being alive by His Spirit that is absolutely essential for the Church to function in a manner which brings glory to God. That is why, when Jesus set the Church in order, He commanded them not to depart from Jerusalem but to wait for the promise of the Father. The Holy Ghost was the early Church's power for service. The Body without the Spirit is dead. John 16:14. The genius of man can only bring praise to man. God chose two nations to become a special people—Israel and the Church of God. Israel has never been able to boast of their superior numbers in the battles they have won; their victories could be attributed only to divine intervention.

When they were rejected, a new nation was instituted by Jesus Christ to replace them and it was referred to as a "foolish nation." Deuteronomy 32:20, 21; Romans 10:19; Matthew 21:43. Israel could not boast of their strength, nor we of our wisdom. 1 Corinthians 1:26-31. The early Church for awhile escaped the domination of humanistic thinking and control, and God displayed His power in miraculous ways. The signs which followed could hardly have led to the glorification of these servants of the Lord, because the things accomplished were beyond the abilities of man.

Man has never had control of the Holy Ghost. Organization is necessary, but there is danger in the Church operating as an organization which methodically discharges its duties. The Church of God is a living organism whose life flows from its Head, Jesus Christ. Without the Holy Ghost, this living organism would become just another organization, which might run quite smoothly under efficient leadership.

This is the route the early Church followed. It was due to a gradual increasing dependence upon human wisdom and abilities and a decreasing dependence upon the Holy Ghost. When our vision of God becomes stale, there is the tendency for our humility to be replaced with a sense of self-sufficiency and pride. His repeated calls for us to humble ourselves seem to have gone largely unheeded. There must be a dying of self. The Lord alone shall be exalted in this second chosen nation—the Church of God. Lamentations 3:22, 23; Jeremiah 13:15, 16.

John 5:17, 30. When Satan came to Jesus in the wilderness, his objective was to induce Christ to act independently of His Father, but after fasting and praying forty days He did not feel independent. James 4:6; John 15:5. To overcome this spirit of pride, we must be crucified with Christ. Acts 4:33; 1 Corinthians 15:10. When we fail to be awed by His presence, we will soon be beset by feelings of our own self-importance.

It is not by our own merit that we are saved but through Jesus Christ Who

offered Himself in a shameful death for the sins we had committed. Psalm 34:18; Isaiah 66:1, 2. "Blessed are the poor in spirit," said Jesus. There must be a total emptying of ourselves to be filled with the Holy Ghost. The Body of Christ must be emptied of humanistic influences to be filled with the Holy Ghost. In His Spirit, we shall go forth boldly claiming our possessions and become that in which He alone shall have glory forever.

Interpretation of message in tongues—"Ye shall receive power after I have come upon you. How long shall I be tied? I've been sent to bring you power. How long shall I be bound? I've been sent that ye might have power. Let me loose." (Dennis and Barbara Howard directed music and singing during altar service.)

8:49 Songs led by Dan Howell with Mike Flippo, pianist and Ron Scotton, organist. Isaiah 60:1-8 read by Dennis Gann; prayer by James W. Guire.

9:00 Two songs by South Florida Mass Choir.

9:10 Former pastors of Brother Tomlinson sat on platform as his pastor, J. E. Brisson, delivered a message on Your Adversary, the Devil. Excerpts: 1 Peter 5:8, 9. The imagery behind the text is that of a shepherd watching over his flock by night, and a lion stalks in the background waiting for the shepherd to sleep so that he might attack the sheep and waiting for a sheep to go astray. In the Middle Ages, a Roman Catholic put on miracle plays over Europe portraying Satan with a long tail with a three-pronged pitch fork in his hand. Church of God, he doesn't look like that. He is beautiful, alluring, seductive and convincing.

Ezekiel 28 describes Lucifer as perfect in beauty; Isaiah 14 describes him as the son of the morning; 2 Corinthians 4 describes him as an angel of light. He is not only prowling the earth today, but every home, every church and every nation. Revelation 12:3, 4. Lucifer elevated himself until he attracted one-third of the angels to follow him, and they were all cast down to earth. We wonder why so many angels followed him out of heaven, but it is the same reason that thousands of people today follow Satan. He is alluring even to the children of God who get their eyes off the Lord. He was the star of the morning—not the bright and morning star. Great personalities today like to call themselves stars. When we call men stars, we are stating that they are little Lucifers, becoming seductive and convincing that this is the way to get ahead and have something in this world. Church, Satan will cause us to want to be stars in the Body of Christ and to elevate and lift ourselves up. There are no stars in the Church of God. We are all servants of the Lord

Jesus Christ. The Bible doesn't know about talent as we know it. In the Bible, talent is a measurement. We have taken the gifts of God and called them talents. The devil is not in the gutter, in prisons or in the world. He is stalking the Church of God, our homes, us, trying to cause us to lose our contract with God.

Job 1:7. Satan is not dead. There is a lot of restlessness in the Church seeking change; discontent and dissatisfied. The human race is restless because the devil is loosed on earth in these last days. Church of God, it is time that we awake and realize that Satan is lurking. Revelation 12:12.

Many places in the Bible speaks about wrath as the judgment of God. This wrath means that in the last days Satan has come upon the earth with wrath. Woe to every inhabitant of the earth because Satan will stalk the human race and cause us to be restless. He has such a short time to prance around that he wants to destroy everyone he can. Band leader, the devil is stalking your flock and wanting you to become careless so he can attack your flock; pastor, he is encircling your church; overseer, he is stalking your state; Brother Tomlinson, he is stalking the whole Church of God. Don't panic; the Bible tells us to be sober and vigilant; don't slumber. The Scripture admonishes us to stay awake and resist him steadfastly—just like Daniel in the lion's den and the Hebrew children in the fiery furnace. We are in the very last days. The Bible says to submit yourself to God, resist the devil and he will flee from you. That is putting your faith and trust in God.

Ephesians 6:10, 11. In the closing Epistle, there is one thing left unsaid. I have written to you, talked about the government, discipline, the relationship of the home and the church, the brothers, the sisters, the slaves, the master. Paul said to the church at Ephesus one thing remains to be said, "... be strong in the Lord, and the power of his might." Lucifer has many games; he is an organizer. He didn't just turn those demons loose he took out of heaven; he has them organized and their wives are to stalk us and make the whole world look alluring and get us confused as to who we are. His methods worked in the early Church. Narrated Matthew 17; Matthew 18:1. We ought to be on our knees fasting and praying and seeking God for direction for the whole Church of God. It is not time for us to argue and bicker. All the hope we have in this life is to stay on our knees before the Lord Jesus Christ.

**General Overseer's Annual Address
Before the Seventy-sixth Annual Assembly
of the Church of God**

THE CHURCH OF GOD FLAG PLEDGE

I pledge allegiance to our Church flag, and to the doctrine for which it stands—one God, one Faith, one Mind, and one Church for all. Amen!

THE BIBLE PLEDGE

I pledge allegiance to the Bible, God's Holy Word. I will make it a lamp unto my feet and a light unto my path. I will hide its words in my heart that I may not sin against God.

INTRODUCTION

"Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world. Amen" (Matthew 28:19, 20).

This commission by Christ to His Church has become commonly known as the *Great Commission*. As an introduction to this Annual Address, I feel it would be good to go directly into taking another look at the Church's commission and responsibility. It is important that we keep before us a clear concept of the reason for our existence. It seems easy to become distracted from the Church's true purpose, having our attention diverted to issues of lesser importance, and as someone has described it, to begin "majoring in minors." We cannot afford this kind of diversion in this momentous decade.

Mark records the following action by Jesus: "And he goeth up into a mountain, and calleth unto him whom he would: and they came unto him. And he ordained twelve, that they should be with him, and that he might send them forth to preach, And to have power to heal sicknesses, and to cast out devils" (Mark 3:13-15). We may learn in this account of the initial organization of His Church something of His purpose.

First, it was that they should *be with Him*. There was so much they would need to learn from this One who had come down from heaven to reveal the Father to them. His manner of teaching would not be simply with words, but God's righteousness would be exemplified in His life every day. The love and mercy of God would flow through Him, reaching out compassionately to minister to the needs of people whom He regarded as *sheep having no shepherd*. This they would need to witness; so, He ordained them that they should *be with Him*. There was so much they would learn by being with Him.

Not only would they need to observe the display of His miraculous power over all the power of the enemy; they would be exposed to a spirit and attitude far different from that to which they were accustomed. One of His apostles, Simon Peter, who was ordained on that memorable day, would later write the following about that Man from whom he had learned so much: "Who did no sin, neither was guile found in his mouth: Who, when he was reviled, reviled not again; when he suffered, he threatened not; but committed himself to him that judgeth righteously" (1 Peter 2:22, 23).

Yes, it was necessary for them to *be with Him*—that He might *send them forth to preach*. His stay upon this earth would be very short, and it was His business to build a Church which would faithfully carry on His ministry in His

absence. And this is the purpose for which the Church was instituted and commissioned—to go forth with the work which was begun by Jesus Christ, the work to which the Father had appointed Him. “As my Father hath sent me”, Jesus said to His infant Church, “even so send I you” (John 20:21).

It is reassuring to know that the purposes of God cannot fail. Although He foresaw the weakness of man which would lead the Church into apostasy for a period of time, He who was declared by Peter to be the *Son of the living God* said very positively that the gates of hell would not prevail against His Church. All the purposes for His Church shall be fulfilled. There is no power that can prevent this.

Arising from her apostasy in this century, the Church moves ahead with the same commission and responsibility she was given by Jesus in the First Century. It is important that we be absolutely faithful to our charge which has come from God. We are not our own—we have been bought with a great price. We have been purchased by the blood of the Son of God. We have no message of our own—we bear the message of the One who sent us. Sometimes reference is made to the Church message, but in reality all we are commissioned to carry is the message of Jesus Christ. It is His message, not ours. Paul wrote to the church at Corinth, “We preach not ourselves, but Christ Jesus the Lord” (2 Corinthians 4:5).

When Jesus gave orders to His Church to take His Word to all nations, His instructions were, “Teaching them to observe all things whatsoever I have commanded you” (Matthew 28:20). Among the things Christ taught was a subject which seems especially timely for this generation; that is, the unity of His believers. The Church should be very positive with this subject. It is something we have been commissioned to teach, and if we should fail to do so we would be remiss in discharging our responsibility. It is a message from God, revealed to us by Jesus Christ, and we proclaim it with His authority. It is not really the Church’s message; we have only been sent by Jesus to proclaim it.

While this is a subject which has received heavy emphasis among us, to preach it alone is not the extent of our commission. Some of Christ’s greatest teachings are recorded in what we commonly call the Sermon on the Mount. Much of what He says to us in this sermon deals with our attitudes and feelings. Christian truths may not be adequately set forth by words only; they are best taught by our manner of life. It is possible for people to be so dogmatic and arrogant in the proclamation of a valid subject that they lose their effectiveness for communicating the truth.

Our responsibility is to represent Jesus. We are here in His stead. Not only do we have an obligation of faithfulness to the truths He proclaimed, we are representatives of His goodness, of His love, of His compassion. We live in the midst of a world that needs help, a world which God so loved that He gave His Son. This world needs to know the love of our Saviour, and they will know it as they feel it flowing from us. We have not been sent to condemn the world, but to point them to freedom from their condemnation.

We can be the *light of the world* only as the beauty and power of Jesus radiates from the Body of Christ. Ours is not a commission to take simply a message of words to a lost world; it is rather to go forth with His love and compassion to heal the brokenhearted, to bring deliverance to the captives and to set at liberty them that are bruised by Satan. We have not been sent to antagonize other believers with a sense of arrogant superiority, but to love as Jesus loves, healing hurts, doing all that is in our power to eliminate those things which create divisions among brethren. Jesus said, "By this shall all men know that ye are my disciples, if ye have love one to another" (John 13:35).

The world must know, and the world shall know. We have a mandate from the Lord. We have a message for the nations.

ONE CHURCH FOR ALL

Spiritual revelation of divinely inspired truth is something to be treasured. Such truth cannot be perceived by mere intellectual pursuit. When Simon Peter replied to Jesus, "Thou art the Christ, the Son of the living God", Jesus said, "Blessed art thou, Simon Bar-jona: for flesh and blood hath not revealed it unto thee, but my Father which is in heaven" (Matthew 16:17). It is interesting to note that Jesus' own brothers did not believe on Him at this time, but neither would Simon or any of the other disciples have believed without a divine revelation. Such revelation is the bedrock of our faith, and we can always consider ourselves as blessed to hereby receive understanding of God's Word.

A truth which many still have not received today is that which the Bible teaches concerning *one Church for all*. If you are one of those to whom this truth has been divinely revealed, you should be especially thankful. Yes, spiritual revelation of divinely inspired truth is something to be treasured.

There are those without this revelation who even oppose the concept of corporal unity for God's people. They seem willing to accept the divisions fostered by Satan as something we must tolerate. But we cannot accept this as being pleasing to the Lord. He is a God of unity and desires unity for His people. Our unity was very much on the mind of Jesus on the eve of His betrayal when He prayed that prayer of intercession which John recorded. Let's read again a portion of that prayer:

"Sanctify them through thy truth: thy word is truth.

"As thou hast sent me into the world, even so have I also sent them into the world.

"And for their sakes I sanctify myself, that they also might be sanctified through the truth.

"Neither pray I for these alone, but for them also which shall believe on me through their word;

"That they all may be one; as thou, Father, art in me, and I in thee, that they also may be one in us: that the world may believe that thou hast sent me.

"And the glory which thou gavest me I have given them; that they may be one, even as we are one:

"I in them, and thou in me, that they may be made perfect in one; and that the world may know that thou hast sent me, and hast loved them, as thou hast loved me" (John 17:17-23).

This prayer just does not allow for the present divisions we are witnessing among believers to continue. Such division violates the very nature of God, a nature to which Jesus referred when He prayed, "that they may be one, *even as we are one*." For the Church to let down in its continuing cry for the unity of all believers would be to fail Jesus. Our ideals must match His. His concerns must be maintained within His Body, the Church. His prayer was, "that they may be made perfect in one." This remains the message and prayer of the Church of God, and we shall not allow Satan to deter us from this goal.

In his letter to the Corinthians Paul stood boldly against what he saw as the enemy's attempts to create factions among those early believers. He wrote, "Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same thing, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment" (1 Corinthians 1:10). To create divisions and disputes among these early followers of Jesus was a sure way to weaken their testimony among those to whom they had been sent to witness, and Satan was on his job in Corinth.

As Paul continued his letter he wrote, "Now this I say, that every one of you saith, I am of Paul; and I of Apollos; and I of Cephas; and I of Christ. Is Christ divided? Was Paul crucified for you? or were ye baptized in the name of Paul?" (vv. 12, 13). Yes, this spirit of *divide and conquer*, wherein loyalties and allegiances would be given to human leaders above one's loyalty to Christ, was now at work, and the power of the Church's witness had begun its decline.

The denominational divisions of our day must be viewed also as a hindrance to the kingdom of God. We do not feel that these factions which cause followers of Jesus to be separated into groups at variance with one another should be regarded as something which Christians must continue to tolerate indefinitely. God has not left us without a remedy to this disruption of unity which Satan has brought about. Our great Commander has instituted a plan for uniting all His forces to show forth His mighty power in this battle of the ages.

It was in God's providential wisdom to bring forth His Church, in this century, out of the apostasy into which it had sunk many centuries previously. It was to come forth bearing the same message which was committed to it by Jesus Himself when He set it in order and commissioned it nearly two thousand years ago. Faithfulness to the Word of God with a determination to remain free from unscriptural traditions—nothing less would qualify it as the reemergence of the Church of God.

There was no thought by that small group of believers who gathered at the

base of Burger Mountain on June 13, 1903 that they were beginning another denomination. No! There was enough division already. As a result of that meeting their avowed purpose was to **be** the Church of God of the last days. Keeping themselves true to the Bible as the Word of God, with the New Testament as their rule of faith, practice, government and discipline, they would provide a nucleus to which all sincere believers could be joined. This was God's remedy for the disunity of His people.

It was certain that Satan would do everything in His power to disrupt and hinder the purposes to which this group had thus dedicated themselves. There have been times when the survival of these purposes seemed almost hopeless. But God has always had someone who would stand up against Satan's efforts to destroy the Church of God. And I believe we have in our number today a host of dedicated men and women who are willing to give their lives for the preservation of theocracy.

If there are those among us who do not feel this way, surely it is because they have not yet seen clearly this glorious truth of *one Church for all*, a uniting of God's children in one body, to be the functioning Body of Christ on earth. If these will continue seeking the Lord with open hearts, I believe He will reveal this to them.

In *contending for the faith* there must be no wavering from our strong scriptural positions. We have a message which must be declared positively and without any apology. The pledge which we made to our Church flag a few minutes ago is a pledge for unity—one God, one faith, one mind *and one Church for all*. Thank God for this precious truth which is not revealed by flesh and blood but by the Spirit of God.

THE DOCTRINE OF REPENTANCE

"Then opened he their understanding, that they might understand the scriptures, And said unto them, Thus it behoved Christ to suffer, and to rise from the dead the third day: And that repentance and remission of sins should be preached in his name among all nations, beginning at Jerusalem" (Luke 24:45-47).

No honest reader can deny the prominence of the doctrine of repentance in the pages of the New Testament. The message of John the Baptist who came to prepare the way of the Lord was "Repent ye: for the kingdom of heaven is at hand" (Matthew 3:2). Jesus preached repentance, the apostles preached repentance, and repentance has been a prominent teaching of the Church ever since its arise out of the Dark Ages. In the listing of the Church's twenty-nine teachings made prominent it appears as the first of these teachings.

It is important to remember that there can be no remission of sins without repentance. Repentance is preceded by godly sorrow which we commonly call conviction, a work of the Holy Ghost. Paul wrote, "For godly sorrow worketh repentance to salvation not to be repented of . . ." (2 Corinthians 7:10). Now godly sorrow must not be mistaken for repentance. Many

people have experienced godly sorrow, as the Holy Ghost convicted them of their sins, yet they resisted this conviction, being unwilling to forsake their sins.

Repentance involves confession **and forsaking** of one's sins. This, coupled with faith, will bring forgiveness for these sins—salvation for the soul. In many religious circles today there seems to be great emphasis upon faith in attempting to make converts, without the accompanying doctrine of repentance.

This one-sided approach may result in large numbers of people professing to be Christians while still living in sin. The Church must not fail to emphasize that two things are necessary for justification—repentance and faith. Either of these alone does not satisfy God's requirement whereby a person may stand justified before Him.

Faith is an absolute necessity for justification. Paul wrote, "Therefore being justified by faith, we have peace with God through our Lord Jesus Christ" (Romans 5:1). But we must conclude that a superficial faith which does not require the forsaking of sinful practices will never find acceptance by God.

John records an interesting account of Christ's conversation with some people who believed on Him: "As he spake these words, many believed on him. Then said Jesus to those Jews which believed on him, If ye continue in my word then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free. They answered him, We be Abraham's seed, and were never in bondage to any man: how sayest thou, Ye shall be made free? Jesus answered them, Verily, verily, I say unto you, Whosoever committeth sin is the servant of sin" (John 8:30-34).

Although they believed on him, we hear Jesus saying to them a little later in this conversation, "Ye are of your father the devil, and the lusts of your father ye will do" (v. 44). An unwillingness to abandon the lusts of the flesh, and to take up one's cross and follow Jesus disqualifies a person from becoming a disciple of our Lord.

In his epistle James dealt with the subject of superficial faith when he wrote, "What doth it profit, my brethren, though a man say he hath faith, and have not works? can faith save him?" (James 2:14). James went on to say, "Thou believest there is one God; thou doest well: the devils also believe, and tremble. But wilt thou know, O vain man, that faith without works is dead" (vv. 19-20).

Now we are not belittling faith, without which no man can come to God; we only want to emphasize the teaching of repentance. Conviction by the Holy Ghost reveals to a person the ugliness of his sins in the light of God's righteous judgment. Sensing one's guilt and the awfulness of sin brings deep remorse to a sinner. As this burden of remorse bears heavily upon his spirit, he becomes willing to renounce his sinful living, turning his back upon and forsaking all that is in violation of God's Word.

When he thus renounces and turns from his sins, his faith in God's grace

and mercy brings him to a state of justification before God. Repentance and faith brings about new life in an individual, wherein old things pass away and all things become new. Without repentance, however, there can be no justifying faith.

God is merciful and forgiving, but His is not a forgiveness for sins not forsaken. To continue living in sin while claiming justification by grace through faith belittles the power of Christ's atoning death. His death was to destroy sin's power over man. Salvation is deliverance from sin's bondage—freedom from sin.

Many people seem to feel they have repented when they have shed tears of sorrow. It must be emphasized that godly sorrow is not repentance. It brings us to a place of repentance, at which place there must be an act of the human will to forsake every act that is in opposition to God's holiness in surrender to the will of God.

This is not to suggest that a man can save himself by his works. No man has the ability to save himself; it is by the grace of God through faith that we are saved. It is by the grace of God that sins repented of are forgiven. We do not merit such forgiveness, but it is by the amazing grace of God that we receive it.

We must remember, however, that God extends His grace to forgive only those sins which are repented of, those sins which are forsaken. Those people who are counting upon a shallow faith in Jesus for the forgiveness of sins, without the required repentance, will go to the judgment with their sins following them.

The Church must not fail to reach lost humanity with the gospel of Jesus Christ which Paul described as "the power of God unto salvation." A very important part of this gospel is the doctrine of repentance—there can be no salvation without it.

NO SUBSTITUTE FOR SPIRITUALITY

"And be not drunk with wine, wherein is excess; but be filled with the Spirit" (Ephesians 5:18).

When one hundred and twenty persons were filled with the Holy Ghost on the day of Pentecost, there was very soon a great deal of excitement within the city of Jerusalem. Being amazed at what they were beholding, some of the onlookers at the strange behavior of these Galileans accused them of being *full of new wine*. In his defense against this accusation Peter stood up and declared, "These are not drunken, as ye suppose, seeing it is but the third hour of the day. But this is that which was spoken by the prophet Joel; And it shall come to pass in the last days, saith God, I will pour out of my Spirit upon all flesh" (Acts 2:15-17).

The success of a church, every member of which is filled with the Holy Ghost, can be attested to by the record which says, "And the same day there were added unto them about three thousand souls" (v. 41). The Church will

never find an acceptable substitute for being filled with the Spirit!

To His infant Church Jesus gave constant reminders of the ministry which the Holy Ghost would exercise among them following His departure. Just prior to His ascension He commanded them that they should not depart from Jerusalem, but to "wait for the promise of the Father, which, saith he, ye have heard of me. For John truly baptized with water; but ye shall be baptized with the Holy Ghost not many days hence" (Acts 1:4, 5).

The successes which the early Church enjoyed can be attributed to the manner in which they allowed the Holy Ghost His rightful place of leadership among them. It has been said that the Acts of the Apostles in reality could be called the Acts of the Holy Ghost, so dominant was His ministry in the records of this book. As long as they gave the Holy Ghost the freedom for leadership within the Church no opposing power could withstand their advances. It was only after they had gained a sense of self sufficiency that their power with God diminished.

Now, organization for God's people is scriptural and not to be despised. We believe God has set certain helps and governments within the Church, which are to be appreciated. But no program, no matter how well outlined and planned, can within itself assure spiritual victories for the Church of God. Only as the Spirit is given preeminence in all our doings will God be glorified, and unless our efforts meet His approval they are all for naught.

Through the years many plans have been set forth with great anticipation for the results they would achieve. Hopes have soared with expectation for great accomplishments, only to be revealed as false hopes time after time. It seems hard for man to admit his own inabilities and weaknesses and trust wholly in God's power. But for this spiritual warfare in which we are engaged there is no other way to victory.

When our Big Business Program was launched in 1928, many viewed it as the answer to the need for an organized approach to world evangelization. Now there was nothing wrong with these methods for organizing our people which were proposed in that Assembly of 1928. The limited successes they have afforded can be attributed to the degree of spirituality with which they have been operated. Any plan not empowered by the Holy Ghost is not the answer to our needs and will not secure victories for the Church of God.

In recent years we have put great emphasis upon the importance of reaching and saving our youth. This is certainly a commendable goal, worthy of our best efforts, and we thank the Lord for all the good that has been done. Youth Camps, where the Holy Ghost has been welcomed and given freedom, have proven to be a genuine asset in ministering to the needs of young people, and I believe all who have taken part in these endeavors will agree that the most wonderful part of these camps is the Spirit-filled services.

It seems sad that many of these young people, upon returning to their local churches, do not find the same kind of Holy Ghost filled services which were such a blessing to them in camp. Some seem to feel that there needs to be a greater involvement in providing recreational opportunities for our young

people at the local church level, and are beginning to do so. While there is an apparent need for some activities which lend themselves to social development, we might have something to learn from our youth camps along this line. Here they are provided supervised recreation which they find very enjoyable and helpful toward their social development. But these camps would never serve their highest purpose were it not for the Spirit-filled services where the campers are refreshed and blessed by the presence of the Holy Ghost. In our local churches nothing else can suffice for the freedom of the Holy Ghost to take over and fill hungry hearts.

There is just no substitute for spirituality in all our planning and programming. The same thing applies to individual ministries. After years of ministering a pastor or an evangelist could begin to feel the adequacy of his own abilities in filling the role expected of him. Relying upon his experience he would be able to carry out the mechanics of his particular ministry, whether in the pulpit or in the homes of those he serves. But let me emphasize again, there is no substitute for spirituality.

Ministering to spiritual needs can be done only through the anointing and inspiration of the Holy Ghost. This is why Paul wrote, "And be not drunk with wine . . . but be filled with the Spirit." It seems easy to become intoxicated with material things. Yes, a person can become intoxicated even with his own self importance and with his ability to manipulate people. With such ability he may succeed at times in building large followings; however, in times of storm and testing such structures as are hereby built will crumble to the ground, and both he and his following are to be pitied.

This was not the kind of intoxication which caused the disciples on the day of Pentecost to be accused of being drunk on new wine. At that time their faculties had been taken over by the Holy Ghost, so that they were not their normal selves. Their usual inhibitions were gone as the Spirit took control of these followers of Jesus. Hereby they were emboldened to do and say things they would not have done or said a few hours earlier. What was the difference? They were filled with the Spirit!

In our work today the same need exists. In fact, to be filled with the Spirit is an absolute necessity for the Church of God. We are involved in something which man's wisdom did not devise; therefore, it cannot be operated by man. Conceived in the mind of God, He alone can carry through what He has purposed to its completion. Yes, He will use men and women, but it will be men and women who are filled with the Holy Ghost. There is no substitute for spirituality.

NEEDED—PACESSETTERS

The Scriptures foretell glorious things ahead for God's Church. The apostle Paul wrote, "Till we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ" (Ephesians 4:13). Not many Christians have

apprehended the depth of truth contained in this verse of scripture. Surely the apostle was inspired by the Holy Ghost as he wrote of these four areas which I feel like calling to your attention at this time.

Till we all come in the unity of the faith: In this he is expressing the fact that we will all be united in our belief; that is, our belief in the teachings of Jesus Christ, who is the Author of our faith. This allows for no differences of opinion in what is true Christian belief. Some may ask whether this is an attainable goal; the answer is that this scripture was written by inspiration of the Holy Ghost.

And of the knowledge of the Son of God: We thank God for what we already know; at the same time we admit that our knowledge of the Son of God is not yet perfect. But Paul is expressing the fact that we shall know Him. This is a knowledge we shall receive as we submit to revelation by the Holy Ghost. Jesus said, "Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will shew you things to come. He shall glorify me: for he shall receive of mine, and shall shew it unto you" (John 16:13, 14). The Word of God can be and shall be revealed by the Holy Ghost.

Unto a perfect man: For the Church to arrive at a state described by the apostle as *unto a perfect man* would indicate a body fully developed. While a boy may have all the physical characteristics of a man, he is not a man until he becomes fully mature. There is much growing and developing which takes place between boyhood and manhood. The Church will reach that ideal referred to by Paul, by the inspiration of the Holy Ghost, *unto a perfect man*.

Unto the measure of the stature of the fulness of Christ: Were it not for our confidence in the inspiration of the Scriptures, this would seem like too high a goal for us. But since we accept the Bible as God's Word, we embrace this portion of scripture with great anticipation. And we press toward that measure stated by Paul as *the stature of Christ's fulness*. Could it not be said that the Spirit is here reemphasizing what was written earlier in this epistle, "And hath put all things under his feet, and gave him to be the head over all things to the church, Which is his body, the fulness of him that filleth all in all"? (Ephesians 1:23) The Church—His body, the fullness of Him—how wonderful!

All this which Paul covers in this powerful verse of scripture was for Christ's avowed purpose of presenting unto Himself *a glorious Church, not having spot, or wrinkle, or any such thing; but that it should be holy and without blemish*. Today, this is our vision, based upon solid scriptural support.

When we look by faith at this glorious future, then look at present conditions in the kingdom of God and in the Church, we sense a very broad gap between our vision and present reality. Yet, we do not doubt the Word of God. I feel it is time that we give urgent attention to *closing this gap*. What is now a vision must become a reality. We can ill afford to continue simply talking about the glories that are ahead, with no one really taking the

initiative, but everyone waiting on someone else to make the spiritual advances that are needed.

There must be leaders among us, whom I am referring to in this section as *pacesetters*, a pacesetter being one that leads the way or serves as a model. These must be men and women of vision all right, but they must be people who can harness their vision to the concrete requirements for fulfillment of this vision. They must in reality possess a genuine pioneer spirit, a pioneer being a person who pushes into new territory, exploring and preparing the way for others to follow.

We cannot deny that *there remaineth yet very much land to be possessed*. It is a territory heretofore unexplored. No people before us has ever achieved what is outlined for these last days. *In the unity of the faith and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fulness of Christ—a glorious Church, not having spot, or wrinkle, or any such thing, holy and without blemish*—no people has ever reached such a goal, but it shall be reached.

Who will these pacesetters be? Where are those hardy pioneers who are willing to leave the comfort and security of the routine into which they are settled, and expose themselves to the unfamiliar, uncharted paths. These must be people of prayer, men and women who are in communion with the Holy Ghost who will be serving as the Guide into this uncharted territory.

Of course, this is a territory into which the entire Church, into which the children of God will eventually have been gathered together, must go, but leaders are needed—pacesetters. Surely God knows who they are! In the account of Israel's battle with the Midianites in the days of Gideon's army of thirty-two thousand men, God had a way of selecting three hundred men whom He would use as a core group. But when the battle began and the enemy was in disarray, others were pressed into the battle and joined the three hundred for a complete rout of the enemy. Could not these three hundred be thought of as *pacesetters*?

There is a sense in which the entire Church should be a pacesetter, being that nucleus possessing those characteristics which cause it to have been designated as the Church. To gain visibility among other members of the family of God who even now are seeking direction, it is important for the Church to be a leader. But right now pacesetters are needed within the Church. Yes, we need leaders, not just followers.

Surely, God even now is stirring hearts, urging them to arise from the plane of the ordinary and the common-place, to *reach forth unto those things that are before*. What they are feeling is telling them, "Ye have compassed this mountain long enough: turn you northward" (cf. Deuteronomy 2:3). Who will respond to the Spirit's moving? Who is ready to be a pacesetter?

SHARING LIFE CRUSADE

Before I begin this section I would like for every district overseer present to stand. I want this Assembly to look at this group of men. Brethren, I may

not have the opportunity to express my appreciation to you personally, but I want to commend you now for your outstanding cooperation and fine work in the Sharing Life Crusade this year. We had the best cooperation in this endeavor of any of our previous evangelistic campaigns.

I feel these district overseers are greatly responsible for the success we have experienced in this effort this year. Now I would like for this entire Assembly to express its appreciation for the work of these men.

From reports that have been received by the Evangelism Department from the district overseers, over 10,000 new people attended these crusades. There were 4,187 experiences recorded and 609 became members of the Church during this effort. No doubt many others united with the Church after being counseled with.

A survey has been made of the state/national overseers to determine their feelings regarding another Sharing Life Crusade this coming year, to be coordinated by the district overseers. Every state/national overseer that responded was in favor of another such venture. So again we are asking the district overseers to organize their districts for an all-out push in evangelism between Easter and Pentecost, April 11-May 30, 1982.

Last year some of the crusades were conducted in one location with the entire district coming together for a mass meeting. In other places, when this was not practical, the services were held in various churches. In some districts where the plan book, which was provided free of charge by the Evangelism Department, was followed and the crusade was conducted in one place, well over 100 experiences were reported with as many as 15 and 20 people uniting with the Church. Wouldn't it be great to hear of this happening in every district or parish next year? It can, you know!

Last year we became acquainted with the procedures, so now we can get right into the work and promotion of the next crusade. And I especially want to encourage one particular area of the preparation. That is **prayer**. To be effective all our planning must be saturated with prayer. Without God we can do nothing. Therefore, I urge that this crusade be made a matter of prayer by every member of the Church. And those who have loved ones and friends who are lost—PRAY! Pray that God will save them in this crusade. The time is short. Jesus is coming. Let us go forth in His name and reap the harvest that is waiting, sharing Christ, who is our life, with those who are abiding yet in death.

One other point which I wish to emphasize concerns the delegation of responsibility. Inasmuch as the district overseers have demonstrated their ability to accept responsibility which is delegated to them, perhaps the state/national overseers' loads could be lightened more in the future by further delegation of work which could be shared by these brethren. As the work grows the need for better organization becomes more apparent.

BIBLE TRANSLATIONS

The Fifty-sixth Assembly in 1961 accepted the following recommendation:

"Inasmuch as many Bible translations give conflicting views with regard to the doctrine as taught by the Church, we recommend that this Assembly give voice of approval of the English King James version of the Bible as being the authority for our church doctrine and teaching."

This action was in response to some modern translations being published which we felt failed to maintain a faithful rendering of certain passages of scripture. It is of great concern to the Church that God's Word be preserved and rendered accurately in the languages of the people.

Ten years later, the Sixty-sixth Assembly recognized that insufficient thought might have gone into the 1961 recommendation, in that the Assembly had addressed itself only to a problem of English translations; so, the following recommendation was accepted in the Assembly in 1971:

"Inasmuch as many Bible translations give conflicting views with regard to the doctrine as taught by the Church, we recommend that this Assembly give voice of approval of the Spanish Antigua Version de Casiodoro de Reina of the Bible up to 1909 A.D. as being the authority for our Church doctrine and teaching in the Spanish language."

To most of our English speaking members the King James version of the Bible has been by far the most familiar translation and has been cherished within the Church ever since its emergence from the Dark Ages. It is the translation from which scripture portions have been taken for use in all the Church's English language Sunday School literature, tracts and other publications. To practically all our ministers it is the translation which they carry into the pulpits of our churches. In committing scriptural passages to memory, both ministers and members have done so from the King James version.

Though other translations have been added to some of our libraries for aiding us in the study of the Bible, we have been wisely warned to use discretion in their use. While most of the people involved in Bible translations have had noble intentions, we cannot feel that all translations have been as true to the ancient Hebrew and Greek manuscripts as has the translation authorized by King James of England in 1611.

In the 75th Assembly in 1980 the Questions and Subjects Committee brought a recommendation to the Assembly concerning the earlier recommendation of the Fifty-sixth Assembly which had dealt with the Church's taking a position with reference to the King James translation. The reason for this recommendation last year was only to clarify the earlier recommendation.

When their report was presented, some questions were raised as to the soundness of our earlier action, and it was agreed to give some further thought to this subject. I am convinced that the motives for our treatment of this subject in 1961 were proper and something we felt to be necessary at the time. At the same time the subsequent action we took in 1971 is a clear indication that our previous consideration was not as thorough as it might have been. Perhaps it is time now to give further consideration to this subject.

With the expansion of the Church into the nations of the world, in which the Bible has been translated into such a wide variety of languages, it is doubtful that the Assembly is, or will be, in a position to make proper judgment with respect to endorsing a certain translation for each language. Nor do we want to create a situation which would cause the delegates from any nation to feel that they or their Bibles are second-rate.

Every delegate to this world-wide Assembly who is dedicated to the revelation and endorsement of truth should be welcomed along with his Bible, in whatever language it may be available for his study. For us to set up one version as being the authority for the revelation of truth, we would tend to stifle the incentive for study and research from that language translation we had not endorsed.

The covenant which each member accepts when uniting with the Church includes the following: "Will you sincerely promise in the presence of God and these witnesses that you will accept this Bible as the Word of God. . . ." With his hand upon the Bible, the candidate for membership answers in the affirmative. Now I suppose each of our English speaking members had their hand upon a King James translation when he or she took this covenant. But this has not been the case, nor will it be in the future, when multitudes speaking other languages take this covenant.

I believe every candidate for membership should be led to feel that he is accepting the Bible as the Word of God, and not necessarily the particular translation upon which he is placing his hand. The Bible is infallible and without error; it is the inspired Word of God, but this cannot be said of its translations.

Instead of any one translation being the Church's authority for its doctrine, it seems a safer position would be to accept the Bible as the Word of God and the Assembly as the highest authority for interpreting the Bible. Then, every delegate from every nation could feel free to bring his Bible, in whatever language it may be translated, with him to the Assembly where we could sit together and search the Scriptures.

We probably were not thinking quite so universally in our earlier deliberations, and we must be ready to make whatever adjustments are needed to fulfill our role as the Church of God of these last days. We must keep in mind that we are not the church of just one nation or one language, but we are the all-nations Church.

There is still the need to use caution concerning the different translations on the market. Inasmuch as the original manuscripts of the Bible are not available, this would seem to attach even greater importance to our respect for the General Assembly. Obviously, the Assembly will not be able to give a definitive ruling upon every verse of scripture; however, on cardinal points of doctrine it must continue to speak. Our spiritual safety will thus be assured from any effort by Satan to alter the truth of the Holy Scriptures by faulty translations.

If in the judgment of the Questions and Subjects Committee this subject

needs further consideration by this Assembly, they may include some recommendation in their report.

CONCLUSION

To reflect upon the past year's work prompts a desire within our hearts to count our blessings, and then to offer thanks to God. Surely, His hand has been upon His Church to give so many victories in so many places.

When we speak of victories we naturally are implying that there have been battles. Numbered among us are thousands of dedicated men and women who have battled valiantly this year, many of them against overwhelming odds, but they recognized their strength was in the Lord, the Captain of this great army. And He has been present always to provide the power to overcome the obstacles that have been encountered.

We thank the Lord for every soul who has been saved from a life of sin, for each one who experienced the joy of sanctification, for all those who have been baptized with the Holy Ghost and for all who now are sheltered safely within the Fold, the Church of God. Healings have been numerous and problems have been solved for which it appeared there was almost no solution. For all these things we give thanks to God.

And now we stand upon the threshold of a brand new year, mindful that "there remaineth yet very much land to be possessed." At the same time we remember that the battle is the Lord's. It is therefore necessary that we stay in close contact with our Captain, being totally obedient and submissive to all His commands. He has the battle plans outlined in detail, and the thing that is especially gratifying to us is that He sees the end from the beginning. The outcome of this conflict is in no way obscure to Him. Nor is the route to our ultimate victory any more obscure. He knows what is proper every step of the way.

Our concern is the depth of consecration we must maintain, so as to miss none of His directives. Staying full of the Holy Ghost, cherishing the rich fellowship we are thereby afforded, we have every right to expect victory upon top of victory.

With this rich assurance, it seems fitting that we stand once more and sing together that great old song we have been singing for so many years in this part of the Assembly—"At the Battle's Front." With renewed determination we shall continue our forward march in the Church of the living God until the battles are all ended. O how wonderful that will be!

NOTE: The General Overseer encouraged all to be pacesetters; had all to stand and hold hands all the way around the tabernacle and there was great rejoicing and praising God. As the Holy Ghost was trying to witness, Brother Tomlinson asked us to be quiet and let the Holy Ghost speak to us. Interpretation was given, but only this could be heard: "Behold I come quickly and my reward is with me."

12:16 **At the Battle's Front** led by Liston Pritchard with Jenna Allen, pianist; Mary Lois Hamm, organist. Dismissal prayer by C. T. Davidson. Music and singing during intermission directed by P. J. Williams.

1:23 Devotional: song by little Missy Adams; readings by Wilma Carter, Kathy Welch, Carmen Sanchez, Fred Leist, Dan Hutto, Viola Graham; Gloria Hart led congregational singing; concert prayer.

2:02 Message by Clive Jared. Excerpts: The theme is Our Commission—GO. There is only one way to go, and that is in the power of the Spirit. Luke 4:14. Jesus was driven to the wilderness by the Spirit and He was tempted by Satan. Sometimes we endeavor to go, but we have never been into the wilderness of suffering and temptations, which we must do to overcome self, even as Jesus did. Matthew 16:24. The devil made offers to entice Jesus away from the plan of the Father. Jesus overcame by the power of God's Word. He had a doctrine and taught as one having authority. We can go to this world in the power of the Spirit and teach the doctrine of the Church with authority. Some want to go as men pleasers and with security. Some go with a personal message and gain popularity. The Holy Ghost can only operate through clean, holy lives. Titus 2:12.

There is a lot of Balaam doctrine in the world, and they prophesy what they want to hear. We must live by every word that proceedeth out of the mouth of God. The Church is power unlimited. Acts 1:7, 8; John 3:34. The early Church had that power without measure. The book of Acts is really the acts of the Holy Ghost through the early Church and they met the situation of the moment. If we go in the power of the Spirit, our problems will be solved. The devil despises the Church of God.

There is no remission of sin except the shedding of blood. Sanctification is a must to live godly and be empowered with the Spirit to go forth to the ends of the world. Evangelist Philip had preached long enough at one place and the Spirit led him to another. It might be good today if some were sensitive to the Holy Ghost and let Him lead them to a new place. Narrated Acts 8:26-38. The Word is power; I am not ashamed of the gospel. The Church of God cannot fashion itself after the world. 1 John 2:17. May we by faith let the Holy Ghost operate through us and go in the power of the Spirit to this world with God's eternal Word and take the world for the Church of God.

2:25 Singing by the Hallelujah Chorus.

2:41 "...Let us go into the next towns..." Mark 1:38—message by Caroline S. Ledbetter, General Secretary. Excerpts: I don't believe the teaching ministry is confined to Sunday school, but I believe that it is to reach people. It disturbs me that our Sunday schools instead of being evangelistic as was the original inception for it to reach people and teach them; now we seem to nurture us in the Word so we can grow. We need to be growing up in the Word while we are reaching people who might not know the Word. Matthew 28:19, 20. Our commission is go—not just the Mission Department or the WMB sisters, but the Church of God's commission is to GO. The imperative is that we are going to make disciples by going, teaching and leading them into the knowledge. Mark 1:35-38. Jesus had a crowd, and Simon said that all men seek for thee. They gathered themselves together to hear Jesus. Jesus stayed in the wilderness forty days and nights. He went in full of the Holy Ghost; He came out in the power of the Spirit; He began to minister. People were healed and taught, and there were blessings without number. Two words for us to see in this Scripture is desire and direction.

Secretaries and children's church directors, it is going to take an inward desire to do the things that God sent us to do. Teachers, until you have the desire to be filled with the Spirit to teach the Word of God, you will never know that experience; until you have a desire to experience a move of the Spirit in that class, you will never see it. Until you, extension department directors, find people to minister to, you will never have anybody to minister to. Church of God, we have a mission; a responsibility; something we have to do; it is the same that Jesus knew He had—to minister to the needs of individuals.

There is no good reason for Sunday school if we don't minister the Word of God; to fulfill that which our Lord Jesus gave us example of. John 4:32, 34; 5:17, 19. We are to show forth His glory. When people ask for something to help their Sunday school grow, I usually say that we have a lot of papers. Brother Thornton said that we would either go or return to our mountains of papers and rivers of ink until we realize we have to work at doing what He sent us to do. 1 Corinthians 9:16. There is a woe if we share not the good news of Jesus Christ. Jeremiah 26:12. Lord, give us a fresh touch of desire.

God is wanting us to get out where the people are who need to be ministered unto by His Word and Spirit. He came with a mission; left us with a mission that will take desire and direction. (Told of seeing Mount Rushmore in South Dakota where the faces of four presidents are hewn in stone and read this poem written about it.)

I stared at this magnificent shrine hewn from stone

And I thought of how each man at one time had stood alone.

There was a feeling of pride within me; a sense of humility, too.

Pride in the founders of this country, but I wondered what I could do.

So I lifted up my eyes upward unto the highest hill

And prayed that I might also be able to do God's will.

All we have to do is to look up to the hills of our salvation and go share the good news with others, because that is the reason He came. Our commission is to **GO** to the world with the divine desire, divine direction, and we will see the work accomplished.

Assembly Expense Committee Report

1. J. W. Deadrick, who has served for a number of years on the Assembly Expense Committee, has gone to be with the Lord in the past year. His dedication to God and the work of the Committee is greatly appreciated.

2. We recommend that churches having less than 50 in Sunday school

contribute annually \$2.00 to Assembly Expense; churches with Sunday school attendance between 50 and 100 contribute \$3.00 annually; and churches averaging over 100 in Sunday school contribute \$5.00 annually.

3. We recommend that each Victory Leaders Band contribute \$2.00 annually. We recommend that each Women's Missionary Band contribute \$2.00 annually; and each minister, including deacons and lay ministers, contribute \$1.00 annually.

4. We recommend that the pastors be responsible for collecting the Assembly Expense dollars for the auxiliaries and forward same to the State Overseer, and the State Overseer be responsible to collect the dollars from the ministers in his state. These funds should be mailed to the General Treasurer as soon as collected. Funds received toward the end of the year may be included with state convention auxiliary report to the General Treasurer.

5. The above recommendations are made without changes to previous reports.

Way and Means Committee Report

Section I

Accolade:

Honor, Praise and Glory to our Father for His abundant love to all men in all lands. To Him we give thanks.

The fellowship of the annual gathering with members of the Body of Christ from the various parts of the world, broadens our concerns and encourages our prayerful searchings and studies.

For the beautiful Theocratic Government of the Church, for our humble and anointed General Overseer and for all of our faithful, consistent, God-fearing, Bible-loving ministers and members around the globe, we rejoice.

You, Church of God, are to be commended for your faithfulness in contributing to the total financial program of the Church, submitted to you by the General Assembly.

We wish to share the following with you:

Section II

We recommend that the sum of \$300.00 received each month by the

General Appointees and the State Overseers, which has been designated rent and utilities, for income tax purposes only, and involving no extra allotment, be increased to \$550.00, where feasible.

This is applicable to pastors, part-time and full-time evangelists and where feasible the amount may be increased by the local church conference to the amount allowable by the Internal Revenue Department.

Section III

Due to the ever increasing cost of material and postage being experienced or realized by the Publishing House in printing and mailing **The White Wing Messenger** to its subscribers, we recommend that the subscription rate be increased to \$6.00 cash per year.

Section IV

Refer to section 2 of the 75th Annual Assembly Ways and Means Report: The Assembly recommends that the State Overseer and the State Finance and Appropriation Committee give earnest consideration to pastors of our smaller churches, thereby working out a plan for their substantial assistance. Commendations are extended to those states where overseers and Finance and Appropriation Committees are using state funds to help weak churches, needy pastors, and new fields.

This committee has given serious thought, consideration and time to the problem confronting those ministering to our smaller churches, we realize that, without the sacrifices made by these ministers, there would be no larger churches. We do appreciate those who lay the foundations, and recommend that portion of surplus tithes received by the State or Country from the local churches as of the last Sunday in June each year to be used only for the support of those ministering to non-supporting churches or missions, including pastors, evangelists, and/or others appointed by the Overseer.

This committee is in profound concern and sympathy with the operation of our local churches and the heavy financial responsibilities which they face with reference to this knowledge, we refer to the financial system as recorded in the Assembly Minutes which says, "The tithes are for the support of the ministry only."

Be amended to read . . . "The tithes are for the support of the ministry only. This includes surplus tithes and refers to section 4, page 92 of the Ways and Means report to the 75th Assembly."

Section V

With reference to section 2 (1977) Ways and Means Report, pages 95, 96 of the 75th Assembly Minutes, we wish to commend those self-supporting states for not requesting funds from the General Fund Account for new field work. We would strongly encourage all self-supporting states to refrain from requesting these funds from the General Fund so that more consideration can be given to those states with less than 500 and 300 members.

Section VI

Item 1218 of the Church Business Guide states: "We recommend that each state and local church be careful to not set up any financial system that would violate any Assembly ruling with regard to the receiving and disbursing of any and all offerings controlled by the Assembly," be changed to read:

We recommend that each state and local church be careful to not set up any financial system that would violate any Assembly ruling with regard to the receiving and disbursing of any and all tithes and offerings controlled by the Assembly.

Section VII

We recommend that all churches be encouraged to raise an expense offering during the year to assist pastors in attending the General Assembly and that the disbursement of this offering either to outgoing pastor or incoming pastor be left to the discretion of each individual state or territory.

Section VIII

We wish to commend all those who have written letters of interest and concern regarding particular subjects, as well as those who personally came before the committee, and for the excellent spirit manifested by them.

This committee has reviewed all questions that have come before them, seriously and in the fear of God. We submit to you that more indepth studies and searchings are a must before more proposals could be made.

5:28 Shepherd and Sheep Relationship—message by Gladstone Royal. Comments: Psalm 23. David was a shepherd. When David came in contact with the lion, he said, "The Lord is my shepherd; I shall not want." A sheep will not lie down unless he is: free from fear, tension, aggravation and hunger. The Holy Ghost must take over for us to have rest in the Church of God and hostility must cease.

If the sheep are hungry in the Church of God, they will not lie down. 1 Peter 5:2-4. A sheep will not drink from a swift stream. The shepherd knows where the still waters are to lead the sheep. If there is not a certain amount of water in the body, it will dehydrate. John 4:10; Galatians 6:1; Psalm 42:11. Not only does the shepherd know when the sheep is cast (on its back and cannot get up), also the lion, bear, cougars and the vultures. Jesus knows when a man is backslidden; the devil knows also. If a man is cast, all of us should find him.

If sheep are left to themselves, they will follow the same trail until they become runts. Humans sometimes follow the same paths until they erode into gigantic gullies and they have ruined thousands. Proverbs 14:12. When the Lord is with His people, death cannot destroy them; the sword cannot kill them for they are shadows. You cannot see a shadow unless there is a light. We need a planned program.

The rod is a symbol of protection and defense; the staff is a symbol of authority. A staff is used only to lead sheep. The prince of the power of the air can attempt to stop us as he withstood the angel going to Daniel. It is imperative that every child of God be filled with the Spirit. Oil is poured on the head. If the devil takes charge of our minds, he will penetrate the heart. David was saying that he would stay with the Church of God; I am satisfied with our ministers; our band leaders and the doctrine of the Church of God. If we follow as sheep—not as bishops, deacons and other officers fighting for positions, but continue to go as sheep who will follow the shepherd—not shepherd follow the sheep. 1 Corinthians 2:4. That is what

we need in the Church of God. (Congregational prayer.)

6:00 GLEAM Bands Can Help Prevent Backsliding—Betty Hicks. Comments: In 1916 Watchers Over Tens was introduced; in 1928 the name was changed to the Assembly Band Movement and band leaders were appointed to help provide the care members needed. The original purpose and still is to see that each member is properly cared for.

In 1980, the GLEAM Bands were introduced to us which means: Gifted Laity Equipped And Ministering. They will not take away from the original purpose of the ABM, but will help to fulfill that purpose for which they are designed. Romans 12:5, 10. This causes us to pray for those who are suffering or going through a valley experience. I believe we can mend the places where our sheep are not getting that care, concern and attention they need. Romans 12:10. The spirit of the ABM can grip our hearts and we can ask the Lord to touch us so we can help prevent backsliding. 1 Peter 4:10.

Spasmodic ministering will not be effective. A gleam band is a circle of caring—each member feels the responsibility of the other members. Let's use the God-given talents and minister to those on our band and keep those souls from backsliding.

6:15 "...and I will bless thee...and thou shalt be a blessing."—message by Eugene Weakley, General Secretary. Excerpts: Romans 15:29; 1:11, 12. Paul had a great desire to please the people, but he realized that was not enough. Paul was not living in ordinary times; neither are we. To bless others, it must not be a momentary, emotional work-up. Mutual faith is important; there is a togetherness. Faith is built upon what God is and has said and done. We have to believe in Christ and in one another; gain strength by another's faith. Some believing in the Church's program and some not, hinders the unity of the Spirit. Columbus was saying, "Sail on, sail on," when his helpers were saying, "Turn back." Columbus had a strong assurance which enabled him to go on; Paul received an assurance. We, who are in leadership and are sure this is God's program, need to assert our assurance—not in arrogance, but in humble confidence. Acts 27:31. God grant the Church's leadership holy and bold confidence.

We need the showers of blessings which thrill our souls. Blessings should make us realize the greatness of the Giver—Jesus Christ. These blessings come because some are believing and obeying the Word. Colossians 2:1-4; 1:27. Paul knew this mystery of Christ would establish the people. Romans 16:25. Jesus Christ is to be preached according to the revelation of the mystery. Ephesians 3:4-6; 1:9, 10. You cannot fully establish people by preaching only the Church; neither can you fully establish people if you don't include the message of Christ and the Church. Can we who are in leadership stand by faith and proclaim to the crew, "Sail on, sail on"? Genesis 12:2, 1, 4.

This was not a conditional blessing Abraham was to obey. Not only was he obedient in forsaking his home and kindred, but he was willing to offer up that dearest to his heart—his only son Isaac. Today much emphasis is being

placed on what God can do for you, without emphasizing what God requires. Without faith you have no power; yet without the cross you have no purpose. We cannot exploit one truth at the expense of another truth. We can't pick only scriptures that promise a blessing and ignore scriptures that place responsibility on us. Acts 20:27.

Matthew 6:33; 11:28. He told Peter to walk on the water; but unless He speaks directly to you now, you can't walk on the water or go out in the desert and expect Him to rain down manna, or march around a city a certain number of times and expect its walls to fall. The blessings of God are real; but they come His way. To teach that you lack faith if there is sickness or a lack of riches, etc., is not sound New Testament principles. Galatians 3:29; 4:28, 30, 31; 3:7, 9.

Isaac, as long as he was a child, could not receive his inheritance. He could not develop properly as long as Ishmael was there to mock him. The promise is not from Ishmael; he gendereth to bondage. Isaac was born of the free woman by promise. Spiritual blessings are not to bring glory to us, but to bless others. "One another" is mentioned 58 times in the New Testament: pray for one another, love one another, exhort one another, forbear one another, forgive one another, etc. We can't bless one another without His blessings; if we don't bless one another when we are blessed, we lose the blessing. 2 Corinthians 1:4. Real increase comes with the increase of God. Luke 5:5, 10.

In our ABM work it is time that we take a real indepth look and see why we lose so many of those whom we catch. In reality, we are the net. A net has to be together, each part in its place, to hold what is caught. Just appointing a pastor and band leader does not work. The whole band must become the net. Instead of all the emphasis on restoring, there must be a balance of prevention and restoring. It was not idle time the disciples took in mending their nets. It is futile to labor with faulty nets. Hebrews 4:10, 11.

When we launch out into the deep, His working does the work. The disciples caught so many they beckoned to their partners to come and help them. They were more interested in catching fish than in maintaining their boat. We must preach the goal of the Church, preach the gospel of Christ according to the revelation of the mystery and allow the power of Christ to move in us to bless those who need a blessing. May we leave this Assembly in the fulness of the blessing.

Interpretation of message by Holy Ghost: "Yea, I say unto thee, I have looked in thy Assembly; I tell thee go forward in the power of my might; be careful. I will bless thee that thou might be a blessing. Yea, I will not guide thee wrong; I will keep thee on the straight course. I will guide thee and direct thee and help thee when thou humblest thyself."

7:03 Mary Nell Adkins led congregation in singing; the Lord showered His blessings; Bill White introduced the Public Relations Director of the Church of God, Lewis Willis, who spoke briefly. Elaine Linkous sang as Assembly expense offering was received.

7:24 All Are Yours—message by M. T. Linkous, General Field Secretary. Excerpts: Proverbs 16:2-4. (Prayer) 1 Corinthians 3:18-23, 4-8. If you are a member of the Church, it is yours. Sometimes we look for new subjects. All we need is to dig into the storehouse of the Lord. We are not to glory in men, but in the Word of God. We ought to love one another so that we will accept the Word of God whenever it is preached in the right spirit. 1 Corinthians 6:9, 11, 19. The church at Corinth was in a battle. The remedy Paul gave was humility. We could solve any problem in the Church with enough humility, which we cannot have if we have carnality in the heart. Some have left off preaching against sin. It is wonderful to love, but you can love sinners so they feel justified in what they are doing. They will be lost and that soul might be required at our hands.

When I got sanctified, I didn't kill the "old man." I just got him out, but he is trying to get back in. As long as he is on the outside, the Holy Ghost is on the inside; he cannot control your life. You might defile that temple and get by the Church, keep things hid from your pastor, your wife or your husband; but if you defile that temple, God will destroy you. We are not playing church. I have to pay my tithes and not cheat anyone, because God knows about it. If I do my best, God will do the rest. Anyone filled with the Spirit of God will never stand against God's program. He may not agree with everything, but he will not rebel. God wants us to keep full of the Spirit of God and humility. Souls are at stake. Philippians 2:3.

Humility means freedom from pride; it is lowliness and meekness. One must be sensitive to his ignorance and not trust his understanding, but following the instructions of God, is on the way to true and everlasting wisdom. As long as I think I know it all, nobody can tell me anything. I want to learn how to get closer to God, to treat my brothers and sisters right. There is no comparison between God's wisdom and ours, nor His power and ours. God has a perfect knowledge of the thoughts of men. I have no competition with God. God wants us to get all we can up here (points to head), but He wants it controlled by what is in here (points to heart). I feel there are other ways to seal our doom besides blaspheming the Holy Ghost. The Lord knoweth how to deliver the godly out of temptation and to reserve the unjust unto the day of judgment to be punished. 2 Peter 2:10-13. Let us never become a spot. You can't cleanse a spot; it has to be removed. My Lord is coming after a Church without spot, blemish, wrinkle. I don't want to down my brothers and sisters and speak against them so it would cause me to lose out with God. You are in the greatest thing you have ever been in, and it is all yours. This beautiful tabernacle, White Wing Publishing House, doesn't belong to any one man. You have a part in this. John 3:27-30.

John the Baptist was born with the Holy Ghost, but he said he was not a part of it; he was a friend of the bridegroom. Thousands of people are a friend to the bridegroom. John was sent from God, and God told him what to say. I don't guess he ever joined the Church, but as he introduced the bridegroom, he said, "There is a bride." John had reached the top of his glory. John

didn't drink strong drink, but he was filled with the Holy Ghost from his mother's womb. You can't stay full of the Holy Ghost and drink strong drink. John the Baptist told Herod it was not lawful for him to have his brother's wife. Thousands of people are thinking about leaving their church because they take in fornicators. We had better quit thinking about ever changing it. It is Bible. It won't be long until we are going to live it or get out. If there is not less than 300, God can still win the battle. Psalm 60:4.

It is given to us because of the truth. We are not the truth because we preach the truth. Every time you let down on the doctrine, you ought to lower the flag a little. Jesus said He was the truth and light. He didn't say the Church was the truth—it is the pillar and ground of the truth. There is no sin in the truth, but there is sin in the Church. There is no use our raring back and saying we are it (the truth). We are not it yet. If we keep living and preaching what I am preaching, we can be it by the help of the Lord. Let us keep the standard and the banner waving high.

Jesus came to the woman at the well. Narrated John 4:5-29; Proverbs 17:15. I am not renting—this is mine and yours. Mark 10:29, 30. Prodigal son came to himself and knew that the servants had better than he did in his hog-pen business. Father didn't fix up for son to come back. It was just like he left it. We are not about to change this. Narrated Luke 15:14-31. This is ours—not thine. All belongs to God; we belong to Him, Christ belongs to God. Let us take the Church of God message like it is. When we lose souls or churches we all lose. Nobody wins.

8:23 Praise service conducted by Edna Rye with Texie Jestes and Warren Roney singing choruses.

8:50 Message on Divine Healing by James Peters—Excerpts: Genesis 3:15. The devil is easily recognizable. If we as God's children listen to the guiding of the Spirit, we will grow in the fulness of the Lord. Isaiah 53:5; Psalm 103:1-3. You are going to have to praise and magnify God. David mentioned the salvation of our souls and the healing of our bodies. Divine healing is accomplished by the power of God without the aid of medical or surgical skills. We praise God for the doctors—Luke was one. Divine healing is provided for all in the atonement. 2 Chronicles 7:14. I don't know of any other organization that needs healing like us. I hope you are here to be delivered by the power of God. Ephesians 1:21, 22; 5:27. Jesus is all things to the Church. We get excited when we hear about Him being the Saviour of the world; He said he is the Saviour of the body. Matthew 9:20-22. He will answer your prayers. John 17:2. The trick that the devil played on Eve is the same one he has played throughout generations. He has caused people to doubt the Almighty God and His power in these last days.

9:17 Greg Stephens led congregation in singing "He Touched Me." Music by Bahama Brass Band as 2,378 were anointed and prayed for; approximately 15,000 cloths, which had been anointed by the National Evangelists, were distributed to the congregation.

10:17 Evangelistic message and altar call by William C. Marion. Terry

Stone directed music and singing during the altar service.

SATURDAY, SEPTEMBER 12

MORNING

7:30 Prayer service conducted by Leon Flemmer and Robert Shaw. Organ music by Tony Ferguson; music by Bahama Brass Band.

8:45 Singing led by Tony Charles with Tim Charles, pianist; Diane Hamm, organist. 1 Peter 1:16-21 read by Brother Harris, FL; prayer by David Smith.

9:04 Obedience and Responsibility—message by Victor Liberato, interpreted by Raul Torres. Prayer. Excerpts: 1 Samuel 15:13-23; Hebrews 2:1-3. God made man a replica of Himself to manifest Himself unto the world. God has chosen men and women, and He expects to be glorified. Genesis 1:26. In order to fulfill His program, God needs men who are willing to obey His Word. Through the Bible, we read about not only Saul, but many men failed. There is much disobedience in the Church because man wants to do things according to his will. Those men God called worked wonderfully, and God used them because they allowed themselves to be guided by the Spirit of God. Man disobeyed, and that beautiful image of God became a monster. Romans 3:23.

We have a great battle continuously with the devil. We must fight and destroy all that is trying to destroy the Church. God has problems with us because He wants to manifest His glory through us. We must stir this world by preaching this Word. We must be bold and be men as John the Baptist declared the truth unto the Pharisees. He told King Herod he was an adulterer and to repent. This cost John his life. We are afraid to preach the Word like John and many other prophets of the Bible. All of the men of this world must know who we are. 2 Kings 9:1-13.

We need the power Elijah had. When we receive an appointment we don't want to accept; we rebel against God and the glorious government of the Church. Christ is the Head, then the General Assembly, the General Overseer, National/State Overseers and the glorious organization of the Church. God wants us to be submissive to the glorious government. It is necessary, ministers, that we not get involved in the things of this world. Jesus is coming for a holy Church, for a ministry that is obedient and fulfilling the will of God. We are the army of the Holy Ghost battling against the devil. Christ has taught us how to defeat the devil. The Lord is coming for His Church soon.

9:41 Victory Leaders Band Program, directed by Terry L. Mahan, General Secretary. Theme: Gathered in Jesus' Name. Victory Leaders marched in like a mighty army with their banners and praising God.

responded with praising and magnifying God.

Then you can be blessed and be a blessing. Psalm 10:17; 1 Peter 2:2; 1 John 2:5; Psalm 107:20; 1 Peter 1:1; Psalm 126:5.

J. V. Sullivan—We make confessions every day, but the greatest confession we will make is the Lord Jesus Christ. Mark 5:1-5, 18-20; Romans 6:9. Tell somebody about Jesus.

11:14 Linda Mahan sang.

11:21 Confessing He Is Lord—message by Terry L. Mahan, General Secretary. Excerpts: Acts 4:1-13. What a portrait is painted in our minds when two prisoners were brought before the court—the lowly fisherman. Peter, filled with the Holy Ghost, said they did it in the name of Jesus. They were the property of Jesus Christ. Acts 2:36; Philippians 2:9-11. (Message given in tongues—interpretation: “Yea, I say unto thee; I will guide thee; walk with thee; protect thee; my spirit shall overshadow thee. Thou shalt be glorious in mine hand. Humble thyself as this man lives and thou shalt be beautiful in my sight. I say unto thee, my glory shall be seen upon thee and thou shalt be mine.”)

Brother D. H. Queener was driving along and the Holy Ghost spoke to him: “What is wrong with you people is you give me your cars, land, buildings and your money. I haven't asked for those. I ask that ye present your bodies a living sacrifice.” I don't have any credit in heaven nor any

deposits. If we turn our cities upside down, we are going to have to first confess that Jesus is Lord. He is not interested in what I have done as a service to Him, but I have to come and say, "Lord, I am your servant, and I need your help." My soul wants to know Him as Lord and Him completely in control of every fiber of me. Peter knew the work was done in the name of the Lord which was the source of their strength. What chance did these unlearned fishermen have in the presence of learned Rabbis? Peter spoke with freedom and boldness. The Holy Ghost had empowered him for that hour to witness.

It is not enough that we study, read books, teach and pray about Jesus. The Church has got to find a place in the Lord that we can be with Jesus. I am tired of praying and seeing such few miracles. I see miracles, but not what I should be seeing. I am tired of people sitting in our church services possessed and obsessed with the devil and evil spirits; and hearing about the powerful services of historical days. I feel like crying out as Moses did in Exodus 33, "Oh God, show me thy glory." This man had talked to a burning bush, watched the parting of the sea, participated in the power of Sinai, and God spoke to him as a friend. God told Moses, "There is a place by me." The children of Israel were at a critical place as they had rebelled against God. Narrated Acts 4:13-31; Exodus 33. When Moses came off Mt. Sinai, his face was aglow. Once you have been with Jesus, there is no stopping this program. You announce a youth revival and the devil threatens that it will be a flop, because of so many other activities. We should rebuke Lucifer and claim the week in the name of Jesus. Then Satan and his group will say that the Church of God has been with Jesus. You can try to stop this by putting it in a physical or spiritual prison, but the name of Jesus will set it free. We need that boldness in the Holy Ghost that Satan cannot stop it with fire, by drowning, storms or with the law. If you try to put Him in the grave, he will arise. Matthew 11:28. All who have been up Calvary's mountain, I would like for you to stand. (Jack Stewart led the congregation in praising God; responsive reading; there was some special singing and concert prayer.)

2:40 Concert prayer. Message by Felix Garcia, World Language Secretary. Excerpts: 1 Chronicles 29:3; Narrated John 5:1-17. Hitherto means up to now. Yes, God continued to work with and through Jesus, but Jesus was going to do the physical work. They didn't know that God sent Jesus His Son to touch the lives of men and women with not Jesus' message—but what the Father had given Him. When Jesus went out to heal the people and touch them, the Father was working through Him. Jesus was sent to do this work, and they didn't need to send an angel because the Son was sent and commissioned and was given a task to perform for the glory of God and under the unction of God Almighty.

Something like that happened when Jesus called His people together and took them up into the mountain. Didn't He tell them, "To go ye into all the world and preach the gospel to every creature; he that believeth and is baptized shall be saved, but he that believeth not shall be damned; and these signs shall follow them that believe"? Mark 16:17-19. You see another transition in that scene. Jesus worked and did everything. It was His message, but now He conveyed the same message to the Church. Not that we become independent; we will still work through Jesus as He is the Head of the Church, but we are commissioned to take the message. It is not Felix Garcia who does things, but it is who I represent and who I am a part of who does wonderful things. It is not only General Headquarters Staff, but it is State and district overseers, pastors, band leaders, members of the Church, we are all commissioned as the Body of Christ to take this wonderful message to the ends of the world and tell the people about salvation and healing. It is God ministering through the Church to heal, to bless and to change lives. What makes you give these offerings is the working of the Head of the Church through you to make you a blessing to the Church of God. (Told of offerings and things given for this work—one offering of \$100,000.00.) The Spirit of God works through the Church touching lives and making you do things you never dreamed of, because we are members of the Body of Christ. God owns it all and He is going to give it all to the Church. We just do what the Holy Ghost asks us to do. What makes us go—it is the Holy Ghost leading through the Body of Christ and urging us to go and work because hitherto Jesus worked. He physically did the work, but now the Church of God—the Body of Christ—is the physical element that will do the work of God. That is why the young people of so many states have raised so many offerings this year. We will heal the sick and cast out devils, because we have the authority given to the Church. It is not men who do them, but the unction of the Holy Ghost

working through the Church. Give your offering unto God and let the Church reach out. There is not going to be any more Bethesdas. They didn't go back to that water hole nor the cisterns. They went to the roads where they heard that Jesus was coming by. They stood by the roadside and cried out, "Jesus thou Son of David, have mercy on me." Yes, the Church will do these wonderful things, but it is God working through His Church. As Jesus was commissioned to come by the Father, He also commissioned the Church to go. He didn't just send her out, but He gave her power and authority. We are exercising that power in the name of Jesus.

3:20 As people continued to bring offerings: solo by Ron Craig; singing by New Life Choir. 1 Chronicles 29:9. Total offering \$141,354.35 which was dedicated by a prayer.

3:35 Tomlinson College Program directed by Emerson Hall, President. Theme: Priority of Worship. Music by TC Band. Theme on campus: Thy Will Be Done. President read 2 Chronicles 5:13, 14 and prayed; A. J. Coalter led congregation in prayer. Several songs by TC Choir, band and chorale led by Larry Duncan and Ron Scotton.

4:18 Worship in the Word—message by Roy Cantrell. Excerpts: I believe the religious world is on the threshold of a spiritual awakening in regard to the Word of God and the one-fold concept. We could say our greatest enemy is the cults, philosophies or humanism, but I declare that our greatest enemy is to preach a holy, divine Scripture with the full revelation of God and fail to live up to it. The Church needs God today to bring her into His planned purpose through His Word and away from earthly pursuits. Colossians 3:16. Thousands want to be masters of their fate and not be subjected to a higher authority. Acts 26:22. Paul was confined to preaching only the Word of God. Men want to add their ideas, opinions, traditions and customs. Romans 3:23; John 10:16; Isaiah 60:1.

When A. J. Tomlinson died, lot of people lost their vision of the Church of God. There comes a time when we must stand on our own vision and understanding of God's Holy Word. The theme of our Bible is man's sin, and God's wonderful salvation and one Church for all. Psalm 118:89. Settled and established, yes, the preservation of the Word of God is not the result of the genius of man, but the breath of Almighty God. The Church and the Word of God are being challenged within the Church. A. J. Tomlinson believed in the preservation of the doctrine of God's Word. (Read excerpts of the Constitution in the 1923 Assembly Minutes.) Brother Tomlinson stated that a mistake had been made when the Constitution was adopted. I feel a need for us to realize what a price has been paid for this dear old Book, including the battles since 1903. Praise God for the dear old Church of God and for that former General Overseer who loved God and this Book better than position or anything else. This is just as real to us as it was in the Dark Ages. The devil tried to cover it up, but God wouldn't let it be covered up. Some have a rebellious spirit and want a whole lot of things thrown in the trash can, but too big a price has been paid for it to be thrown away. Our

faith is being challenged but it will stand the test. You won't break God's law; it will break you. This Book is the most loved book in the world; but it is also the most hated. The Bible says that heaven and earth will pass away, but Jesus said, "My words will never pass away." We believe the Bible is the supreme authority of the General Assembly of the Church of God in all matters of faith and practice. We don't need more workers; we need more worshippers; then we will have the workers. We had one of the greatest Overseer's who ever lived in A. J. Tomlinson; the greatest leader in this world is behind this podium and he is equal to the task. The Spirit of the Lord is upon him. We have a leader who God chose by His Spirit that has the same spirit of his father. I believe the Church of God will do things that his father never imagined; it has already accomplished great things. This Book is the dynamite of God; it changes children, mothers and fathers. No one can ever take from you your personal experience of salvation. Because of your knowledge of the Bible, you can say with a certainty, "Wherein I was blind, now I see." I believe we are suffering from a hardening of attitudes. Narrated 1 Samuel 16 about David and Goliath. Why was David so positive and the whole nation of Israel so negative? It was because he had been transformed on the hillside while singing love songs to God. They had been listening to the wrong crowd. You listen to the wrong crowd in the Church of God, and they will have you turn the Bible away.

4:53 Solo by Ireta Curry; clarinet solo by Albert Ferguson, assisted by TC vocal band; solo by Robin Isbell; Finale: "In Everything Give Thanks" by band and choir.

5:19 United We Stand—Divided We Fall—message by Melvin Robertson. Excerpts: Unity is best understood through experience rather than book knowledge. Ecclesiastes 4:9-12. Victory and defeat are the results of unity and division. Mark 3:21, 25; John 21:25. Everything Jesus did is not in the Book, but God placed in the Book that which is good for us. In John 17, Jesus prayed that we might be one. God is going to have unity in His Church. John 15:16; Philippians 1:27.

We believe that when Jesus said "Go ye" He was talking to us. When Jesus said "This gospel" He was talking to us; He says the fate of the gospel is in our hands. When they were building the tower of Babel, they were so successful it took an act of God to foreclose it. When building the walls of Jerusalem under Nehemiah, the people had one mind, and that is how they did it—not just willingness. David said that it is pleasant to dwell together in unity. When Samson tied 300 foxes tails together and put a fire brand in their midst and turned them loose on the Philistines' crops, they had a good harvest; but the foxes destroyed it by trying to get away from each other. If we try to get away from each other, we are going to destroy a harvest. The trouble wasn't the foxes, but the fire. Many times we blame others, but it is the devil who has placed something in the middle of us. I believe we think that the covenant was meant to tie us coattail to coattail—everybody trying to correct everybody. If we keep on this course, when we come to the end we will find that our only contribution to this great work was correcting each other. Ephesians 5:26; 6:13. It is not what we dish out that testifies to our strength; what we can endure. The big house is upon the rock, and each of our little houses must be upon the rock. Job 41:7, 15, 28. There is too much hot air between us—I am talking about winds of gossip. Israel under the harshness of the taskmaster, they went in just a few; but they came out a nation. If we hold on to God, we are going to endure. Acts 18:23-25. Paul said that he planted; Apollos watered; God gave the increase. Apollos had to know where Paul had planted in order to water. Amos 3:3. This is the Church of God and not the post office, where they reach all areas and every man has his own route; when they are finished, they return home. We reach all areas; but we are not going back home. It gets into the local and General Church. Theudas divided the local church to protect his preeminence. Numbers 16:2. They brought temporary division to the church in the wilderness seeking authority. We have made some improvements. 1 Thessalonians 4:1. We must come together as one. It thrills us when the Scriptures are fulfilled in the regions beyond, but it must be fulfilled in the local churches and in the states and in our lives. Jesus prayed that we might be one; if you have love one for another the world will know we are His disciples. We go to the retreats, district conventions and youth camps and have wonderful fellowship; come back home and avoid each other. Let us go on together.

5:50 Praise service directed by E. H. Griffith, General Headquarters Office Manager.

EVENING

6:03 Music Department Program directed by Verlin D. Thornton, General Minister of Music. **GOD HAS ALWAYS HAD A PEOPLE**—a musical challenge to be God's people today. This was a very inspiring musical presented by a mass choir and narrator with congregation joining in at intervals. Brother Thornton led congregation in singing "How Great Thou Art," followed by concert prayer.

7:06 Public Relations Director Bill White read letters from: President Ronald Reagan; Tennessee Senator Howard Baker; Tennessee Congresswoman Marilyn Bouquard; The Church of God in Christ.

7:10 Assembly expense offering was received. Prayer by Jacob Montijo.

7:13 World Mission Program directed by Adrian L. Varlack, General Secretary. Theme: "... *that the nations may know themselves to be but men. Selah.*" Psalm 9:20. Secretary made introductions and read Psalm 97:1.

7:23 Londa Richardson led congregational singing with Cheryl Malone, pianist; Ron Scotton, organist; prayer by Jose Rivera; praise directed by Joe T. White; Psalm 99 read by Ewing I. O. Dorsett. Forty-one nations were represented, as the Overseers stood, Janice Varlack expressed appreciation for their labors.

7:37 **WORLD MISSION DRIVES—STATES:** Tennessee—\$53,177.16, A. J. Coalter, Overseer; Georgia—\$28,255.96, G. A. Wilson Overseer; North Carolina—\$27,621.20, William H. Brooks, Overseer. **NATIONS:** Dominican Republic—\$32,508.25, Juan Valera B., Overseer; England—\$28,265.64, Joe T. White, Overseer; Canada—\$23,669.08, Perry E. Gillum and John Doroshuk, Overseers. **CHURCHES:** Pape Avenue, Toronto, Canada—\$9,801.79, Aston R. Morrison, Pastor; Chatsworth, GA—\$6,895.94, Donald Oliver, Pastor; West End, Toronto, Canada—\$6,893.54, H. L. Martin, Pastor.

7:54 God is working in Asia and Australia—Bobby R. Snow. Comments: Luke 24:47; Isaiah 51:5. The Church was organized in American Samoa after the faithful labors of many. This local church is reaching to another island group in Western Samoa and operating a mission there. Reports given by the National Overseers and others indicate that God is working where the Church is already established and new churches are being organized and members added to the Church. We praise God for all who are laboring in this harvest. Without laborers on the field, the Church could not reap the harvest.

BTI was conducted in India, Indonesia and Korea, training ministry and laity and equipping them to participate in this harvest. Four youth mission teams went into the area this year. Many souls were saved, sanctified, baptized with the Holy Ghost and added to the Church as a result of their efforts. Isaiah 51:5. Perhaps they have waited long enough. The commission is to go; and since this is such a vital part of the work to be done, we must continue to place strong emphasis on this God-given commission. Everyone

outside Christ is a mission field; everyone in Christ should be a missionary.

God is working in the Caribbean Islands—Lesmon R. Graham. Comments: Amos 8:1, 2. (Asked Overseers and companions in area to stand.) These men and their workers are doing a tremendous work for God and the Church. The harvest is near; it is almost time for the Master to come. We have seen the mighty hand of God working with us and there has been marked growth in every aspect of the work. I had the privilege of attending nine conventions and many other services. God is getting His people ready for His return. The awareness of the Church in this area of the task to be done is evident. Many Christians are asking questions about the Church and her glorious teachings. There is a restlessness among the other sheep. The Scripture says, "They shall ask their way to Zion."

They are hungry for soul satisfaction from the Word of God. It is a pity that in some localities we are not ready to give the necessary help. John 12:32. The Lord will do the drawing; your responsibility is to lift Him up. John 6:44. It is our duty to be faithful and dedicated to the preaching of God's Word.

We have many economical and political difficulties in some areas, yet we are faithfully pursuing the great task of helping men to see the need of salvation. The work among our young people is very encouraging. In Barbados, they organized a youth evangelistic team and paid their expenses to go to Dominica, and the results were great. We are careful not to be involved politically, but the governments of our territories esteem our church workers highly. We are looking to the Lord for the harvest, and we mean to do our best.

8:12 Song by Dwight and Londa Richardson, Mike Flippo and Janice Smith. Congregation joined in singing.

8:24 God is working in Europe and Africa—E. E. Van Deventer. Comments: Zechariah 2:10, 11. We thank the Lord that He has honored this prophecy this year in adding to the Church people of one more nation of Europe. By the grace of God and the efforts of several individuals and the prayers of many of you, on the 25th day of February, 1981, we established the Church of God in the nation of Spain. Thanks to Bishop Gonzales of Portugal, Raul Torres, and Adrian Varlack for their assistance in preparing the way. We greatly appreciate the efforts of Jerry and Maggie Madrid of Colorado in giving several weeks of training and teaching. We cannot forget the mission team of 1975 and several others who prepared the way. Joe Jimenez, Overseer of Utah, was the first chosen to preach to this group in Elche, Spain, about the truth of God's Word and to present the Church of God to them.

Despite setbacks in a few nations of Africa, the work has abounded. The efforts of my predecessors has opened up several new groups of people in new nations that are about to join the ranks of the Church of God. Among them there are 14 churches and ministers in Uganda and 21 churches and ministers in Rwanda.

We have a new group in Ghana. We are presently working with this group to indoctrinate them before a final decision will be made to unite.

Two ministers who are attending a Bible College in Tanzania desire to unite with the Church.

Three young ladies in Finland have joined the Church in different areas and have returned to Finland. They have a group of nine or more interested in joining the Church.

The work in Egypt is showing increasing interest, especially among the young people. The work is growing among the Greek-speaking peoples of Europe.

While in Greece I met an evangelist from another organization who is interested in the Church and lives in England.

We need trained workers who will go and teach: Matthew 28:20. Jesus gave another commandment which compliments the great commission to go teach—He told His Church to: Matthew 9:38.

8:36 God is working in Mexico, Central and South America—Raul Torres. Comments: In our area, there are approximately 320 million people with the greatest percentage in need of Jesus Christ. The task seems impossible, but we are not leaning on our own abilities, but on Jesus Christ. Through our evangelistic endeavors this year, more than 10,000 souls were saved and 3,363 have been added to the Body of Christ.

The past two years, Noe Gutierrez has served as international evangelist to Central America, and he has proven a tremendous asset to the work. In May, Brother Gutierrez, with the cooperation of the Overseer of Panama conducted a city-wide crusade in Panama City, which was invaluable to the community. A mission was started through these efforts.

With God's help, we hope to have an evangelist to South America this year. I encourage you to continue praying for this area of the work. There are many souls that God is going to give us, and we want to be equipped to receive and train them.

8:53 Mission Corpsmen came to platform and one from each group spoke briefly: Charles and Janice Shirley are going to Australia; the Daniel Corbetts are serving in Japan; Joy Smith to go to Belize; Terry and Marietta Lowery to go to Ireland; the Donald Slatons going to Philippines; Charles Thompson going to Windward Islands. The Corbetts sang in Japanese. Brother Varlack told of the Ham Radio club called "Operation Care." This is to help us keep in contact with our workers in other nations.

9:16 Parade of Nations: Music by Bahama Brass Band as ladies marched down aisles carrying flags of nations where the Church is established. They circled platform as a lady dressed as a bride representing the Church came to center of platform. Flag bearers for new nations reached by the Church this year—Spain and American Samoa—stood by Church flag bearer as Bobby Snow and Adrian Varlack told how this was accomplished. Solo by Evelyn Gillum; prayer by D. H. Queener; music by band as flag bearers marched away.

9:50 The Spirit was working; Brother Varlack had congregation to kneel in prayer. Interpretation of message in tongues:

"I know my people; and where they are all over the world. They are gathering together; be not afraid. My children, trust in me; I have the power to do this. I will lead thee. I know the food that you need and where the still waters are where you can drink. Yea, the world is mine. I am God; besides me there is none other. Listen and I will tell thee in a little while I will bring you unto myself. Who have heard such a thing from the foundations of the earth, in a moment's time thousands and thousands and hundreds of thousands will disappear from off the face of the earth. I will wait for thee beyond the cloud, and I will be with thee and gather thee unto myself. Yea, you will see the Father. All things are now ready; I have prepared the fattling; I have killed the oxen; my table is prepared; it is but a little while, but I will be with thee to finish the work. I know you, I have seen your face, and I want you to know I am pleased."

Shirley Hawkins came to the platform and said: "I feel God wants to speak to us. There is a way that God speaks to us, but we must be subject to the Holy Ghost. It does not act out of order. Several times in this Assembly the Holy Ghost tried to speak to us, and we cannot be still long enough for Him to speak. Let us wait upon the Lord and let Him speak. The Lord revealed to me that the message Brother Varlack had would not be for this time, and He gave to me not the message, but these words:

"In the name of Jesus let there be quiet. My people are destroyed for lack of knowledge. Hosea 4:6-10. It is time to heed to God. We have learned how to worship; let's learn how to listen to the Holy Ghost when He speaks."

Interpretation of message in tongues: "Yea, my people, I say unto thee. Peace and ease I will give to thee. Yea, my people, I come for a people who have fought without fault. I come for thee if thou art perfect. Yea, my people, I say unto thee, cleanse thyself and approach unto thy God. I have much work to do in a short time. My people, lift up to me, and I will lead thee to the ends of the earth. My glory shall fill the earth. Listen my people. Humble thyself before me; cleanse thyself and I will bless thee."

Brother Varlack asked all to make an altar where they were. Shortly he opened altar call for all who had a need. Ken Turner and Doug Raburn directed music and singing during altar service.

9:37 Singing led by Dorothy Creel with Norma Coalter, pianist; Gloria Hart, organist. Concert prayer.

9:50 Mission O'clock Around the World. A huge clock hung above platform and Dan Howell narrated as slides were shown depicting the mission of the early Church from its organization until it spread into all the known world; the Church went into the Dark Ages; 1911 marked the beginning of our Church missions when it was organized in the Bahamas and it began reaching out to all the world. What time is it on our mission clock? What will we do for the Master?

10:02 Helping Hand offering was received which amounted to \$15,563.24. A prayer of thanks.

10:13 Ladies' Retreat Choir sang under the direction of Gloria Hart and Norma Coalter with Jenna Allen, pianist; Elaine Linkous, organist.

10:29 A Time to Give Ourselves—message by Viola Graham. Excerpts: 2 Thessalonians 2:9-11. There is a spirit of worship so strong that man will worship anything and resort to the lowest activity in the name of religion. It takes the Christian with vision to see the truth. 1 Timothy 4:1. That satanic spirit that caused Eve to see that the fruit was good for food is in the world blinding the eyes of men. Matthew 22:37. Now is the time to give ourselves completely and unselfishly, because the coming of the Lord draweth nigh. We can give ourselves by doing all the good we can to people; visit all we can; preach the Word. Let us make sure that when we open our mouths it is "... thus saith the Lord." The full gospel will not be spread abroad until we do so said Isaiah, Jeremiah and Ezekiel. Jonah went to Ninevah and told what the Lord said. John the Baptist got his head chopped off. Stephen said it, and he was stoned. Don't be afraid to give the Word. Now is time to give ourselves to effectual, fervent and intercessory prayers. Pray like Daniel did. James was beheaded. Peter was in prison waiting to be beheaded but the Church prayed until Peter appeared at the door. How

much are we interceding with God and asking Him for lost loved ones; for our backsliders and transgressors in our midst? We can't bear the fruits of the flesh and the fruits of the Spirit at the same time. Church of God, if we lived holy lives, we would have the world at our feet. It is not only to give our voice but give our possessions that God might have the glory.

10:57 Prayer by Frank Howard. Time? New Testament O'clock—message by Elva Howard, General Secretary. Excerpts: Acts 2:43; 4:33; 12:5-11; 4:31. These followers of Jesus prayed until the place was shaken and they were filled with the Holy Ghost. Mark 16:20. We want numbers, nations and hundreds of members, increase in money, more buildings, more houses, more office buildings, more, more, but we need God to work with us internally. The Lord worked in the early Church. The living Word was working within to convince them of the greatness of Jesus and establish them in the truth. We need the signs. All of these other people who are stepping out and performing miracles are confusing our folk. We have more light than they, and we will have to do more in order for it to work with us.

Signs didn't confirm the preacher, but the preaching of the Word. The Word of God is infallible; It will never pass away. John 6:63. The Spirit is quickening; the flesh profiteth little. Psalm 119:89; Ezekiel 12:25. If we have seen Him, we will be like the apostles and go forth with the positive message of power. The Book is great, but doing the Book is greater. James 1:22-24. The covenant says that we believe and practice its teachings. There is nothing wrong with the teachings of the Church, because they are in the Word. There are lot more in the Word than is listed in the twenty-nine teachings. It is satisfying to know that I go to a church that preaches the truth. I pride myself in the Church preaching the truth; and if I tell somebody about the Church, I tell them we preach it. I agree with the truth. If I hear it and do nothing about it, I am deceiving myself. It is possible for me to hear the Word so much without doing anything about it until I could forget what kind of Christian I am.

There is coming a storm and it is going to shatter those who are not doing the Word. We are supposed to know those who labor among us and esteem them, and sometimes we tear our General Overseer all to pieces. I am sure he don't do right all the time, but I read in God's Word about not touching God's anointed. Matthew 7:24-27. The rock was the Word. There are other rocks; the Church is built on one. Some think if they can just get in the Church, they will make it. You have to have something under you to hold you. We must not only be doer's of the Word, but we must reach. I have a deep spiritual hunger, and recently it has been more important to me to seek God than to eat food. You and I need to learn how to try the spirits. The Holy Ghost is not a show off nor confusion. God transformed those disciples and made them flaming fires. He made men bold witnesses; brought self-seeking, money grabbers to a willingness to give all for the gospel. He left those who had political ambition a desire to leave all and follow to a martyr's death. I believe we are going into the depth with God where He can work in

and through us. The first thing said of these people is they took notice that they had been with Christ. Being with Christ will take hate out of your heart, make us tell the truth and pay up and live right. They gave up all just for the privilege to follow Him; it was not a sacrifice; they loved one another. I am not going to make it on my own merits. 2 Corinthians 3:18; 1 Corinthians 13:12. Paul is saying that right now I only know part of it, but then I will know Him as He knows me. We have talked about seeing God in the clouds of glory, but I want to see Him now. John 12:21, 22; Matthew 5:8. I know that in the hereafter the pure in heart will glance His majesty and power, but I need His majesty and power now. Psalm 24:3, 4; 91:1. You can't have those promises until you get to the secret place of the most high, and then you can talk to God. Psalm 15:1-4; 27:8; Job 42:5. A glimpse of the Almighty will cause things of this earth to fade into the background. The God of love will burn a flame into my soul until all men will stand trustworthy and love will flow like a mighty river. In that season, we will be ready to tell the world what time it is. It's New Testament O'clock.

2:40 "Let Us Walk By the Same Rule"—message by Ray C. Wynn, General Superintendent. Excerpts: The Word has a lot to say about our walk—we are to walk in: love, His ways, honesty, wisdom, light, truth, spirit, after the Lord, the fear of God, about Zion, uprightly, the law of the Lord, the ways of thine heart, His paths, newness of light, by faith—not by sight and walk in wisdom toward them that are without. Acts 16:9, 10. The church in Philippi was very small in the beginning, but it had grown into a

flourishing church. I believe Paul still wanted to help this church, although he could not be physically present. He pleads with them for a united stand.

We need more of God and less of us. I associate this help with a drowning man going down for the last time and calling for help. Starving and confused souls in this world are crying for help. Our assemblies, conventions and our local services should be places where we could receive divine inspiration to feed the hungry world. The helper must be in a condition to help. This great Commission consists of going into all the world with the gospel, as well as teaching them to observe all things. The Church must cry out to God for help to do His divine will on earth. Too many of the Church's primary functions are to raise funds and distribute to a needy world, and we think we are fulfilling the Commission. It takes more and more finance, but the Commission is more than helping the physical and raising the dollars. We must reach that inner man with this full gospel message.

To some, the Commission consists of only having gospel meetings, which is wonderful; but that does not answer the Bible Commission. The one receiving help must want help. The prodigal son did not return to his father's house until he came to himself. Acts 10:1-6. Not much is said about Cornelius, other than he was a Gentile, a good giver, had a consistent prayer life, he built memorials before the Lord. He had God's attention and seemingly had a thirst for righteousness. I would to God that the Church of God could say: "Speak to us, Lord, we are ready to listen." Suppose Cornelius had pet rules and customs he would not compromise with, I believe the outcome would have been different. He stated that **we are all present before God**; he did not have a set rule of doctrine. Neither did he have the attitude that we are Gentiles; we join your group, there are some church practices that won't work in our area. Sound doctrine and God's Word will work anywhere we will let it work. One difficult task concerning the great Commission is not going; but after we arrive, to communicate Church doctrine and practices that are passed in the General Assembly. Perhaps we have made recommendations in our business meetings and on our Assembly floor and forgot about that fellow across the sea. It is an all-nations gospel. God's doctrine will work anywhere we will let it work. I did not say methods would work everywhere. The Bible involves more than going to a nation on the weekend and raising the flag, but just reaching one area does not fulfill the Commission. We need to display the flag, but that within itself is not fulfilling the great Commission. Ephesians 5:24-27.

I believe in due time the Church will arrive at that beautiful standard of holiness as the Word tells us by adhering to the Word of the Lord. God has no language barriers. It takes Bible repentance to find the Lord anywhere. Let us walk by the same rule or we will never arrive at that place by everyone having his little yardstick to make spiritual measurements. Tithes is a debt we owe; no one is ever too poor or too rich to pay tithes. I have been told about the jewelry teaching that we have customs and traditions. This is not a custom nor a tradition, but it is a Bible teaching. It is a sin for a man or

woman to commit adultery anywhere; we have too much homosexuality in the Church. There is no such thing as homosexuality in the Lord. If I were a homosexual and had been delivered, I would dress like a man and remove every doubt from people's minds. I am not talking about methods; I am talking about Bible holiness. (Concert prayer led by M. A. Tomlinson.)

3:13 Servicemen's Program directed by Bobby R. Snow, Representative, who commented concerning the year's activities.

3:20 David Fowler told of retreat in Germany using theme **Touched by God**. Acts 14:36. Steve Farmer, servicemen's representative in Missouri, told of a church being organized in Ft. Leavenworth as a result of prayer meetings started in a home. Larry Biggers told of servicemen's retreat in Hawaii and a servicemen's retreat has been opened there.

3:34 Singing by the McCain Family as offering was received; prayer by Gerald Moates. Representative introduced Brother Moates and wife; he has recently entered into military chaplaincy; concert prayer for all military personnel.

3:44 Jesus, Speak the Word Only—message by Bobby R. Snow, Representative. Experts: Matthew 8:5-10, 28-32. The centurion recognized authority. When Jesus said He would come to the house of the man with authority, the centurion said that he was not worthy for Jesus to come under his roof, but all Jesus had to do was say the word, and he believed that Jesus would grant his petition. Let us look to the Lord and depend upon Him, recognizing the authority of God. By Him the worlds were framed; He has control of the invisible and visible things. When these spirits besought Him to let them into that herd of swine, I believe they knew their days were numbered. They could not much longer have residence within this human body. All Jesus said to them was "GO." All we need is a word from Jesus; He has the power and authority to grant us what we need.

We need a touch from the Lord individually; our battle with the enemy of our soul cannot be won with physical strength. If the centurion servant could have been healed by power of authority, the centurion had enough entrusted in him to do that; but he had to go to the source of all the power of the universe—Jesus. We need a visible move of this power of Almighty God amongst men in this world. If the Lord says the word, we can look for something to happen. Lot of times we know what God wants, but we will not respond in a positive manner to get that done.

We would like to see a move of God in the local church, in our conventions and in the General Assembly; and the Church would be entirely covered by this move of God. It is going to take you and I getting ahold of God that we might obtain that which God would have us to. Just because we are the Church of God does not mean that God is going to automatically use us. An example of this is Jeremiah, who was aware that Israel was to be in captivity 70 years. It was nearing the end of this period, but Jeremiah did not just sit back and say that in a certain period of time Israel will return to the homeland. He fasted and prayed that God would fulfill that prophecy. We

have an understanding of the Church's Commission, but it is not going to happen automatically. When the Jews returned to their homeland in May of 1948, that was not the first move of the Jews to get back to their homeland. Probably the climatic thing that brought this to the Jewish nation is the holocaust by Adolf Hitler when six million Jews were annihilated. These people realized that Germany was not a good place to live. They were there by divine providence. If we could spiritually reach this height in zeal and vision in preaching the Church as they are in advocating their cause, this would advance the Church greatly. The Lord is going to do the work using human instrumentality. Those people who are inquiring and seeking today, we can pray until the Lord will say the word; people will recognize that it is the power of God. (Concert prayer.)

4:11 Montana, Idaho and Wyoming Program directed by Overseers J. Wendell Lowe, W. A. Howard and Paul H. Thompson. Their workers were on platform and some spoke briefly telling ways in which God blessed their labors this year.

4:53 Guided By The True Spirit—message by Earlean Emerson. Excerpts: Matthew 18:16; Genesis 1:1, 2. God was there to do His part in the creation. We must be guided by the true Spirit because there are many spirits in the world. John 16:8; Titus 3:5. There is a doctrine being practiced in the world that has entered in among us, that you can do anything you want to do, just so you pray before you go to bed. You can get forgiveness for sin when it is confessed and forsaken. 2 Corinthians 7:10. We need an old-fashioned cleansing of the blood of Jesus Christ flowing through the Church of God. Romans 15:16.

The real Spirit of God applies the blood and eradicates the adamic nature and takes out the want to sin. John 14:26. We must have the Spirit to guide us and to teach us in the Church of God. We will never graduate from the need of the Holy Ghost being our guide and our teacher. Jeremiah 10:23. It is not within us to direct our steps; they need to be ordered by the Lord and the Holy Ghost. Psalm 119:99. The true Spirit of God and the Word agree. 1 John 4:1. Try the spirits. Exodus 7:11, 21, 22. The devil's program can go so far. Aaron's rod swallowed up the magicians rods. Everything that is supernatural is not of God. In the world today, there are sorcerers, wisemen and many magicians. A few of them are in the Church of God. Everything we accept needs to line up with the Word of God. Exodus 8:19; 2 Timothy 3:7, 8.

We cannot afford to have a negative attitude about the Church. It is the best thing on the earth. Some have enchantment about them; if you keep company with them that spirit rubs off on you. Many didn't like Moses' leadership, but he was God's leader. Numbers 16:3. The Lord is going to show one of these days who are His and who are holy. He knows exactly what you are. The wrong spirit will destroy us. We cannot have the spirit of Jezebel who would stop at nothing to gain what she wanted. The Spirit of the Church will be humility, freedom from pride, meekness, modesty, obtain

divine favor of God, submission and obedience, yield to authority and have a spirit of work. Christ learned obedience by the things that He suffered. John 9:4.

The opposite of humility is pride, haughty, feeling oneself to be superior to another. Amos 6:1; John 7:38, 39; Psalm 46:4. A positive statement that God will help us in the Church of God. (She led congregation in singing one verse of **I'm Too Far On My Journey To Turn Back Now**; and prayer. Brother Tomlinson asked all Alabamians to shake hands with Sister Emerson and some testified and praised the Lord. Short intermission.)

8:28 Watchman, What of the Night?—message by Elwood Matthews, Director. Excerpts: Isaiah 21:11, 12. God had established a covenant with Israel, and they are in Babylonian captivity and the children of Esau are enjoying their inheritance. The answer is to return to a living God; the time is coming when you will suffer persecution, Church of God, we are God's watchmen and we are being tantalized by people who are a part of the family of God. They ask, "Where are you different from anybody else?" We have declared we will take this whole Book. Many of us deny the things we have preached for years because people sneer and say that we are bound by a system and they are free and living on the fat of the land.

We have preached about the manifestation of the power of God and when we begin to see the unusual, we say, "Watch it, somebody's going to go overboard." We have preached arise shine and the glory of the Lord has risen, and don't you think it is time to shine? The signs of the morning for the Church of God fill our newspapers, news on radio and television. Nations in distress; the world is in trouble; the nations are beginning to align for the

battle of Armageddon. We are seeing a tremendous influence of the power of the anti-christ in our day—substituting anything in the place of Christ; self-sufficiency for Holy Ghost proficiency; many of us depend on prestige; but we have to have the Holy Ghost power.

The message of the Church is scriptural. Anytime we place the Church or individuals above Jesus Christ, it is the spirit of the anti-christ. The fruits of the Spirit come first, and the gifts come afterward. In the name of progress, we are seeing the revision of the Roman Empire. We have heard a lot about the vision of Nebuchadnezzar; God showed him the history in advance of the world. Christ said there will be a time when that one stone that is hewn out of the mountain (not with man's hands) would destroy that entire empire. We are in a computerized society, where one man can control this entire world. If we believe what we say, we need to be doing something about it. Tennessee Senator William Brock told me that this country is ripe for a dictator and that our Church needs to pray. We hear that communists are seeking to destroy our country, and we are in danger within and without. Without law and order, our nation cannot survive. A prominent doctor said, "We want a man of sufficient stature to hold the allegiance of all people and to lift us out of the economic morass in which we are sinking. Send us such a man and be he good or evil, we will receive him." That is coming to pass before long. Church of God, we are going to experience morning first, and we are going to soar away. One of our pastors is in this Assembly and I am asking him to come to the platform. He told me about being threatened in many ways because he refused to go along with a businessman who said we would soon have a mark in our hands. One of the most strong warnings Jesus left His Church is, "... let no man deceive you." We are in an age of deception; everybody talking about heaven is not going; everybody who is talking about the Holy Ghost is not filled. 1 Timothy 4:1, 2. Narrated 2 Timothy 3:1-5.

When you become a new creature in Christ Jesus, your life is changed. Instead of being ashamed of the Bible, we ought to lift up our heads and say that we are a peculiar people; a holy nation. We can't accept homosexuality in the ministry and anything else that is a social problem. It is a sin sickness and needs help from God. We get so carried away with faith that we forget about holiness. I don't want to dampen our spirit on faith, but neither do I want us to get carried away so that we forget about the standard of God's Word. 1 John 3:21, 22. If you have no condemnation in your heart, you won't commit adultery. Let us not be deceived by things such as: believe God for anything you want. We never think about believing God for the fellowship of His suffering. 1 Corinthians 4:10-14. They counted it joy to suffer for Christ. 2 Timothy 2:12; Luke 6:26. Not just talk about who we are, but let the world see by what the Bible says and by what is going on in our churches. Our deliverance is at hand; the Bridegroom is looking down. 1 Thessalonians 4:16.

9:38 Brother Matthews gave altar call. Soul Searchers sang **I'll Have a**

9:08 It Is Beginning To Rain—Greater Things Ahead For The Church of God—message by D. Frank Hughes. Excerpts: Church of God, we are the people of the future. We have an illustrious, miraculous, glorious and victorious history; but we are not a people of the past. When Israel was crumbling on the borders of the promised land, Joshua had been thrust into leadership with the death of Moses. He felt incapable and alarm swept through their ranks. God said, "Be of good courage, I will be with you." Joshua called all the people together and he said, "... Sanctify yourselves: for tomorrow the Lord will do wonders among you." We are experiencing some showers, but there are greater things for God's Church. Elijah said after the dry spell in Israel, "Lo, I hear the sound of abundance of rain." God is visiting the Church today. Matthew 16:15-18.

The church that Christ said He would build is destined to outlast the sun, the moon and the stars. It will be Christ's crowning achievement for the fulfillment of God's prophetic plan. Jesus provided a banquet for the multitude, turned water into wine, called Lazarus from death, overpowered death at the Easter tomb; sits at God's right hand, holding the world in the palm of His hand. Can He build His Church? Be assured that what God started, He is able to perform. He takes the blistered, the bruised, the twisted, the splintered, the cast off and the rejected and builds the Church of the living God. He takes strange cultures, alien societies, the educated, the ignorant, the rich, the poor, the bond and the free, the aged and the young, the cultured and the uncouth and brings them under one covenant to make up His Church. The Lord is going to bring us together and the saints of God are coming to this church He is building. John 10:16. We had better get prepared; company is coming.

The greatest day the Church of God has ever known is tomorrow. Our pride must not be monuments for noble men of the past; though we give them respect and honor. Our hope is in the brightness of the future. Narrated John 2:1-10. Jesus knew that His wedding was scheduled just as surely as His death, burial, resurrection and ascension. Spiritually the best wine has been reserved until last. I am talking about between now and the rapture. When you know you are going to be victorious, who minds the battle? Out of the earth's most defiled and degraded, the fallen sons of Adam, Christ is forming a masterpiece—His Church without spot or wrinkle. While the

angelic hosts line the boulevards of glory, His Church comes from the jungles, deserts, cities, country, mountains and valleys. This church, transformed in His likeness, shall sing like it has never sung before **All Hail the Power of Jesus' Name.**

I sense a fresh flow of anointing in the Church. It seems we are examining our priorities and revealing some misspent energies. We are getting some fresh new directives from the Lord—not that we are altogether wrong; but we are coming to grips with this commission that the Lord told us. Instead of merely holding the fort and defending the faith and glorying in our exclusiveness, I believe we are ready to march aggressively out in the world to be the Church. I sense a greater focus on people and ministering to their needs. I see unparalleled opportunities ahead for God's Church. Church, we have the tools, the talent and the machinery; we must take the initiative to win this world for Jesus Christ. The same anointing that touched our fathers will empower and impress men today who will yield to the Holy Spirit like they did. Thank God for the showers of power, but it is going to get greater.

Report of World Language Secretary

August 1, 1980 through July 31, 1981

Read Colossians 1:2-6. The Lord's mighty hand has been upon us as I have laboured for Christ and His glorious Church traveling to many distant places in pursuit of the World Language work. The Lord has surely put His divine approval on our World Literature Outreach work. We have taken positive steps in our literature outreach. We have realized a breakthrough with our literature in the Japanese and Chinese languages. There are great expectations for a revival among these people. Bishop David Kim, Overseer of Korea, reports contacts made with Chinese congregations in Hong Kong and Taiwan. Doors are also being opened to the Corbetts in Japan.

We have begun the preparation of Church literature in the Hindi language of India. We have started translation of our literature in the Swahili and Samoan languages. We are now producing Sunday school literature in Portuguese and Tagalog (Philippine Islands) languages. The White Wing Publishing House in South Africa is a great blessing to the Church's World Literature Outreach work. It is producing Sunday school literature in five languages and Church tracts in seven languages: Afrikaanse, Zulu, Shona, Chickewa, Setswana, Xhosa and English.

Million Dollar Challenge

Last year we accepted the challenge to raise funds. Many states, coun-

tries, districts, local churches and individuals are getting involved. Virginia has raised over \$10,000.00; Peru has embarked in raising one million soles; Canada has sent in more than \$1,200.00 during the year; the children's church in Hopewell, Alabama, raised \$5,000.00; a family in Mississippi gave \$1,650.00; the Brecksville, Ohio Church raised \$1,000.00, as well as many others. C. H. Curenton gave gold and silver; Hutch Lockleair, NC, sold his gold and gave proceeds for World Literature Outreach; one personal offering of \$100,000.00. Total Assembly Offering is \$141,354.35.

Read 1 Chronicles 29:3, 9, 11. Thank you for your faithfulness in giving unto the Lord for the support of this great work.

Report of Ministerial Aid Director

August 1, 1980 through July 31, 1981

This has been a very exciting and rewarding year. I consider it the greatest honor of my ministerial career to be associated with the elite ministerial group

such as our Senior Ministers as well as working closely with the active ministry.

I have administrated all of the Ministerial Aid Department business which has been directed to World Headquarters. This has been done through a competent staff and the Ministerial Aid Committee.

I edited a monthly bulletin called the International Connector. Approximately 8,000 copies have been distributed this year. I represented General Headquarters at activities in Arizona, Arkansas, Alabama, Oklahoma, South Carolina, Tennessee and Virginia. Conventions in Alabama, Delaware, New Jersey, Nebraska, Minnesota and North Carolina. I visited many homes and churches in New Mexico, Texas, Tennessee, Georgia and attended funerals in several states.

I wrote a book on the life and works of ten of our great ministers entitled "Reflections of 450 Years in the Ministry." I served on the CPMA Committee, attended the Commemoration service of the first powered airplane flight at Kitty Hawk, North Carolina and attended several special services at Fields of the Wood. I served on the Ministerial Aid Committee, served as secretary of the Editorial Committee on Church History, Polity and Doctrine. I served as chairman of the Ways and Means Committee. Ministerial Aid Committee Report August 1, 1980 through July 31, 1981

The Ministerial Aid Committee held 12 regular monthly meetings and approved 38 applications for retirement, 26 for disability, 19 widows and 4 reinstatements. Total number of applications approved this year was 87. We presently have 267 receiving retirement benefits, 205 receiving disability benefits, 128 receiving widows assistance and 12 lay employees. The total number of persons receiving Ministerial Aid benefits is 612.

The Ministerial Aid Committee processed 61 death records and approved death benefits to be paid to family beneficiaries in the amount of \$42,250.00. This includes 57 ministers, 3 widows of deceased ministers and 1 lay employee. We provided 46 church flags which were presented by the officiating ministers to the deceased minister's family. A memorial certificate was also sent to the families.

The Ministers Retirement Tax-Sheltered Annuity plan presently has 255 participants. This includes 25 ministers who administrate their personal

tax-sheltered annuities. Deferred Compensation benefits paid by World Headquarters from individual ministers' tithes to individual ministers' annuities totaled \$102,449.97.

The Ministerial Aid Committee is prayerfully concerned regarding the needs of our worthy ministers and widows. We are endeavoring to assist each applicant as funds are available on the basis of faithfulness in the ministry as well as years actively engaged in ministerial service.

The Group Life Insurance plan has been administered by the home office of IDS Insurance Company. IDS processed 69 policies resulting in \$87,406.24, death benefits paid to beneficiaries of Church members.

We express our sincere appreciation to all departments of the Church who share their funds in support of caring for our senior ministers and families.

10:24 **Report of Communications Department Business Manager**

August 1, 1980 through July 31, 1981

Praise and honor to the Lord for wonderfully blessing the Communications work throughout the year. He has guided our efforts, opened doors of opportunity for progress in the work and has sustained us in His service.

The Voice of Salvation continues to increase its international outreach and is being scheduled in other nations. Production work for the Spanish **Voice of Salvation** broadcast has been transferred from San Juan, Puerto Rico to the Communications Department in Cleveland. This provides a greater range of studio facilities and a closer contact with departmental promotion for the broadcast.

The weekly musical broadcast **Today With Music** has been combined with **Gospel Concert Hall** which has tended to strengthen the effectiveness of **Gospel Concert Hall**. This has enabled us to use the one musical program for meeting our needs.

The recording studio at Communications Center has been updated with a 24-channel automated (Quad-Eight) mixing console, 24-track (Ampex) automated tape recorder (ATR-124), a new (Ampex) mastering tape recorder (ATR-102), monitoring and special effects equipment. This facility is on par with the finest recording studios in the United States. The production capability of the studio has been greatly enhanced.

I have traveled in several states, Jamaica, Dominican Republic and Puerto Rico promoting the Communications work this year.

I attended one district convention two state conventions, the Audio Engineering Society Convention; the National Religious Broadcasters Convention; participated in the Overseers' Seminar following the 75th General Assembly.

I have supervised the department's engineering operations and the work of my office staff, answered correspondence, operated Broadcast Distributors and Broadcast Record Club; served on the Communications Committee and Music Committee.

The Church programs are scheduled for weekly broadcasts as follows:

Report of Communications Minister

August 1, 1980 through July 31, 1981

There is no greater honor than to be involved in the service of the Master Who said, "... when the fruit is brought forth (or is ready to harvest) immediately he putteth in the sickle, because the harvest is come." We are living when the fruit is ripest and the harvest is most ready; the efforts at reaping are most productive and the need was never greater. The joy of reaping accompanies the efforts to save the ripest fruit.

It has been my privilege to serve the Lord and the Church in this capacity. My regular duties included producing and taping the international radio program **The Voice of Salvation** each week, except every sixth week when General Overseer M. A. Tomlinson was guest speaker.

Along with my staff, I spent a great deal of time in producing a pilot film for television under the newly copyrighted title **The Truth in View**. The opening video film footage, the title copyright, the arrangements for filming, and the taping of the pilot film are the results of many months of work.

I was privileged to teach in BTI sessions in Cleveland, TN and Fullerton, CA; conducted meetings in: Carroll, OH; Mountain View, MO; Memphis, TN; Barre, VT; Nashua, NH; Manchester, NH; Cleveland, TN; and Bakersfield, CA; participated in a men's retreat in Oxnard, CA; made a class presentation at a marriage and family seminar sponsored by Contact in Cleveland.

I attended the National Religious Broadcasters Convention in Washington, D.C. and served as Headquarters representative at the: Ohio, Colorado and Minnesota state conventions.

I wish to express my very sincere gratitude and appreciation to those who have assisted me in the various aspects of the work.

I am most grateful to the Lord for the blessing of having the **Spanish Voice of Salvation** broadcast in Central and South America, the Caribbean Islands, Spain and some states in USA.

The Lord has blessed us in a special way: in Dominican Republic, we have signed a life-time contract with two radio stations, one will broadcast the program daily; in Chile, a new church was organized as direct result of the program; in Puerto Rico, 17 radio stations broadcast our program as a public service representing a donation of \$50,000.00 a year. One of these stations broadcast, via telephone, the Saturday evening service of this General Assembly.

While conducting a revival in Spain, I visited a local radio station and God gave us the blessing of scheduling a program on Radio Station Elche in Alicante. Spain just recently opened its doors to evangelical broadcasting and this will serve as contact with Headquarters for our newly organized work in this country. Special thanks to the Church in Puerto Rico, who are helping to sponsor this program.

We have received thousands of letters, many giving testimonies of healing and spiritual help, received by this ministry. Many expressed the blessing of the correspondence courses: **The Body of Christ** and **General Bible Knowledge**. We distributed 819 units of the **Body of Christ** and 80 certificates were issued. Of the **General Bible Knowledge**, 432 units were distributed and 24 certificates were issued. The program is now broadcast on 76 radio stations in 17 countries.

I represented the General Headquarters in the conventions of: Nicaragua, Portugal and California (Spanish); visited several other nations conducting rallies and revivals and visiting stations which brought about the scheduling of new programs. I attended the National Religious Broadcasters Convention in Washington, D. C. and participated in the Mission Seminar immediately following last Assembly.

Thank God for the wonderful spirit of love, cooperation and understanding that prevailed in the Communications Department, and I express deepest gratitude to the department personnel.

Report of General Minister of Music

August 1, 1980 through July 31, 1981

It has been an honor and privilege to serve Christ and His Church in the ministry of music for this Assembly year. I have assisted in planning and conducting three Christian Workers' Conferences in Kentucky, Colorado and Pennsylvania; conducted weekend music clinics in six states; served as camp evangelist in the Minnesota Winter Retreat and Nebraska Senior Camp; taught music classes in the Nebraska camp; conducted revivals in Adamsville, AL and Henderson, NV; taught music classes for Bible Training Institute in London, England and Cleveland, TN; served on the Communications Committee; coordinated taping of music for the **Voice of Salvation** Radio Program, and a television pilot program entitled **The Truth In View**; also, served as announcer.

In conjunction with serving on the Youth Mission Board, I assisted as needed in the 1981 Youth Mission Team orientation.

The Music Department promoted and coordinated the second annual Teen Talent music competitions, as well as produced a long-play album featuring the winners of the 1980 competition. I am happy to report increased participation in the Teen Talent program this year, and a marked improvement in the quality of talent over the past year. This indicates success in achieving the goals set for Teen Talent "to bring glory to God in an atmosphere of excellence."

I have corresponded with state and national music directors this year. As a joint project with our music directors, the Music Department produced the musical "God Has Always Had a People" for the 1981 General Assembly.

I was General Headquarters Representative to the state conventions in: Illinois, Indiana, Arizona, and was guest speaker at the Southern California state convention. Taught music classes and directed camp choir in the 1981 International Youth Camp. Attended these conferences: Mid-America Sunday School Convention, National Religious Broadcasters Convention and Benson Music Clinic.

World Mission Committee Report

August 1, 1980 through July 31, 1981

Read Psalm 50:1. We thank the Lord for completing another year in His

service, in which the Church around the world has grown and developed in spiritual maturity, better management skills and in numbers. Our concern continues for our faithful saints in countries with deep political, social and military unrest including: El Salvador, Central America, the Republic of South Africa, Mozambique, Zimbabwe, Zaire and the Caribbean countries of Dominica and Grenada. We are very conscious of the devastating impact of world inflation in: Israel, Argentina, Uruguay, Costa Rica, the United Kingdom and a host of others.

Despite this and legal and religious opposition in some areas, the work of our Lord continues to thrive. This year, based on reports received so far, 147 new churches were set in order on the mission fields, with an addition of over 10,000 members.

By the grace of God and the efforts of Mission Representatives Raul Torres and E. E. Van Deventer and Luis R. Gonzalez, the Church was set in order February 25, 1981 in Elche, Spain, with thirteen members. H. Larry Biggers, with the able assistance of Phillip Reyes and family, established the first church on American Samoa with thirteen charter members. This brings to 75 the number of countries and territories where the Church is operating. The Committee commends all who assisted in this labor of love.

It is also evident that the financial growth of the Church continues unabated. In 1974, the March and October World Mission Drives raised in the countries was \$20,916.00. In the two drives in 1980-81, the figure is \$194,191.00, an increase in six years of over 828%. Our Overseers, missionaries, pastors and local workers are to be highly commended for their faithfulness. Only such service to God in the midst of poverty can produce such results.

World Mission Corpsmen on the field continue to be a blessing to the work. Presently, the Glover family is in the Republic of South Africa, the Pruitts in Paraguay and the Corbetts, in Japan, who officially completed their two-year term this year.

The 1981 Youth Mission Teams converged on four countries and five states; the two-week effort of the 47 teamsmen and their sponsors and evangelists, resulted in 261 experiences.

Contributions to our World Harvest Funds are received and disbursed directly to our mission workers abroad. These offerings are a tremendous aid in the mission endeavors. All special offerings should be mailed directly to the World Harvest Fund, stating to whom or for what purpose the offering is intended.

Visited these nations: England, Scotland, Spain, Germany, Greece, Israel, Egypt, Kenya, Nigeria, Ivory Coast, Liberia, Sierra Leone, Ghana, Zimbabwe, Zambia, Botswana, South Africa (Afrikaanse) and South Africa (Bantu), Tanzania. Visited some nations more than once.

With the assistance of Bishops Varlack and Gonzales, I organized our first church in Spain in Elche on February 25, 1981 with 13 members.

I received one letter of correspondence from Jordan; corresponded to individuals in Uganda, Rwanda and Finland with regard to the establishing of the Church in those nations; conducted one Mission Training school in Kenya; taught in BTI in both England schools; attended the Servicemen's Retreat in Germany; attended the June 13 program on Mt. Hittin, Israel.

The property at 1 Preston Road in London was sold and property 131 Vine Road, Stoke Poges, Slough was purchased as a home for the Mission Representative. An office was maintained in my home with the help of my wife and the National Office of England.

**Report of Mission Representative
to Mexico, Central and South America
August 1, 1980 through July 31, 1981**

The Lord has been good to me, protecting and watching over me as I traveled thousands of miles to various nations of the world this past Assembly year. I feel every much indebted to God for His infinite love.

It has been a challenging year but I thank the Lord that through it all He has provided all that was needed to fulfill all my commitments. The work in Latin America continues to grow in all phases, and there is much excitement among our people.

I visited two ministers' conventions in the nations of Nicaragua and Puerto Rico; assisted some of the overseers in relocating from one nation to another; assisted the Overseer of Central Mexico in purchasing some playground equipment for the orphanage. It was an honor of mine to have represented General Headquarters to ten national conventions.

I had the privilege to serve on the World Mission Committee; it was an honor to serve as National Overseer to the nations of Belize and North Brazil. I have made arrangements to register the Church in Belize, this document was completed in April; coordinated the work in these areas with the ministry and was able to moderate a national convention in both territories.

All laborers responsible for raising mission funds to support our program, all National and State Overseers and members, civilian and military, with whom I have worked this year, I appreciate you and esteem you very highly for the work's sake.

Attended the 75th General Assembly in which I served on the Counseling Committee and directed Servicemen's Program and banquet; two General meetings and Orientation Seminar for National Overseers; served on World Mission Committee and attended two Ecclesiastical Endorsing Agents Conferences.

My work has been most rewarding; have combined some of the work of these two offices in many instances where our military personnel are stationed and we have mission interests.

Visited in my work this year— NATIONS: Australia, England, Germany, India, Indonesia, Japan, Korea, New Zealand, Paraguay, Philippine Islands and Thailand; ISLANDS: American Samoa, Guam and Hawaii; TERRITORIES: Hong Kong and Singapore. I attended 6 national conventions, 1 ministers' convention, visited 29 local churches, several home prayer meetings, taught in Philippines and Indonesia in BTI and visited 14 states and Washington, D.C.

On my visits to India, Indonesia, and Korea, I made photographs of our orphanage work and children being cared for, also progress of construction projects and submitted these to the General Sunday School Secretary for updating promotional material produced by that department.

Traveled approximately 152,000 miles by commercial airlines with over 300 hours flying time and more than 6,000 miles by surface transportation.

REPORT OF SERVICEMEN'S DEPARTMENT

I visited our military personnel in the United States and several other nations; attended four retreats in which I spoke; visited and was in worship service with military personnel in England and Germany.

Our Chaplaincy program presently consists of: Maj. Douglas Stephenson, Capt. Guy Lindsey and Capt. Gerald Moates on active duty in the Army. Lt. Dan Kurbis, medically retired from the Navy; Bill Reed has been endorsed for the Navy Chaplaincy. Capt. Raymond Brown is in the Air Force Reserve; Capt. James Garner, resigned from Air Force about June 30,

1981. Capt. James E. Brisson with the Civil Air Patrol, presently inactive.

Retreats were conducted in: Berchtesgaden, Germany; Anchorage, Alaska; Waipahu, Hawaii; Kerrville, Texas. In the retreats there was special emphasis on spiritual life and some recreational activities.

The Servicemen's Center in Langen, W. Germany (near Frankfurt) continues to operate under the direction of the National Overseer David Fowler. The Overseer of Hawaii is operating a Servicemen's Center in the Waipahu area.

The **Servicemen's News** mailing list numbers 700; 522 are individual recipients with the remaining 178 mailed in bundles to pastors and overseers, by request, for distribution.

I served as Editor of the **Servicemen's News** and there have been 12 issues published; approximately 136 packets with 1,632 tracts mailed to military families; over 10,000 flyers and cards advertising various activities of this department. A regular flow of mail is received and answered through this department.

The Church and its Representative and Ecclesiastical Endorsing Agent is listed with the Department of Defense, the Army, the Navy, the Air Force, the Civil Air Patrol, and the Air Force Reserve Chaplaincy Program and corresponds with the Chief of Chaplains for each of these branches of service.

My association, fellowship and work with the military families and individuals has been a most rewarding and enjoyable experience.

Questions and Subjects Committee Report

Accolade

I will bless the Lord at all times: his praise shall continually be in my mouth. (Psalm 34:1)

Great is the Lord, and greatly to be praised in the city of our God, in the mountain of his holiness. (Psalm 48:1)

We praise the Lord for the timely recommendation by our General Overseer in his annual address to the 75th General Assembly to appoint the Questions and Subjects Committee at the conclusion of the Assembly to serve for the ensuing Assembly year—thus enabling the committee to meet at intervals during the year as needed.

The committee has met for three separate work weeks during the year for prayer, study and deliberation regarding all inquiries submitted; and we your Questions and Subjects Committee feel that the meetings have been beneficial and productive in preparing our report for this 76th Assembly.

In addition we have been able to finalize our report to the point of making it available for translation in different languages prior to the time of the report's official presentation on the Assembly floor.

And whereas the General Overseer in his annual address to this 76th annual Assembly has set forth sound instructions concerning the needs of the Church today, we feel it would be proper at this time to offer you an opportunity to give an expression of love and respect to the man, M. A. Tomlinson, for his faithfulness to the office he holds in the Church of God by a standing ovation.

Whereas David Risch has served the General Assembly faithfully for seven years as a member of the Questions and Subjects Committee, we wish to extend our sincere appreciation for the dedicated contribution he has made to the Church of God by serving on this committee.

We, your Questions and Subjects Committee, after much prayer and careful consideration to each matter brought before us, submit the following report:

Section 1

Transferring members from one country to another:

In the case of members moving from one country to another, we recommend that if the move is for longer than one year, or if it is the member's intention not to return to his former country of residence that he transfer his membership as promptly as possible to the local Church near enough to his residence that he can attend regularly.

We further recommend when members are migrating from one country to another, great care should be taken to follow the process by which they will acquire legal status within the country of their new residence.

We strongly encourage all local churches and church officials concerned to be very diligent in the prompt handling of all transfer requests, both in and out, bearing in mind that the proper care of the members is the primary goal of the Church's transfer system.

Section 2

Bible Translations

(After considerable discussion was held over until next Assembly.)

Section 3

Modifications—to Church Business Guide

Section 315 of the **Church Business Guide** was adopted by the 52nd Assembly, 1957; Section 2, p. 135.

315. DEEDING STATE PROPERTY

We recommend that our regular deed form be used in deeding state property in each state, and that the state overseer and Home Mission Board, or other appointed trustees, hold title to property. We further recommend that they have the power to transact any necessary business regarding the property with the consent of general headquarters trustees.

We recommend this be changed to read:

“That the state trustees, or a state Holding Association, where applica-

ble, hold title to state property, and that the state trustees, or state Holding Association, have the power to transact any business regarding the property with the consent of the General Headquarters trustees. We recommend that our authorized Deed form be used in deeding property in each state."

Section 319 of the **Church Business Guide** was adopted by the 50th Assembly, 1955; Section 3, p. 109.

319. PROPERTY OF DISBANDED CHURCHES

In the case of a church ceasing to function or being disbanded, we recommend that the deed to the property come into the hands of the state overseer and Home Mission Board as the successors in office to the original trustees of the property, and that said overseer and Home Mission Board be granted the same authority as original trustees.

We recommend this be changed to read:

"In the case of a church ceasing to function or being disbanded, that the title to the property be vested in the state trustees and that the state trustees have the power to convey, mortgage or dispose of the property with the consent of the General Headquarters trustees."

Section 1304 of the **Church Business Guide** was adopted by the 58th Assembly, 1963; Section 3, pp. 125-126.

1304. AUTHORITY OF STATE CHURCH TRUSTEES

BE IT RESOLVED that state church trustees appointed by the state overseer to hold title to property for the Church of God of Prophecy with international headquarters at Cleveland, Tennessee, be vested with authority to bargain, buy, sell, convey or encumber such property by mortgage with the consent of the General Trustees. This applies to property being held by state trustees where churches have been disbanded or are too weak to function and to property which has been given to the state. All other property with title being held by state trustees may be disposed of or mortgaged only by the consent of the state convention in session.

We recommend this be changed to read:

"BE IT RESOLVED that state church trustees appointed by the state overseer to hold title to property for the Church of God of Prophecy with international headquarters at Cleveland, Tennessee be vested with authority to bargain, buy, sell, convey or encumber such property by mortgage with the consent of the General Trustees. This applies to property being held by state trustees where churches have been disbanded or are too weak to function and to property which has been given to the state. All other property with title in the state trustees or a state Holding Association may be disposed of or mortgaged only by the consent of the state convention in session."

NOTE:

With reference to matters dealing with deeding of property outside the

United States refer to Section 1306, "Uniform Deed May Be Unacceptable in Some States or Countries", of the **Church Business Guide**, 54th Assembly, 1959, Section 9, p. 127.

Section 4

Against Liquor and Narcotic Trafficking

Due to the enormous and terrifying increase in drug traffic and appalling drug abuse in the world today, we recommend that this Assembly go on record advising against our church members operating business establishments in which intoxicating narcotics and liquors are sold for the purpose of inducing an intoxicating effect on the consumer.

Section 5

Abortion

It has been called to the attention of this committee by letters, comments, and testimonies of actual abortions involving our church families. This seems to be a great concern of many overseers, pastors and church members throughout the general church.

Abortion is a subject of concern in political and religious circles with professional medical input on, at what point life begins in the womb.

It does not seem beneficial to the Church to get bogged down in current political and medical science concepts on just when life begins, and theological arguments over, at what point a soul comes into being. However, we do know life for a person originates in the womb. We understand that to willfully abort that life constitutes murder. The Lord said, "Thou shalt do no murder . . ." (Matt. 19:18). It is further stated in the Scriptures, "... And ye know that no murderer hath eternal life abiding in him" (I John 3:15).

We therefore recommend that this Assembly go on record advising against abortions.

Conclusion

All subjects presented to this committee for this Assembly year were given prayerful consideration. Many letters have been written to individuals regarding their particular question or subject and we have endeavored to give satisfactory answers based upon existing current Assembly rulings.

Report of Counseling Committee

The Counseling Committee met in 5 counseling sessions and spent more

than 12 hours counseling with a number of people coming before us.

We appreciate the adequate facilities provided for the Committee's meetings; also, waiting room for those seeking counsel.

All persons presenting subjects to this Committee have been counseled and the subjects have been prayerfully considered, some of which we felt deserved further consideration before being presented to the Presbytery or Assembly Committees. Other subjects which we felt would be a blessing to the entire body have been passed on to the committees to be disposed of at their discretion.

We wish to commend all those who came before this Committee for the good spirit manifested. We found a great concern among the ministry, a great love for the Church of God and its teachings, and a strong desire to promote the doctrine of the Church instead of ideas and opinions.

It should be of interest to the Assembly to know that the Editorial Committee on Doctrine is a standing Committee throughout the year and may be contacted any time on doctrinal questions not clearly understood.

General Properties Committee Report

Your General Properties Committee is pleased to report that the Lord has helped and blessed us in all our deliberations and decisions in the matters we have had to consider this Assembly year.

All our general properties have been maintained and kept in good repair. We were able to purchase a plot of ground containing approximately fifteen acres adjacent to the Assembly Tabernacle parking lot, a part of which has been used during this Assembly for camper parking. We also purchased a warehouse type building on Mouse Creek Road which we are utilizing for storage and as a shop for our maintenance department.

In cooperation with the Tomlinson College Board of Directors, we have approved the continuation of our college property development. A new student center was completed this year, an outdoor recreation area was developed and there was an expansion of the college cafeteria.

We are humbly grateful for the Lord's help, and for the cooperation we have received in all areas of our responsibility.

The over-all spiritual growth of the women has been phenomenal; the monetary increase is praiseworthy. We could readily say, "The Lord has done great things for us whereof we are glad."

The department has compiled and printed these books: **Mission Crusade**, **Women in Profile**, a handbook for ladies activities, **World Day of Prayer Booklet**; prepared and printed lessons and materials for Christian Workers' Conferences; prepared material for **Women in Profile** in French and Spanish **White Wing Messengers** and designed insert for English **White Wing Messenger**.

I have corresponded with state and national secretaries on a regular basis; corresponded with the National Overseers in regard to their needs, which are printed in the new **Helping Hand Ministry** brochure, along with the donors. My special thanks to all who have contributed to this cause. Your gestures of help have been far-reaching.

I served on the World Mission Committee and on the Youth Mission Board; assisted with the Orientation of the Youth Mission Teams; my husband and I accompanied the Youth Mission Team to Japan, with him serving as sponsor and I the evangelist.

This year I directed eight regional retreats in the states and three in the

countries. These were attended by approximately 3,000 ladies. I wish to express thanksgiving to God for what He is doing for the ladies of the Church of God in: retreats, mission breakfasts/luncheons and ladies' day activities planned by the states.

The splendid cooperation of the Overseers, the work of the state/national secretaries, pastors and local leaders are to be commended for what has been accomplished.

Report of Tomlinson College President and Church Pilot

August 1, 1980 through July 31, 1981

The past year was noteworthy of progress and growth. We are completing the second year as a candidate for accreditation with the Southern Association of Colleges and Schools. Various programs to fully comply with acceptable standards are receiving constant attention. It is anticipated that the college will be fully accredited in December, 1982.

We completed construction of a student center, intramural athletic field, student mail services, bookstore, cafeteria expansion and remodeling with updated kitchen facilities, a redesigned main campus entrance with a new sign, highway turn lanes, and other safety improvements, and made many improvements on the girls' dormitory.

We appreciate the assistance given by the general church and the General Properties Maintenance Department for keeping the campus grounds and building in good repair.

During the past five years, the total assets of the college have increased from \$800,000 to \$3,500,000, and the annual revenues have increased from \$500,000 to \$1,400,000.

The college has adequate facilities to service as many as 300 on-campus (in residence) and 100 off-campus (non-residence) students for a total enrollment of 400 students.

The college has undergone its fourth consecutive annual certified audit, which confirms a sound financial position; however, in the very near future serious consideration must be given to means by which to offset the upward spiral in the cost to operate the college. The student cannot absorb or afford to pay all the increased cost caused by inflationary and economical conditions; therefore, it is imperative that the Church and the college implement a workable fund-raising plan to increase cash contributions, endowments, scholarships, etc. The long-term survival and continuing ability of the college to fulfill its potential is every important to the mission of the Church of God.

There has been much concern about the five acres of the airport runway which extends into the college property. I am pleased to say that on July 29, 1981, the city commission resolved that the Church has the first right of refusal on this parcel of land if for any reason the city airport is moved to a different location or sold.

I wish to extend my thanks to the church membership for your contributions and support of the college programs; for the initiation of family scholarships, state scholarships, and for the contributions to the M. A. Tomlinson Ministerial Scholarship Fund. I encourage your continued participation.

I wish to express my sincerest appreciation to my very competent staff and the instructors for their dedication and faithfulness.

As the Church Pilot, I supervised the maintenance and upkeep of the twin-engine Baron. It was kept in an acceptable airworthy condition at all times. I flew the General Overseer to four state conventions and on other flights as requested.

I attended 5 state conventions, 4 special services in Fields of the Wood, 3 educational seminars and meetings and 4 special assignment trips.

Preached 14 sermons; served on the Editorial Committee on Church History, Polity and Doctrine and the Communications Committee.

EMERSON G. HALL

Report of Tomlinson College Board of Trustees

August 1, 1980 through July 31, 1981

The Tomlinson College Board of Trustees convened for meetings on two occasions. A series of meetings were held contemporaneously with commencement exercises in late April and a second series took place prior to and during the General Assembly.

Enrollment for this Fall semester in 242. Based on applications in hand, an additional 40 to 50 students are projected for the Spring semester.

Some of the more notable physical improvements this year include: modifications to the entrance to the campus, major remodeling of the cafeteria and intramural facility improvements.

We are informed that accreditation by the Southern Association of Schools and Colleges is within reach by December, 1982. The college's progress toward this goal has been exceptionally rapid, and we give God the glory.

The Board recently reviewed the annual audit report concerning the financial condition of the college and was impressed with the soundness of the college's financial operations. An indispensable part of that soundness has been the support of the General Assembly and the cooperation of the Executive Committee and the General Properties Committee.

We are aware of considerable interest in the general church in broadening the scope of the programs of the college to provide more benefits to

more of our people. We too are interested in this, because we believe the Lord would be pleased. The college has for some time made available correspondence courses. Extension courses have been operated successfully on one or two occasions. The Board is currently studying the development of policies concerning an extension department.

Once the Board's policies are developed, the Board anticipates the authorization of such a department.

President Hall is serving the college with commitment, organization, administration, planning and implementation. The Board commends the devotion and performance of the faculty and staff. Without them, there would be no report to give.

A. J. Coalter is completing his seventh, and perhaps final year with us; his leadership and steadying influence have been invaluable throughout his term, but particularly during this last year he has served as Chairman.

Church Boosters Committee Report

Section I

WHEREAS Bishop Ralph C. Scotton has served the General Assembly faithfully as a member of the Church Boosters Committee since 1959, and as chairman of the Committee for the last fourteen years, we wish to extend our sincere appreciation for the dedicated service he has given to the Church of God by serving this Committee.

Section II

Voice of Salvation

The Voice of Salvation is the official radio broadcast of the Church of God of Prophecy. Its purpose is to proclaim the message of Jesus Christ and His Church through the media of radio and television.

Since its first broadcast in 1954, the Voice of Salvation has experienced steady growth. It is now heard on 7 continents; over 310 radio stations in English and Spanish.

Through this ministry, thousands have heard the message of Christ and His Church. We must use the air waves in the future to spread the Gospel to every creature.

All who have had any part in the advancement of this ministry is to be commended. Your continued prayers and support are greatly needed.

Section III

Bible Training Institute—Alive and Well

Bible Training Institute continues to render a valuable ministry of teaching and establishing within the Church. Since its inception in 1941, Bible Training Camp and Institute has provided a vital curriculum to thousands of students.

Bible Training Institute has become a mighty missionary arm of the Church by taking its teaching program to many nations outside the United States. In this upcoming year, 30 schools are scheduled in 23 different nations.

We urge each local church to generously contribute offerings to underwrite the cost of taking the Bible Training Institute to more locations around the globe.

The idea of a "Refresher Course" has been favorably received and a curriculum is presently being developed. Students who have graduated from BTI in previous years will be privileged to return in the near future for

reviewing, refreshing and deeper studies as well.

Let us zealously support the ministry of Bible Training Institute—an essential teaching and training arm of the Church.

Section IV

World Language

Philippians 1:6. This passage seems most appropriate to our World Language work at this time. God has assigned us this massive work and confirmed it with His blessings. We, His fellow laborers, must allow Him to work through us more abundantly. Translating the message of Christ and His Church into the languages of the world is indeed the forerunner to communicating that message to the masses. To those on the mission fields, this translated material is an indispensable asset to their labors. To those being reached, it reflects the heartfelt concern of the Church and silences the echoes of, "No man cared for my soul."

The response from the areas where we have made some inroads through our translation work is thrilling indeed. We humbly encourage every member to become a World Citizen at heart by vigorously supporting this work in prayers, labor and finances. This work looms as a giant before us. So let us rise to the challenge and slay the giant.

Section V

Tomlinson College

Tomlinson College is the coeducational liberal arts junior college which is supported and authorized by the General Assembly of the Church of God of Prophecy. Its basic purpose is to provide learning experience in a Christian environment.

Tomlinson College provides a sound academic program of higher educational studies, designed to meet the needs of its students. The academic program is designed to prepare students to transfer their two years of collegiate studies into a senior college or university.

This year the college is entering its 15th year of service to the Church of God of Prophecy. The college has served the Church well. Currently there are State/National Overseers, state auxiliary workers, pastors, local leaders and our laity who have received educational training at Tomlinson College. It is evident that the effects of our investment in our college is just beginning to be realized.

We encourage all our Church leadership to actively promote Tomlinson College. Tomlinson College is as vital an arm of the Church of God as any other auxiliary in the Church. State Overseers and pastors have the responsibility to present our Church college to our people who are considering attending college. Without this important support from our Church leadership, the college will continue to struggle for Church recognition.

Section VI

Auxiliaries and Winning Souls

For many years, the auxiliaries (helps and governments) have been in the

Church. Each auxiliary has adopted a variety of added duties. It is in this process that the intended purpose has sometimes been overlooked, thus yielding to the many other demands. One of these areas is the spiritual aspect of each auxiliary.

We would especially like to bring to your attention the built-in soul saving or evangelism opportunities that accompany the every day execution of the auxiliary work. The record shows that all the auxiliaries were accepted with much spiritual inspiration and originally designed to promote such as a primary goal.

We encourage our people not to lose sight of the vast and unlimited opportunities to win the lost in the every day operation of the auxiliaries.

Section VII

Spirituality

We the Church Boosters Committee highly endorse that section of our General Overseer's Address "No Substitute For Spirituality." We would like to call special attention to that paragraph concerning our Big Business Program that was launched in 1928. He stated, "Many viewed it as the answer to the need for an organized approach to world evangelization. There was nothing wrong with those methods for organizing our people which were proposed in that Assembly of 1928. The limited successes they have afforded can be attributed to the degree of spirituality with which they have been operated. Any plan not empowered by the Holy Ghost is not the answer to our needs and will not secure victories for the Church of God." He further stated that the Church will never find an acceptable substitute for being filled with the Spirit.

We encourage every leader of the various departments of the Church to be men and women of fervent prayer earnestly seeking God to be filled with the Spirit. No matter how well organized, there is no substitute for spirituality. If our auxiliaries are to be the help and blessing they were intended to be when they were placed in the Church, we must have spirit-filled leaders. Let us accept the challenge presented to us by our General Overseer and be "Filled with the Spirit."

Report of Watchmen Committee

One of the titles given our Lord by the Prophet Isaiah was Prince of Peace. We are grateful to have had opportunity to be a part of this great Assembly of which almost every individual here has committed his heart and life to this Prince of Peace.

The statement of our beloved Apostle Paul in Philippians 4:7 has been especially fitting for us in this 76th Assembly. We wish to share this verse with you: "And the peace of God, which passeth all understanding, shall keep your hearts and minds through Christ Jesus."

Our work this year has been discharged with good unity and co-operation from this congregation. We wish to commend you for helping your Watchmen Committee to be able to bring a good report to this Assembly.

The minor problems, which were easily settled, seem only insignificant in view of the great edifying thrust of this Assembly.

We commend our General Overseer, Superintendent of Operations, Headquarters Staff, all Overseers, ministers, members and friends. We feel that our services in future assemblies will be easier as we "Follow peace with all men, and holiness, without which no man shall see the Lord."

Present Financial System

NOTE TO MINISTERS AND TREASURERS: Fill in all reports accurately and completely. Write or print plainly. If assistance is needed, write to L. F. Kendrick, Box 2970, Cleveland, Tennessee 37311.

TITHES: Members should pay their tithes into the treasury of the local church where they are members. Ministers send the tithes of income from the ministry with their monthly reports to the General Treasurer, and tithes on income outside the ministry are paid into the treasury of the local church where they are members.

The treasurer of the church is to send 10 per cent of tithes received each month with the treasurer's report to the appropriate address.

United States, Puerto Rico, Virgin Islands—L. F. Kendrick, Box 2970 Cleveland, Tennessee 37311.

Other reports should be addressed to The Church of God of Prophecy, General Headquarters Field Office in your respective area, or contact your Overseer.

The Assembly recommends that the Executive Committee be authorized to adjust the allotments for pastors, State Overseers, and General Workers from year to year, based on the previous year's cost of living index.

The Assembly recommends that the allotment of the General Overseer and that pay for incidental expenses plus any and all personal necessities be left to the discretion of the Executive Committee.

The treasurer of the local church sends 10% of the tithes received each month to the treasurer of his state or nation. The balance of the tithes, after General Headquarters and the State or National Overseer have received their portions, remains in the local church treasury to pay the pastor.

We recommend that the sum of \$550 received each month by the General Appointees and the State Overseers be designated for rent and utilities. Should the rent and utilities be under the above amount, the remaining amount would be included as income. Where feasible, this is also applicable to pastors and full-time evangelists. (Note: This recommendation is for income tax purposes only, and involves no extra allotment.)

Surplus tithes accruing in any local church are to be left in the tithe fund account of the local church treasury until after the last Sunday in June, at which time it is properly divided: 10% to be sent to the General Treasurer to be used at the discretion of the Executive Committee; 25% to be sent to the state or national treasurer to be used at the discretion of the State or National Overseer and Finance and Appropriations Committee and the 65% left in the local church should be presented by the local Committee as a proposed budget plan for approval by the local church conference.

The Assembly recommends that the following words be added to this paragraph. "That first consideration be given to the pastor's expense in the ministry; said expenses being already defined in the Church Business Guide."

The Assembly recommends that all local church treasurers mail their reports to the state or national treasurer no later than the 5th of each month. From the funds received, the State or National Overseer would receive his allotment and expense (if funds are available) according to the rulings of the General Assembly.

The Executive Committee agrees that all General Appointees receive an allotment of \$1,534.00 monthly, if funds are available; and that incidental expense incurred by these General Appointees be left to the discretion of the Executive Committee.

Overseers in the United States are to receive no more than \$1,534.00 monthly, plus an amount not to exceed \$200 a month for office expenses from the tithes received from the churches, if funds are available. Any funds in excess of this amount received by the treasurer are to be kept in the state treasury to be placed in the general state fund for the state work, especially to assist pastors of weaker churches.

The Executive Committee agrees that the pastor receive an amount not to exceed \$1,534.00 monthly from the tithes of the local church after General Headquarters and the State Overseer have received their portions, if funds are available. This does not include offerings and poundings received by the pastor.

Allotments for Overseers outside the United States where there is not sufficient tithes to cover the allotments the remaining portion be supplied by making transfers of Tithe Funds between countries where this is legally permissible and from the United States Tithe Funds, in other cases, if funds are available, and that each Overseer should receive an allotment in the currency of the country or the territory he represents according to the average prevailing wage rates of each country.

The Assembly has ruled that tithes are for the support of the ministry only. Surplus tithes received at General Headquarters are disbursed at the discretion of the Executive Committee to aid Overseers in states not self-supporting. The Ministerial Aid Fund receives 10% of all tithes sent to General Headquarters. We recommend that the tithes of non-members that are paid into the local church treasury be paid through the regular channel the same as the tithes of members.

The Committee calls your attention to the fact that it does not say of ministers only; rather, of the ministry only. Ministry is defined as the office, duties, or functions of a minister; the building in which the business of the ministry is transacted; thus, the ministry includes any and all phases of the Church ministry, such as church property, equipment, maintenance, etc.

MISSION HOMES FOR CHILDREN: All Mission Homes for Children offerings remain in the local church treasury and are turned in at the state or national convention and Assembly. For improving, building, and maintaining the state headquarters, 20% of the state convention Mission Homes for Children offering remains in the state treasury. The General Treasurer is sent 10% of the balance and the state treasurer keeps 10%, or an equal amount. Send balance to the General Treasurer for the support of Mission Homes for Children. The General Treasurer sends 10% of the Assembly offering from each state or nation to the respective state or national treasurer for the general state or national fund. The Assembly has recommended that 10% of state and national convention offerings and Assembly offerings of the Mission Homes for Children be sent to General Headquarters for General Properties, and 40% for Tomlinson College.

EMERGENCY FUND: All ministers and members are to pay one dollar a year, or the amount set by the World Mission Committee where applicable, into the treasury of the local churches where their memberships are, and the treasurer sends the emergency dollars as collected with his monthly report. The Ministerial Aid Fund receives 10% of all emergency money sent to General Headquarters.

GENERAL PROPERTIES FUND: The Assembly recommends that the General Properties Fund be continued and that each local church raise or collect one dollar per member, (where the dollar is not the monetary system—the amount is to be set by the World Mission Committee according to the economic and monetary condition) and that these funds be collected at the beginning of the Assembly year with the last Sunday of December being a rally day to finalize the collecting of these funds. This General Properties Fund money should be mailed to the General Treasurer or General Field Office, immediately after the last Sunday of December.

The Assembly recommends these portions be designated as General Properties Fund:

1. Not less than 50% of the CPMA membership each year after 10% is deducted for Ministerial Aid;
2. 50% of the CPMA state convention offerings which presently remain in the state treasury;
3. 10% of the state and national convention offerings and Assembly offerings of the Mission Homes for Children and Bible Training Institute; and 10% of the national and international accounts of Ministerial Aid and Missions.

The Assembly recommends that if there should be any deficit occurring in

the General Properties Fund in making the monthly payments, such deficit be paid from the General Fund.

MISSION MONEY: The second Sunday mission offering and mission money raised by other means remain in the local church treasury and are turned in at the state and national convention and Assembly. For improving, building, and maintaining the state headquarters, 20% of the state convention mission offering is to remain in the state treasury. The General Treasurer receives 10% of the balance and the state treasurer keeps 10%, or an equal amount. Half of the remainder (40% of the balance after the state deducts the state headquarters maintenance portion) is left in the state for the general state fund, and half sent to the General Treasurer as world mission money. The General Treasurer is sent 5% of the 40% portion remaining in the state treasury for the state convention mission funds to assist in the support of widows of deceased ministers.

The General Treasurer receives all mission money collected in the March and October drives for world missions. It is to be sent with the local treasurer's monthly report. All mission offerings at the Assembly are turned in to the General Treasurer as world mission money. The General Treasurer sends 10% of the Assembly offering from each state or nation to the respective state or national treasurer for the general state or national fund. The Ministerial Aid Fund receives 10% of the mission money sent to the General Treasurer. The Assembly recommends that 10% of the national and international accounts of the World Mission Fund be sent to General Headquarters for the General Properties Fund.

FIRST SUNDAY OFFERING: Each local church receives an offering for the pastor on the first Sunday of each month.

DISTRICT OVERSEERS SUPPORT: The Assembly recommends that a love offering be received for the district overseer in his district convention. If the district overseer is requested by the State Overseer to perform a duty involving considerable expense, the State Overseer will be responsible for such expense.

FOURTH SUNDAY OFFERING: The fourth Sunday is set by the Assembly for every local church to receive an expense offering for the Overseer of the state or nation. The local church treasurer sends 10% of this offering to the state treasurer for the state treasury; the balance of this offering is sent to the state treasurer for the expense of the Overseer. If there is not sufficient fourth Sunday offerings to cover his expense as Overseer, the surplus tithes, if there is any in the state treasury may be used to supplement the fourth Sunday offerings. DO NOT send any of the fourth Sunday offerings to the General Treasurer. Each local church should receive poundings for the Overseer once or twice a year.

VICTORY LEADERS OFFERING: All money raised for the Free Literature Fund by the Victory Leaders is given in at the state or national convention and Assembly. Money for the expense of the band should be received in a special offering. For improving, building, and maintaining the state head-

quarters, 20% of the state or national convention free literature offering is left in the state treasury. The General Treasurer receives 10% of the balance and the state treasurer retains 20% for the general state fund. The balance is sent to the White Wing Publishing House. The Assembly Free Literature Offering is given to the World Language Department. The White Wing Publishing House sends 10% of the Assembly offering from each state or nation to the respective state or national treasurer for the general state or national fund. The Ministerial Aid Fund receives 10% of all free literature money received by the White Wing Publishing House, and the balance is disbursed by the Church Publishing Committee.

ASSEMBLY EXPENSE: To assist in the expense of the annual assemblies, the State Overseers are asked to collect funds each year and send to the General Treasurer.

a. The Assembly recommends that churches having less than 50 in Sunday School contribute annually \$2.00 to Assembly expense; churches with Sunday School attendance between 50 and 100 are to contribute \$3.00 annually; and churches averaging over 100 in Sunday School are to contribute \$5.00 annually.

b. The Assembly recommends that each Victory Leaders Band contribute \$2.00 annually; the Assembly recommends that each Women's Missionary Band contribute \$2.00 annually, and that each minister, including deacons and lay ministers, contribute \$1.00 annually.

c. The Assembly recommends that the pastors be responsible for collecting the Assembly Expense Dollars for the auxiliaries and forward to the State Overseer, and the State Overseer be responsible to collect the dollars from the ministers in his state. These funds are to be mailed to the General Treasurer as collected. The final report of the Assembly expense should be given by the Overseer with the state convention report to the General Treasurer, and the State Secretaries be responsible to the State Overseer to boost and assist in collecting these funds.

CHURCH OF PROPHECY MARKER ASSOCIATION: To be a member of the Church of Prophecy Marker Association, you pay \$5.00 a year, and it may be paid any time during the year. For the local church to receive credit in the Honor Stone Program, it must be paid before the honor sheet is filled in by the pastor. In other nations, to become a member you pay an amount set by the Overseer and CPMA Committee.

CPMA offerings remain in the local church treasury and are given in at the state convention. These offerings are divided by the state treasurer; 20% of the CPMA state convention offering remains in the state treasury for improving, building, and maintaining the state headquarters; 10% of the balance is sent to the General Treasurer, and an equal amount, or 10%, to the state treasurer for the state work, and an equal amount, or 10% is sent to the General Treasurer for the Ministerial Aid Fund. Of the amount presently remaining in the state treasury, 50% is to be sent to the General Treasurer for the General Properties Fund. Not less than 50% of CPMA membership fees each year, after 10% is deducted for Ministerial Aid, is to go to the General Properties

Fund.

BIBLE TRAINING INSTITUTE: The Assembly recommends that the pastors be responsible for conducting weekly classes in the local churches to acquaint our people with the doctrine and practices of the Church. Offerings received in the classes are turned in at the state convention to assist Bible Training Institute in teaching the Church doctrine in other nations. It is recommended that 10% of state and national convention offerings and Assembly offerings of Bible Training Institute be sent to General Headquarters for the General Properties Fund.

MINISTERIAL AID: The Assembly recommends that 10% of national and international accounts of the Ministerial Aid Fund be sent to General Headquarters for the General Properties Fund.

The following resolution was adopted by the 58th Annual Assembly of the Church of God of Prophecy, held in Cleveland, Tennessee, September 10-16, 1963:

WHEREAS it has been advised by competent attorneys that specific mention of proper authorities be stated in an effort to ease the complications arising in our endeavors to be recognized by the courts, and to facilitate the handling of deeds to our church properties,

BE IT RESOLVED that trustees to hold title to local church property for the Church of God of Prophecy with international headquarters at Cleveland, Tennessee, be selected by the local church either in a regular or called business meeting, said trustees to be vested with authority to bargain, buy, sell, convey or encumber such property by mortgage or otherwise only when authorized to do so by the local church in regular or called business meeting, and with the consent of the General Trustees.

BE IT FURTHER RESOLVED that said consent of the General Trustees be evidenced by a separate writing or by the signature of the Chief Clerk of the said General Trustees, such documents to be notarized.

BE IT RESOLVED that state church trustees appointed by the State Overseer to hold title to property for the Church of God of Prophecy with international headquarters at Cleveland, Tennessee, be vested with authority to bargain, buy, sell, convey, or encumber such property by mortgage with the consent of the General Trustees. This applies to property being held by state trustees where churches have been disbanded or are too weak to function and to property which has been given to the state. All other property with title being held by state trustees may be disposed of or mortgaged only by the consent of the state convention in session.

World Must Be Evangelized

It will take good organization and systematic methods to accomplish this
 task.

God's power is demonstrated in proportion to the unity and oneness of His
 people.

The members of the early Church were all of one accord, steadfast in the
 apostles' doctrine and fellowship, and the multitude that believed were of one

heart and one soul, and great grace was upon them all and mighty results followed as a consequence of their perfect unity and careful organization.

We must banish from our minds the thoughts of individual or local independence and haphazard spasmodic efforts.

Pull together, pull at once, pull steadily all the time is the road to success.

All members should be ready to center their minds and prayers on the one thing, as a unit, when calls for special prayer are made. Each should feel his or her part of the responsibility, remembering that when one member fails, it cripples or dwarfs the body until the matter pending may fail.

Local Church Officers and Leaders

1. **Pastor:** It is the duty of the State or National Overseer to supply every church under his jurisdiction with a pastor. Pastors are to be appointed at the state or national convention and vacancies will be filled as they occur. The duties of the pastor expire at midnight the last Sunday in July at the church he is leaving and automatically begin at the same time at the church to which he is moving.

2. **Clerk:** The local church clerk is to be appointed by the pastor at the same time as the other leaders and officers by the pastor during the first two months of his pastoral year; said appointments to be ratified in the following quarterly conference.

3. **Treasurer:** The treasurer is appointed in the same manner as the clerk. It is advised that one person serve as both clerk and treasurer when satisfactory to the local church. The treasurer will receive and disburse all funds of the local church including tithes, auxiliary funds and special funds and will maintain an accurate record of all receipts and disbursements.

4. **Auxiliary Leaders:** Leaders for the five auxiliaries—Sunday School, Womens Missionary Band, Victory Leaders Band, Church of Prophecy Marker Association, Assembly Band Movement—are appointed by the pastor during the first two months of his pastoral year.

Each pastor, with the assistance of the deacons, should divide his members into bands of ten or twelve and appoint a leader for each band. The leader should keep in touch with each member of the band, and if any should move away, communication should be kept up by correspondence. This is for the mutual, spiritual, temporal, and social benefit of the members. The pastor should keep in close touch with the band leaders.

5. **Local Trustees:** Trustees to hold title to local church property are selected by the local church in a regular or called business meeting and are authorized to bargain, buy, sell, convey or encumber the local property only when authorized to do so by the local church in a regular or called business meeting, and with the written consent of the General Trustees.

6. **Other Officers and Leaders:** The Assembly has authorized the pastor to appoint a Church Literature Representative, Public Relations Director, Bible Training Institute Booster and any other leaders during the first two months of his pastoral year.

Business Meetings

Each local church should hold a regular business conference quarterly. It has been the practice to observe the first Monday night in January, April, July, and October for the conference. A meeting may be called any time by the pastor or State Overseer. A short business meeting may be held at the beginning or close of a meeting for worship.

The pastor should act as moderator of all business meetings. If there is no pastor, the State Overseer has authority to act or appoint a licensed male minister to preside. Where one pastor has the care of several churches, he may arrange the business meetings for his convenience.

Every member should attend every business session if possible. Women are to take no open part in discussing or deciding questions, but should always be there and silently pray that God will give wisdom and direct the men.

Matters should be discussed with love, humility and meekness. No votes should be taken to decide questions. Everything should be done with one accord and questions settled by mutual agreement. If there is division on a matter, hold it over until all can agree. If one should seem obstinate and contrary, do not run the matter over him, but take up his case and investigate the cause of his obstinacy; if he shows a good spirit so that he can be heard, then show him courtesy. If he proves to be wrong, deal with him as the Bible directs. Then, take up the original subject and dispose of it in harmony and love.

If a matter cannot be settled satisfactorily by the local church, they should call for the assistance of the State Overseer. If they are still unable to reach a satisfactory conclusion, it should be referred to the General Overseer.

No one should give a message in tongues to the church unless there is an interpreter present, and then only one at a time and not more than three in a whole session.

Suggested Arrangement and Order of Business

Moderator, clerk, treasurer should occupy seats on the platform. Deacons and other ministers seated nearby.

Song service and prayer. Scripture lesson, and prayer by the moderator asking for wisdom and direction. Song.

Clerk read minutes of last regular meeting and any called meetings.

Correction of minutes, if any.

Treasurer give report of finances and always give an itemized statement of receipts and disbursements and balance in treasury.

Leader of the WMB give report of the work of the band, including finances, receipts and disbursements.

Victory Leaders Director give report of the work and progress of the band, including finances, receipts, and disbursements.

Pastor give report of the ABM work, amount of money raised monthly, number of strays found and brought back (Luke 15:4-6), and give account of every member of his flock (Hebrews 13:17).

Report of CPMA Leader—number of members and receipts.

The Sunday School Superintendent give report of the work and progress of the school, including finances, receipts and disbursements.

Report of church literature
representative.

Unfinished business.

New business.

Acceptance of transfers.

Miscellaneous business.

Members to transfer.

Adjournment by prayer.

Advice to Members

As a member, you count one and should attend every regular service as far as possible. Remember no one can fill your place and the service will be that much dwarfed and crippled without your presence.

Show love and fellowship to everyone without partiality. Don't wait for others to greet you but you greet them.

Show special courtesy to strangers who may attend one of your services.

As a rule, take part in the singing.

Be ready for vocal prayer when called on or prompted by the Spirit.

Be ready for testimony when such is in order.

Stand by your pastor or appointed leader and assist him in every way you can.

Always pray silently for the preacher while he delivers the message. Always live a consecrated life at home and abroad so no one can justly think or speak of you as a hypocrite.

Guard your conversation. Be careful what you say about a brother, sister, or anyone else.

Don't be a critic and try to find something in others to criticize.

Examine yourself, occasionally and see if you are in the faith.

Don't yield to discouragement or despondency.

Be cheerful and happy and try to make others the same.

Spend as much time as you can in secret prayer. Give yourself all you can to intercessory prayer. Daily prayers and study of God's Word are necessary and very important for the spiritual welfare of each child of God; therefore, everyone is urged to faithfully maintain as far as is possible family worship at home at least once a day.

Your dress should be with moderation, neat and clean, but not for show. Moderation includes paying moderate prices for clothing, wearing dresses of high-enough necklines, low-enough hemlines, sleeves of reasonable length. The wearing of extremely sheer fabrics is unbecoming to a saint and the wearing of shorts in public should never be practiced. You should never wear gold for ornament or decoration. Finger rings, bracelets, earrings, necklaces, locketts and large showy pins—these are also unbecoming to a saint of God. Rouge, lipstick, nail polish and extremely costly perfumes are used to satisfy the pride of life and therefore they should have no place in the lives of those who love God. Please read and study these Scriptures often: 1 Peter 3:3, 4; 1 Timothy 2:9, 10 and 1 John 2:15-17.

You should not permit yourself to be trapped by worldly attractions. The Bible says, "Neither give place to the devil." Dabbling with worldly amusements like professional ballgames, horseraces, stockcar races, wrestling arenas, skating rinks, motion picture houses or drive-in theaters, bowling alleys and going swimming where men and women both use the same bathing area would give the devil a foothold or place in your life.

Always tithe your income and put it in the church treasury. Make freewill offerings other than your tithes.

Younger members should not keep company or associate too intimately with worldly outsiders.

Because of the ever-increasing number of broken homes, separations, divorces and remarriages, the greatest care should be taken with much prayer and consideration regarding proposed matrimony.

A member who may have a living companion should not marry another under any circumstances even if divorced. Neither should a member marry anyone who has a living companion although such a person may be divorced.

Children are an heritage from the Lord. Those who have children are responsible to teach them at an early age to reverence the house of God. This should be done by setting a good example before them and by instructing them with such a good spirit that they will have a strong desire to serve the Lord. MINISTERS are to meet all of the requirements in being examples to the members by keeping their children under reasonable control at all times and by restraining them from running about over the house of God, especially while the services are in progress.

The White Wing Messenger is a very important part of the Church of God. It should be read regularly by every member and your interest in advertising the Church should be so great that when you have finished reading your copy, you would pass it along to someone else. Every member who possibly can should subscribe, and each minister is asked to be a "paid-up" subscriber and an earnest worker for our church paper—*The White Wing Messenger*.

These are the last days and perilous times have come and it will require much watchfulness and humble prayer for you to so live and act that you will never bring reproach on the worthy name of Christ and His Church that you so much love.

Never form too close an intimacy with the opposite sex even if they are brothers and sisters in the Lord. Give no place to the adversary. Abstain from the very appearance of evil.

These kindly instructions and advices are given by those who are watching for your soul as they must give an account (Hebrews 13:17), and it is hoped they will be received with the same meek, gentle spirit in which they are given.

Duties of State and National Overseers

Each overseer is to have the oversight of his state, nation or territory, and together with the General Overseer, will form the presbytery in his respective area. In addition to his general responsibility for the work under his

jurisdiction, he will be responsible for specific duties:

To conduct or order a general evangelistic campaign during the year. If there are only a few churches in the state or area assigned him, he will serve primarily as an evangelist, evangelizing in new fields and endeavoring to establish new churches. If his area has a large number of churches and ministers, he will be responsible to organize and direct the evangelistic efforts of his workers in new fields.

To see that every church is supplied with a pastor.

To divide his state or territory into districts and place over each district an overseer as previously practiced. This is not a rule, but it is considered best when there are sufficient churches to make it practical. He should conduct district meetings at intervals during the year where special instructions concerning the work can be given.

To hold one general convention each year in the area most convenient for members from all the churches to attend.

To secure the name and address of every bishop, deacon, and evangelist under his jurisdiction and keep a record of these so he can report to the General Overseer, if necessary. He will also issue lay minister's certificates and keep the necessary records concerning them.

Keep an accurate record of the location of every church and the number of members in his territory, keeping a record of the increase so this information can be reported each year. This can be done by keeping in touch with the clerks of the churches. Every minister and clerk should take an interest in imparting this information to the overseer. All new organizations should be reported to the overseer.

To visit every district and church, if possible, and look after the interests in every way, as a pastor over a large circuit.

Duties of District Overseers

The district overseers are to be appointed by the State Overseer:

To moderate business conferences for women preachers who may be acting as pastors and for male pastors who are not licensed.

To do evangelistic work in his district. If he has a district with no churches, it is his duty to evangelize and organize churches.

To conduct district conventions according to the instructions of the State Overseer.

To assist the State Overseer, when called upon, in all things relating to church work and he is subject to the State Overseer.

The minister who administers this obligation should see that every applicant replies in the affirmative. In taking the obligation, applicants should think of it as being a perpetual covenant that shall not be forgotten.
